## **Themes And Transformations In Old Testament Prophecy:**

**Themes and Transformations in Old Testament Prophecy** Samuel A. Meier, 2014-08-15 We meet the prophets of Israel in our own time and in one place Scripture So it might seem odd to consider that they are not all the same these voices from back then In fact the prophets inhabited a time span of hundreds of years and faced events that on their own terms were more convulsive than our 9 11 They were not uniform in their language their concerns their personalities their remedies or their visions of the future In this book Sam Meier explores some recurring themes and features such as angels writing miracles the future and kingmaking all with an eye on their transformation over time And the defining event in this transformation turns out to be the great convulsive event of the story of Israel the defeat and exile of the kingdom of Judah Themes and Transformations in Old Testament Prophecy is a book that goes beyond the standard introductions to the prophets Yet it does so in a way that will inform and intrigue beginning students and anyone curious about the prophets of Israel

*Themes and Transformations in Old Testament Prophecy* Samuel A. Meier, 2009-04-21 Sam A Meier explores a number of facets of Old Testament prophecy such as their relation to the divine council the manner of revelation the poetry and prose of the prophets and the prophets relationships with kings It examines the features of each and notes their transformation over time particularly between the pre exilic and post exilic periods

## **Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today**

Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church

## **Interpreting the Prophets**

Aaron Chalmers, 2014-07-17 Aaron Chalmers equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion Providing the basic contextual and background information needed for sound exegesis and sensitive interpretation he also gives guidelines for practical application and preaching and teaching the Prophets today

Dictionary of the Old Testament: Prophets G MCCONVILLE, MARK J BODA, 2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

**The Law, The Prophets, and The Writings** Andrew M King, Joshua M Philpot, William R Osborne, 2021-07-05 In The Law the Prophets and the Writings eighteen evangelical scholars analyze the Old Testament through a historical literary and theological hermeneutic providing new insights into the meaning of the Scriptures

Jeroboam's Royal Drama Keith Bodner, 2012-01-26 Among the most challenging biblical figures to understand is Jeroboam son of Nebat the first monarch of northern Israel whose story is told in 1 Kings 11 14 This book explores the characterization of Jeroboam in the Hebrew text and traces his rags to riches career trajectory What are the circumstances whereby this widow s son is elevated to the position of king with a conditional promise for a lasting dynasty A close reading of the narrative reveals a literary achievement of great subtlety and complexity Even though he becomes the negative standard for the rest of Israel s royal history Jeroboam s portrait is far more nuanced than is often realized and yields a host of surprises for the engaged reader Numerous issues are raised in the 1 Kings 11 14 material including questions of power leadership and the role of the prophetic office in national affairs Against the grain of conventional interpretation that tends to idealize or vilify biblical characters Keith Bodner s study locates the arrival of Jeroboam s kingship as a direct response to

scandalous activity within the Solomonic empire      Micah Stephen G. Dempster, 2017 Seeking to Bridge the Existing Gap between biblical studies and systematic theology this distinctive series offers section by section exegesis of the Old Testament texts in close conversation with theological concern Written by respected scholars the THOTC volumes aim to help pastors teachers and students engage in deliberately theological interpretation of Scripture Book jacket      **Scripture and Cosmology** Kyle Greenwood, 2015-09-03 Kyle Greenwood introduces readers to ancient Near Eastern cosmology and the ways in which the Bible speaks within that context He then traces the way the Bible was read through Aristotelian and Copernican cosmologies and discusses how its ancient conceptions should be understood in light of Scripture's authority and contemporary science      Egypt, Canaan and Israel: History, Imperialism, Ideology and Literature S. Bar, D. Kahn, J.J. Shirley, 2011-06-09 The proceedings of the conference Egypt Canaan and Israel History Imperialism Ideology and Literature include the latest discussions about the political military cultural economic ideological literary and administrative relations between Egypt Canaan and Israel during the Second and First Millennia BC incorporating texts art and archaeology      *The Prophets of Israel* James K. Hoffmeier, 2021-10-26 Seeing the biblical prophets in context makes all the difference in understanding their messages In *The Prophets of Israel* Old Testament scholar and longtime field archaeologist James K Hoffmeier explores the biblical prophets through their ancient settings Readers gain a more accurate and comprehensive understanding through many practical components Full color photos and images of historical and cultural importance Focus on the geopolitical contexts of the prophets Clear explanations of the prophets provoking messages Discussion questions for Bible students or instructor use These features and photos vividly illustrate the biblical narratives and the prophets concerns helping readers better comprehend each text's message and make informed theological applications The biblical prophetic tradition extends far before and far after the Major and Minor Prophets Yet all biblical prophets including recognizable figures like Moses and Elijah lesser known prophets like Huldah and Micaiah and the New Testament prophets ministered in distinctive cultural and historical circumstances Hoffmeier draws on his extensive knowledge of ancient Near Eastern culture geography political realities and the Old Testament message to locate the prophets in their worlds This approach illuminates prophetic messages and ministries with a theological clarity that basic history and literary interpretation cannot achieve

**The Non-Israelite Nations in the Book of the Twelve** Daniel Timmer, 2015-08-11 In *The Non Israelite Nations in the Book of the Twelve* Daniel Timmer offers the first comprehensive survey of the nations in the Minor Prophets The study approaches this important but highly diverse theme through the lens of conceptual coherence and demonstrates the interrelation of synchronic holistic and diachronic compositional approaches After exploring the theme in each of the individual books of the Twelve and noting the varying degrees of coherence evident in each case Timmer brings his findings to bear on contemporary understandings of the Twelve as a collection arguing for the theme's coherence across the collection on the basis of each book's unique treatment of the nations      **The Prophet and the Sage** Brian M.

