**The Arts of Imprisonment** Leonidas K. Cheliotis, 2016-12-05 The arts spanning the visual design performing media musical and literary genres constitute an alternative lens through which to understand state sanctioned punishment and its place in public consciousness Perhaps this is especially so in the case of imprisonment its nature its functions and the ways in which these register in public perceptions and desires have historically and to some extent inherently been intertwined with the arts But the products of this intertwinement have by no means been constant or uniform Indeed just as exploring imprisonment and its public meanings through the lens of the arts may reveal hitherto obscured instances of social control within or outside prisons so too it may uncover a rich and possibly inspirational archive of resistance to them This edited collection sheds light both on state use of the arts for the purposes of controlling prisoners and the broader public and the use made of the arts by prisoners and portions of the broader public as tools of resistance to

penal states The book also includes a number of chapters that address arts in prisons programmes making distinctive contributions to the literature on their philosophy formation operation effectiveness and research evaluation as well as taking care to explore the politics surrounding and underpinning these multiple themes Applied Theatre: Women and the Criminal Justice System Caoimhe McAvinchey, 2020-02-06 Applied Theatre Women and the Criminal Justice System offers unprecedented access to international theatre and performance practice in carceral contexts and the material and political conditions that shape this work Each of the twelve essays and interviews by international practitioners and scholars reveal a panoply of practice from cross arts projects shaped by autobiographical narratives through to fantasy informed cabaret from radio plays to film from popular participatory performance to work staged in commercial theatres Extracts of performance texts developed with Clean Break theatre company are interwoven through the collection Television and film images of women in prison are repeatedly painted from a limited palette of stereotypes bad girls monsters babes behind bars To attend to theatre with and about women with experience of the criminal justice system is to attend to intersectional injustices that shape women s criminalization and the personal and political implications of this The theatre and performance practices in this collection disrupt expand and reframe representational vocabularies of criminalized women for audiences within and beyond prison walls They expose the role of incarceration as a mechanism of state punishment the impact of neoliberalism on ideologies of punishment and the inequalities and violence that shape the lives of many incarcerated women In a context where criminalized women are often dismissed as unreliable or untrustworthy the collection engages with theatre practices which facilitate an economy of credibility where women with experience of the criminal justice system are represented as expert witnesses Prison Shakespeare Rob Pensalfini, 2016-01-26 This book explores the development of the global phenomenon of Prison Shakespeare from its emergence in the 1980s to the present day It provides a succinct history of the phenomenon and its spread before going on to explore one case study the Queensland Shakespeare Ensemble s Australia Shakespeare Prison Project in detail The book then analyses the phenomenon from a number of perspectives and evaluates a number of claims made about the outcomes of such programs particularly as they relate to offender health and behaviour Unlike previous works on the topic which are largely individual case studies this book focuses not only on Prison Shakespeare s impact on the prisoners who directly participate but also on prison culture and on broader social attitudes towards both prisoners and Shakespeare The Applied Theatre Reader Tim Prentki, Nicola Abraham, 2020-10-20 The Applied Theatre Reader is the first book to bring together new case studies of practice by leading practitioners and academics in the field and beyond with classic source texts from writers such as Noam Chomsky bell hooks Mikhail Bakhtin Augusto Boal and Chantal Mouffe This new edition brings the field fully up to date with the breadth of applied theatre practice in the twenty first century adding essays on playback theatre digital technology work with indigenous practitioners inter generational practice school projects and contributors from South America Australia and New Zealand The Reader

*Drama and Curriculum* John O'Toole, Madonna Stinson, Tiina Moore,2009-03-17 Here s a knocking indeed says the Porter in Shakespeare s Scottish play Act II Scene 3 and immediately puts himself into role in order to deal with the demands of such an early call after a late night of drinking and carousal If a man were porter of hell gate But what roles does the porter of curriculum gate take on in order to deal with drama s persistent demands for entry Ah that depends upon the temperature of the times We who have been knocking for what seems to be a very long time know well that when evaluation and measurement criteria are demanded as evidence of drama s efficacy an examiner stands as gatekeeper When the educational landscape is in danger of overcrowding we meet a territorial governor And how often has the courtesan turned out to be only a tease because the arts are for a brief moment in the spotlight for their abilities to foster out of the box thinkers In this text we meet these

commissionaires and many more The gatekeeping roles and what they represent are so familiar that they have become clichés to us We know them by their arguments ripostes dismissals their brief encouragement and lack of follow up And we know that behind each one however firmly they think they keep the keys is a financial and political master whose power controls the curriculum building and everything in it

understanding the case studies historical influences on music pedagogy and the main discourses around music teaching Teaching Music Differently invites all music education professionals to consider their own responses to pedagogical discourses and to use these discourses to further the development of the profession as a whole
