**Theatre of the Unimpressed** Jordan Tannahill, 2015 A lot of plays are bad And one bad play it seems can turn us off theater for good So what can we learn from the bad play Jordan Tannahill after talking to theater heavy hitters from Australia to Berlin offers a roadmap for a renewed theater one that is less insular less insulting with better infrastructure In reconsidering dramaturgy programming strategies and alternative models for producing he aims to turn theater from an obligation to a destination

*Theatre of the Unimpressed* Jordan Tannahill, 2015-05-11 How dull plays are killing theatre and what we can do about it Had I become disenchanted with the form I had once fallen so madly in love with as a pubescent pimple faced suburban homo with braces Maybe theatre was like an all consuming high school infatuation that now ten years later I saw as the closeted balding guy with a beer gut he d become There were of course those rare moments of transcendence that kept me coming back But why did they come so few and far between A lot of plays are dull And one dull play it seems can turn us off theatre for good Playwright and theatre director Jordan Tannahill takes in the spectrum of English language drama from the flashiest of Broadway spectacles to productions mounted in scrappy storefront theatres to consider where lifeless plays come from and why they persist Having travelled the globe talking to theatre artists critics passionate patrons and the theatrically disillusioned Tannahill addresses what he considers the culture of risk aversion paralyzing the form Theatre of the Unimpressed is Tannahill s wry and revelatory personal reckoning with the discipline he s dedicated his life to and a roadmap for a vital twenty first century theatre one that apprehends the value of liveness in our mediated age and the necessity for artistic risk and its attendant failures In considering dramaturgy programming and alternative models for producing Tannahill aims to turn theatre from an obligation to a destination Tannahill is the poster child of a new generation of theatre film dance artists for whom interdisciplinary is not a buzzword but a way of life J Kelly Nestruck Globe and Mail Jordan is one of the most talented and exciting playwrights in the country and he will be a force to be reckoned with for years to come Nicolas Billon Governor General s Award winning playwright Fault Lines

disabled are often asked to adapt to inaccessible environments Ryan Porter Quill Quire Read this smart tenacious book The Washington Post A brilliant young critic named Amanda Leduc explores this pernicious power of language in her new book Disfigured Leduc follows the bread crumbs back into her original experience with fairy tales and then explores their residual effects Read this smart tenacious book The Washington Post Leduc investigates the intersection between disability and her beloved fairy tales questioning the constructs of these stories and where her place is as a disabled woman among those narratives The Globe and Mail It gave me goosebumps as I read to see so many of my unexpressed half formed thoughts in print My highlighter got a good workout BookRiot Disfigured is not just an eye opener when it comes to the Disney princess crew and the Marvel universe this thin volume provides the tools to change how readers engage with other kinds of popular media from horror films to fashion magazines to outdated sitcom jokes Quill Quire It s an essential read for anyone who loves fairy tales Buzzfeed Books Leduc makes one thing clear and beautifully so fairy tales are fundamentally fantastic but that doesn t mean that they are beyond reproach in their depiction of real issues and identities Shrapnel Magazine As Leduc takes us through these fairy tales and the space they occupy in the narratives that we construct she slowly unfolds a call to action the claiming of space for disability in storytelling The Globe and Mail A provocative beginning to a thoughtful and wide ranging book one which explores some of the most primal stories readers have encountered and prompts them to ponder the subtext situated there all along LitHub a poignant and informative account of how the stories we tell shape our collective understanding of one another BookMarks What happens when we allow disabled writers to tell stories of disability within fairytales and in magical and supernatural settings It is a reimagining of the fairytale canon we need Leduc dares to dream of a world that most stories envision is unattainable Bitch Media **Distance in the Theatre** Daphna Ben Chaim,1981
