**Reader Volume 2** Ziauddin Sardar, Shamim Miah, C Scott Jordan, 2024-01-01 The book updates the theory and methods offers new ways of developing scenarios and suggest ways and means to engage communities in polylogues It explores the notions of time knowledge ignorance and modernity and outlines potential futures beyond postnormal times based on decolonised creativity and mutually assured diversity The reader also showcases how postnormal times theory is being used in diverse disciplines from political science and international relations to science studies education museology and drama and theatre Postnormal times presents us with existential threats Understanding the postnormal condition the changing nature of accelerating change is key to our survival The Broadview Anthology of Drama, Volume 2: The Nineteenth and Twentieth Centuries Craig S. Walker, Jennifer Wise, 2003-07-09 The Broadview Anthology of Drama Plays from the Western Theatre is a chronological presentation of 43 plays in two volumes ranging from the ancient theatre world to the present day Each chapter focuses on a specific period and begins with an insightful introduction sketching the historical and theatrical landscape of that period Contextualization for each play is provided through a thorough account of the literary and dramatic background of the play along with clear and comprehensive annotation In addition the editors have provided a glossary of terms used in the anthology to better equip students with a vocabulary for discussing the world of the stage

**Historicizing the Enlightenment, Volume 2** Michael McKeon, 2023-07-14 Enlightenment critics from Dryden through Johnson and Wordsworth conceived the modern view that art and especially literature entails a double reflection a reflection of the world and a reflection on the process by which that reflection is accomplished Instead neoclassicism and Augustanism have been falsely construed as involving a one dimensional imitation of classical texts and an unselfconscious representation of the world In fact these Enlightenment movements adopted an oblique perspective that registers the distance between past tradition and its present reenactment between representation and presence Two modern movements Romanticism and modernism have appropriated as their own these innovations which derive from Enlightenment thought Both of these movements ground their error in a misreading of imitation as understood by Aristotle and his Enlightenment proponents Rightly understood neoclassical imitation constitutively aware of the difference between what it knows and how it knows it is an experimental inquiry that generates a range of prefixes counter mock anti neo that mark formal degrees of its epistemological detachment Romantic ideology has denied the role of the imagination in Enlightenment imitation imposing
