Dietrich Bonhoeffer Works: Theological education at Finkenwalde : 1935-1937 Dietrich Bonhoeffer,1996 **Theological Education at Finkenwalde** Dietrich Bonhoeffer,2013-10-01 In the spring of 1935 Dietrich Bonhoeffer returned from England to direct a small illegal seminary for the Confessing Church The seminary existed for two years before the Gestapo ordered it closed in August 1937 This volume includes bible studies sermons and lectures on homiletics pastoral care and catechesis giving a moving and up close portrait of the Confessing Church in these crucial years the same period during which Bonhoeffer wrote his classics *Discipleship* and *Life Together* *Dietrich Bonhoeffer and Neo-Calvinism in Dialogue* George Harinck,Brant M. Himes,2023-11-28 This book is a collection of scholarly essays that place Dietrich Bonhoeffer in conversation with the Dutch Neo Calvinist tradition of Abraham Kuyper and Herman Bavinck The essays engage in theological ethics and historical theology in an effort to frame ongoing dialogue in relation to issues of public theology While Bonhoeffer and Neo Calvinism represent distinct theological traditions there is value in placing their respective ideas in conversation for the purposes of creative insight theological understanding and practical application Contributors represent perspectives from North America and the Netherlands Taken together the essays offer an important contribution to this unique field of theological inquiry **Bonhoeffer and Christology** Matthias Grebe,Nadine Hamilton,Christian Schlenker,2023-05-18 The key question this volume addresses is how does Bonhoeffer s thought help to re dis cover the doctrine of Christ s two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer s Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer s thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer s theology offers a starting point for the recovery of a productive Christology that reflects the plurality of the globalized world as Bonhoeffer s Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows *Recovering the Ecumenical Bonhoeffer* Javier A. Garcia,2019-10-14 In *Recovering the Ecumenical Bonhoeffer* Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful

model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer's thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day

Dietrich Bonhoeffer Works Dietrich Bonhoeffer, Mark S. Bocker, 2014 Volume 14 includes bible studies sermons and lectures on homiletics pastoral care and catechesis giving a moving and up close portrait of the Confessing Church in these crucial years Publisher description *Bonhoeffer's Theology of the Cross* J.I. de Keijzer, 2019-10-14 Back cover Engaging Bonhoeffer's dialogues with Barth and Heidegger in Act and Being J I de Keijzer shows how Bonhoeffer both in his critical assessment of Barth's dialectic and his appropriation of Heidegger's ontology articulates a contemporary theological crucis that proves to be deeply influenced by Luther

The Collected Sermons of Dietrich Bonhoeffer Victoria J. Barnett, 2017-10-15 In his preaching Dietrich Bonhoeffer's strong personal faith the foundation for everything he did shines in the darkness of Hitler's Third Reich and in the church struggle against it Though not overtly political Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers today are invited to join

Bonhoeffer the Assassin? Mark Thiessen Nation, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas

The Scientific World of Karl-Friedrich Bonhoeffer Kathleen L. Housley, 2018-09-05 In twentieth century Germany Karl Friedrich Bonhoeffer rose to prominence as a brilliant physical chemist even as several of his relatives Dietrich Bonhoeffer among them became involved in the resistance to Hitler leading to their executions This book traces the entanglement of science religion and politics in the Third Reich and in the lives of Karl Friedrich his family and his colleagues including Fritz Haber and Werner Heisenberg Nominated for the Nobel Prize Karl Friedrich was an expert on heavy water a component of the atomic bomb During the war he was caught in the middle between relatives who were trying to kill Hitler and friends who were helping Hitler build a nuclear weapon Karl Friedrich emerges as a complex figure an agnostic whose brother was a renowned theologian and a chemist who both reluctantly advised German nuclear scientists and collaborated with Paul Rosbaud a spy for the British Illuminating the uneasy position of science in twentieth century Germany The Scientific World of Karl Friedrich Bonhoeffer is the story of a man in love with chemistry his family and his nation trying to do

right by all of them in the midst of chaos

The Freedom of a Christian Ethicist Brian Brock, Michael

Mawson, 2016-01-14 What is the significance of the Protestant Reformation for Christian ethical thinking and action Can core Protestant commitments and claims still provide for compelling and viable accounts of Christian living This collection of essays by leading international scholars explores the relevance of the Protestant Reformation and its legacy for contemporary Christian ethics