Koning,2023-03-29 Job and Habakkuk represent the Bible's most focused interlocutors on the concepts of justice and theodicy Both works center upon men chosen by God who see and suffer evil Job 1:8 cf Hab 1:1 Both books record the cries of these men as they wrestled to make sense of the world in which they lived Job 3 cf Hab 1:2-4 While they have a passing similarity what if there is something more fundamental to their connection What if these books are not merely two unconnected discourses on suffering but linked in a significant way By examining the texts themselves this study explores the possibility that a textual relationship exists between portions of Habakkuk and Job and how the underlying transformation of Job's theodicy shapes Habakkuk's dialogue with God

**The God of Second Chances** Ron Clark,2012-09-13 When the people of Judah were taken captive by the Babylonians their world was drastically changed While in exile they experienced shame guilt fear and displacement However their God had been traumatized by their behavior and also grieved with them Yet Yahweh gave them a second chance by forgiving them and bringing them home God offered them hope mercy and love The prophets were God's chosen messengers not only to provide a new vision of what could be but to suffer with the people These servants were caught in the middle between a passionate God and traumatized people As the people returned to Jerusalem to rebuild their city and their lives the prophets were with them to remind them that God had not abandoned them The author suggests that the prophets live on today through the church as those who engage their community fight for people's hearts and remind others that God gives second chances Clark shares stories from his personal ministry to the marginalized in Portland Oregon who seek relief from shame suffering and hopelessness In this hope our community receives new vision through a loving God and persistent prophets

Habakkuk Heath A. Thomas,2018-07-17 The book of Habakkuk has much to teach us about suffering and complaint faith and fear and the fidelity of God in times of trouble it generates reflection on prayer peace violence and faithfulness In this volume one of the few commentaries examining Habakkuk by itself Heath Thomas explores this overlooked Old Testament prophet in order to hear God's word for us today

Habakkuk Kenneth J. Turner,2023-10-03 The Zondervan Exegetical Commentary on the Old Testament series serves pastors and teachers by providing them with a careful discourse analysis and interpretation of the Hebrew text tracing the flow of argument in each Old Testament book and showing that how a biblical author says something is just as important as what they say

**The Baker Illustrated Bible Background Commentary** J. Scott Duvall,J. Daniel Hays,2020-08-04 We are far removed from the time and culture of the biblical world and this distance easily leads to misunderstanding and misinterpretation Our understanding and appreciation for God's Word increase exponentially when we know about the context in which the biblical books were written So while many Bible commentaries explain the theological meaning of the text The Baker Illustrated Bible Background Commentary provides fascinating cultural and historical insights into God's Word Richly illustrated with full color photos throughout this one volume background commentary includes articles by leading Old and New Testament scholars on subjects such as countries cities and cultures of the Holy Land and the Greco Roman world warfare and

execution religious groups and customs fashion athletics feasts and celebrations honor shame and hospitality and much more This colorful informative volume is an essential companion for pastors teachers and laypeople who want to enhance their personal Bible study and help others do the same     Blake and the Failure of Prophecy Lucy Cogan,2021-05-24 This monograph reorients discussion of Blake s prophetic mode revealing it to be not a system in any formal sense but a dynamic human response to an era of momentous historical change when the future Blake had foreseen and the reality he was faced with could not be reconciled At every stage Blake s writing confronts the central problem of all politically minded literature how texts can become action Yet he presents us with no single or indeed conclusive answer to this question and in this sense it can be said that he fails Blake however never stopped searching for a way that prophecy might be made to live up to its promise in the present The twentieth century hermeneuticist Paul Ricoeur shared with Blake a preoccupation with the relationship between time text and action Ricoeur s hermeneutics thus provide a fresh theoretical framework through which to analyse Blake s attempts to fulfil his prophetic purpose     *Jeremiah and Lamentations* Hetty Lalleman,2015-03-24 Lifting out the understated themes of love grace promise and renewal in Jeremiah and Lamentations this commentary by Hetty Lalleman opens our eyes to an important chapter in salvation history     **Music in Biblical Life** Jonathan L. Friedmann,2013-01-22 Music was integral to the daily life of ancient Israel It accompanied activities as diverse as manual labor and royal processions At key junctures and in core institutions musical tones were used to deliver messages convey emotions strengthen communal bonds and establish human divine contact This book explores the intricate and multifaceted nature of biblical music through a detailed look into four major episodes and genres the Song of the Sea Exod 15 King Saul and David s harp 1 Sam 16 the use of music in prophecy and the Book of Psalms This investigation demonstrates how music helped shape and define the self identity of ancient Israel
