Then There Were None Martha Noyes, 2003

Then There Were None by award-winning Honolulu writer and artist Martha H. Noyes is a personal and emotional account in words and pictures of the effect of Western contact on the Hawaiian population. Drawing from a variety of sources, Noyes chronicles the effects from the arrival of Capt. Cook to the present of disease, written language, the missionaries' landownership, the overthrow of the monarchy, and the suppression of hula and Hawaiian language, concluding with a look at present-day activism. Photographs vividly contrast tourist images with scenes from the real Hawaii and highlight the contrast between a culture rooted in cosmology and the material culture of those who made Hawaii their own.
