Theological Answers To Difficult Questions:

Theological Answers to Difficult Questions D. Patrick Ives, 2015-01-05 You were created by God and He knows everything about you For is it not more true to affirm that God is Life and Goodness than that God is air or stone Yes or No? Peter Kreeft, 2009-11-05 The popular Christian apologist Kreeft tackles many of the tough questions of our day concerning Christianity In a series of imaginative dialogues Sal the Seeker and Chris the Christian deal with the profound mysteries of the Gospel The result is a book that is both engaging and profound a book that leads readers to initial faith or to deeper faith The stakes in these dialogues are high Christianity is God's marriage proposal to the soul says Kreeft and the answer must be yes or no We can evade the claims of Jesus Christ for a while but death brings evasion to an end It is wiser to look at Christianity honestly now Yes or No shows the truth of Jesus' promise that those who sincerely seek the truth shall find it It is a road map for those who are honestly seeking the truth and a source of greater faith for those who have already found God It presents the full challenge of the gospel in a way modern men and women can understand *A Reasonable Response* William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief In *A Reasonable Response* renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed including Why does God allow evil How can I be sure God exists Why should I believe that the Bible is trustworthy How does modern science relate to the Christian worldview What evidence do we have that Jesus rose from the dead Utilizing real questions submitted to his popular website ReasonableFaith.org Dr Craig models well reasoned skillful and biblically informed interaction with his inquirers *A Reasonable Response* goes beyond merely talking about apologetics it shows it in action With cowriter Joseph E Gorra this book also offers advice about envisioning and practicing the ministry of answering people's questions through the local church workplace and in online environments Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions *A Reasonable Response* will equip you with sound reasoning and biblical truth

Theological Dialogue with Classical Pentecostals Jelle Creemers,2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has allowed a balanced theological exchange between the dialogue partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method

Amor Mundi J.W. Bernauer,2012-12-06 The title of our collection is owed to Hannah Arendt herself Writing to Karl Jaspers on August 6 1955 she spoke of how she had only just begun to really love the world and expressed her desire to testify to that love in the title of what came to be published as *The Human Condition* Out of gratitude I want to call my book about political theories *Amor Mundi* In retrospect it was fitting that *amor mundi* love of the world never became the title of only one of Arendt s studies for it is the theme which permeates all of her thought The purpose of this volume s a ticles is to pay a critical tribute to this theme by exploring its meaning the cultural and intellectual sources from which it derives as well as its resources for contemporary thought and action We are privileged to include as part of the collection two previously unpublished lectures by Arendt as well as a rarely noticed essay which she wrote in 1964 Taken together they engrave the central features of her vision of *amor mundi* Arendt presented *Labor Work Action* on November 10 1964 at a conference Christianity and Economic Man Moral Decisions in an Affluent Society which 2 was held at the Divinity School of the University of Chicago
