Redefining the Role of the Youth Worker April Diaz, 2013-10-01 This is not a book about youth ministry Well it's not entirely about youth ministry This is a book about the church and her relationship with teenagers And it's a book about leadership These pages offer an invitation for anyone who loves teenagers This is a story a calling a vision for the church to be more whole more cohesive and longer lasting than the six or seven years that make up most youth ministries In part this

book is a case study about one church who became captivated by a bigger vision for their teenagers and decided things needed to be different Quite different And it s a stake in the ground that things must be different in our churches and cities for the sake of this generation and the ones to come Birthed in the cauldron of frustration and possibility youth worker and author April Diaz took a big risk when a staff position opened in youth ministry at her church She led her church by asking some tough questions What if we changed this position from a Youth Pastor to Student Integration Pastor And what if this was more than a job title but a change in the way our church views its relationship with teenagers What if we don t just hire a youth ministry Pied Piper to isolate our teenagers but hire a youth ministry champion who won t let the congregation forget about her responsibility for the spiritual formation of the teenagers in our midst Equal parts intervention idealism memoir and guide this tiny book packs a punch you ll be thinking about and wrestling with well beyond the final page *Don't Do This* Len Kageler,2016-08-15 This book is a place where failures are allowed This is a book about the decisions we made that we d like to take back THIS IS FROM THE AUTHOR s INTRO Might be nice to have it separate and above the rest of this like a quote would be But this book about more than failure it s a book of help and hope as well In a ministry world where success is demanded it s important to remember that our creative ministry programming ideas won t turn out perfect every time and the relational proficiency expected in youth work almost always requires learning the hard way Perhaps you have heard the saying that only one idea out of ten succeeds This is a book about the other nine ideas These stories told first person from youth workers across the continent include failures in the fundamentals of youth ministry with youth themselves with parents and volunteers and with church and parachurch leadership as well You ll also find questions for personal reflection or group discussion as well as youth ministry class assignments for college and seminary use *Introduction to Youth Ministry* John Dettoni,1993 *A Beautiful Mess* Mark Oestreicher,2012-05-15 When you think about the state of youth ministry today are you an optimist or a pessimist Do you cheer or fear Is the glass half full or half empty In this honest frank blunt examination veteran youth worker Mark Oestreicher offers a fresh perspective on what s working in youth ministry today and discovers that perhaps things aren t as broken as some of us might have thought Theologically and anecdotally we can uncover plenty of encouraging signs in the realm of youth ministry according to Oestreicher whose youth ministry experience includes time as an in the trenches youth worker and as a publisher of youth ministry books and resources A Beautiful Mess features insights on the issues and opportunities facing youth workers including the trend toward longevity in ministry the power of smaller churches the work of the Holy Spirit the rewards of authentic relational ministry the need for integration instead of isolation and the centrality of faith and humility This book will help you experience the freedom of your calling rather than the stress of expectations You ll discover an abundance of reasons to remain optimistic intentional and faithful as you engage in the lives of today s teenagers *Youth Ministry* ,1972 **The Coming Revolution in Youth Ministry** Mark Senter,1992 **Youth Ministry by the Book** Roger Glidewell,2005 **Called to Care** Douglas Stevens,1990-02 *Youth*
