Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and

prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church *Journal of Moral Theology, Volume 13, Special Issue 2* Anna Rowlands, Alexis Artuad de la Ferriere, 2024-12-05 Contents INTRODUCTION Listening Practices in a Synodal Church Interim Reflections from a Symposium in Rome Anna Rowlands ORIGINAL ARTICLES Listening across the Americas Base Ecclesial Communities and Relational Organizing as Listening Practices for a Synodal Church Richard L Wood Beyond Synodal Listening Theological Action Research and Cultures of Conversation Clare Watkins French Catholics and Synodality Spiritual Sensibilities and the Will to Participate or Abstain Yann Raison de Cleuziou Doing Theology by Listening to Marginalized Voices Methodological Elements from Encountering Indigenous Families in a Northern Canadian Community Julian Paparella Listening a Synodal Church into Being Learning Points from the Methodology of the Synod 2021 2024 and the Asian Experience Christina Kheng More Than Listening is Needed for Synodality Observations Based on the Australian Plenary Council and the Church in the New Testament Peter J McGregor Joseph Albert Cardinal Malula and the Listening Bishop An Institution to Re Discover Ignace Ndongala Maduku Academic Listening Practices and Synodality Reflections from a Study of World Youth Days Charles Mercier ROUNDTABLE Two Fires of Leadership Is it Possible to Listen and Lead Parish Cultural Change Hannah Vaughan Spruce Sabbath Contemplative Time and Liturgical Listening Clare E Wolfteich Listening in Stereo and Communicating in Semaphore Child Sexual Abuse Survivor Led Strategies for Culture Change in the Catholic Church Alana Harris Asking to Listen Engaging Social Scientific Methods as a Listening Practice in Global Catholicism Tricia C Bruce Research Backed Practices to Engage Youth in a Vibrant Catholic Church The Case for Implementing Sacred Listening Practices Josh Packard and Megan Bissell EPILOGUE Listening and the Moral Life Alexis Artaud de la Ferriere

Exegetical Dictionary of the New Testament, Vol. 1 horst Balz, Gerhard M. Schneider, 2004-01-14 The English translation of the three volume Exegetisches Wörterbuch zum Neuen Testament this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek Going beyond that however EDNT also serves as a guide to the usage of every New Testament word in its various contexts and it makes a significant contribution to New Testament exegesis and theology EDNT's thorough lengthy discussions of more significant words and its grouping of words related by root and meaning with alphabetical cross references distinguish it from simpler Greek English lexicons Advancing the discussion of the Theological Dictionary of the Old Testament EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics To Know All Mysteries C.

Andrew Ballard, 2022-08-31 This book examines the way that Paul presents himself as a guide into mysteries a mystagogue in 1 2 Corinthians By describing himself as a type of mystagogue for the community Paul was following a precedent in both Jewish and non Jewish sources for invoking mystagogic language to engage in polemics with a rival In opposition to the precedent however Paul understands the mystagogue to be a bi partite figure comprised of both foolishness and wisdom simultaneously C Andrew Ballard argues that ancient mystagogues were often described in two disparate ways figures of power and figures of weakness and foolishness Paul synthesizes both aspects of the mystagogue in his self presentation to the Corinthians The figure of the mystagogue as a wise fool was useful to Paul because it was descriptive not only of his own experience as a suffering yet authoritative apostle but also of the experience of his deity the suffering and glorified Christ By presenting himself as both a powerful and foolish mystagogue Paul could argue that he was a more authentic imitator of Christ than his opponents in Corinth who boasted in self exaltation instead of self humility In this way Paul used the character of the mystagogue as a strategic rhetorical tool in his communication with the Corinthians

**Polyamory and Reading the Book of Ruth** Deborah Kahn-Harris, 2023-11-02 Polyamory and Reading the Book of Ruth is based on a simple premise what if the Book of Ruth isn't a love story in the vein of modern rom coms but a different sort of love story Many people are conditioned to read romance stories as resolving into happily married dyadic couplings most often heterosexual But what if that's not how to read the Book of Ruth This book identifies a polyamorous hermeneutic and explores how it might be helpful in interpreting the Book of Ruth Drawing on developments in both feminist and queer biblical studies Deborah Kahn Harris offers a close textual reading that focuses in on a triadic basis for examining the relationships in the Book of Ruth The book closes with a contemporary targumic reimagining of the Book of Ruth that defines more clearly this polyamorous reading

*Putting God on the Map* Erin Kidd, Jakob Karl Rinderknecht, 2018-09-15 Since the middle of the last century the emergence and development of fields as diverse as artificial intelligence evolutionary science cognitive linguistics and neuroscience have led to a greater understanding of the ways in which humans think One of the major discoveries involves what researchers refer to as conceptual mapping According to theories of conceptual mapping human thought is profoundly shaped by the ability to make connections Simply put human thinking is metaphorical all the way down This insight has revolutionized the way in which scientists and philosophers think about the mind body problem the formation and function of language and even the development of scientific progress itself Until recently however this research has gone largely unnoticed within Christian theology But this revolution in understanding human cognition calls for broader and richer engagement with theology and religious studies How does this new insight into human meaning making bear on our understanding of religious meaning making And how might Christian theology interpret and respond to this new understanding of the development of human thought This edited volume offers an introduction to conceptual mapping that is accessible to those with no previous knowledge of the field and demonstrates the substantial resources this interdisciplinary

research has for thinking about a variety of theological questions The book begins with a chapter introducing the reader to the basics of conceptual mapping The remaining chapters apply these insights to a variety of theological topics including anthropology sacramental theology biblical studies ecumenical theology and ethics Insights on Luke Charles R. **ABOUT VOLUME FOUR** All the world s religions are experiencing rapid change due to a confluence of social and economic global forces Factors such as the pervasive intrusion of globalizing political and economic developments polarized and morally equivalent presentations seen in the media and the sense of surety demanded in and promised by a culture dominated by science are some of the factors that have placed extreme pressure on all religious traditions This has stimulated unprecedented responses by religious groups ranging from fundamentalism to the syncretistic search for meaning As religion takes on new forms the balance between individual and community is disrupted and reconfigured Religions often lose the capacity to recall their ultimate purpose or lead their adherents toward it This is the situation we call the crisis of the holy It is a confluence of threats challenges and opportunities for all religions This volume explores the contours of pressures changes and transformations and reflects on how all our religions are changing By identifying commonalities across religions as they respond to these pressures The Crisis of the Holy recommends ways religious traditions might cope with these changes and how they might join forces in doing so Contributors Vincent J Cornell Alon Goshen Gottstein Sidney H Griffith Maria Reis Habito B Barry Levy Deepak Sarma Michael von Br ck