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism

Worldview Theory, Whiteness, and the Future of Evangelical Faith Jacob Alan

Cook, 2021-09-28 The twenty first century has seen energy passing between religious and political worldviews kicking up dust around the identity and conviction based fault lines in American society While many evangelical Christians have developed and deployed a worldview theory to describe and locate themselves within the world's ideological strife Jacob Cook argues this approach has in effect compelled those listening to adopt the world's divisive modes of dealing with difference rather than living out a compelling alternative As a popular framework for theology in recent history world viewing has driven its white evangelical adherents to narrate human lives in this world including their own in ways that warp Christian identity as a personal social and theological reality Through close studies of key white evangelical leaders who utilized the worldview concept for political engagement and cultural transformation over the last century Cook reveals why worldview theory is inept for grasping real human complexity and moreover how it forms a barrier to genuine life together as creatures in a world only the living God can really view In between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness This book is for those wrestling with the relationship between Christianity and whiteness in America how the dynamics of whiteness

have become transparent and thus contentions and where to go from here if one is to follow Jesus

Bonhoeffer's Seminary Vision Paul R. House, 2015-04-16 Dietrich Bonhoeffer is best known for his role in a plot to assassinate Adolf Hitler and his subsequent execution at the hands of the Nazis. However, readers are less familiar with his tireless work educating seminary students for a life of pastoral ministry. Anchored in a variety of influential lectures, personal letters, and major works such as *The Cost of Discipleship*, this book attempts to recover a largely unexamined part of Bonhoeffer's life, exploring his philosophy and practice of theological education in his original context. It then builds on this foundation to address the drift toward increasingly impersonal educational models in our own day, affirming the value of personal face-to-face seminary education for the health of pastors and churches. *Dietrich Bonhoeffer, Theology, and Political Resistance* W. David Hall, Lori Brandt Hale, 2020-06-15 In 1945, Dietrich Bonhoeffer, a theologian and pastor, was executed by the Nazis for his resistance to their unspeakable crimes against humanity. He was only 39 years old when he died, but Bonhoeffer left behind volumes of work exploring theological and ethical themes that have now inspired multiple generations of scholars, students, pastors, and activists. This book highlights the ways Dietrich Bonhoeffer's work informs political theology and examines Bonhoeffer's contributions in three ways: historical, critical interpretation, critical constructive engagement, and constructive practical application. With contributions from a broad array of scholars from around the world, chapters range from historical analysis of Bonhoeffer's early political resistance language to accounts of Bonhoeffer-inspired front-line resistance to white supremacists in Charlottesville, VA. This volume speaks to the ongoing relevance of Dietrich Bonhoeffer's work and life in and out of the academy.

Seasoned Speech James E. Beitler III, 2019-05-07 Being a faithful disciple of Christ means having seasoned speech, practicing a rhetoric that beneficially and persuasively imparts the surprising truth of the gospel. James Beitler seeks to renew interest in and hunger for an effective Christian rhetoric by closely considering the work of five beloved Christian communicators: C. S. Lewis, Dorothy L. Sayers, Dietrich Bonhoeffer, Desmond Tutu, and Marilynne Robinson.

Bonhoeffer and the Responsibility for a Coming Generation Robert Vosloo, Teddy Sakupapa, Karola Radler, Ashwin Thyssen, 2024-07-25 This volume draws together a selection of high-quality presentations at the 13th International Bonhoeffer Congress held in January 2020 in Stellenbosch, South Africa. The theme of the conference was "How a coming generation is to go on living: Bonhoeffer and the response to our present crisis and hope." The selected essays engage thoroughly and creatively with this concern to take responsibility not only for our own personal and communal life in all of its complexity and richness but also for the ethos and society that future generations will inherit from us. The pertinence of Bonhoeffer's question is addressed in these contributions anew as we experience threats on a global level to socio-political, economic, and inter-religious stability and solidarity. Attention is also given to some important challenges experienced in the so-called global South, and the reality of climate change and ecological devastation implies that the question of how future generations are going to go on living is linked to the fact that we live on a planet that is in jeopardy. Also included as an

appendix is the powerful sermon preached by the South African Anglican archbishop of Cape Town Thabo Makgoba at the opening worship service of the congress

The Heart of the Preacher Rick Reed, 2019-10-09 You can teach the craft but you must first form the heart Many preachers want to preach better but they don't always know how to go about improving and most books on preaching focus on the mechanics of the craft But preaching involves more than the steps from a text to a sermon because every time a preacher stands up to preach their character shines through for better or for worse In *The Heart of the Preacher* Rick Reed focuses on the personal heart preparation required before any preacher is ready to preach He explores issues preachers often wrestle with like discouragement insecurity and pride He then offers practices to fight these challenges and form a heart that carries the fruit of the Spirit into the pulpit It takes more than a good speaker to preach It takes a Spirit filled person This book will help you check your heart and cultivate the most important aspect of preaching your character

Luther on Leadership David D. Cook, 2017-12-05 As a leader Martin Luther shook the world Yet oddly enough while a great deal has been written about his life theology and legacy few authors have taken the time to examine his leadership characteristics *Luther on Leadership* fills this gap by examining his life in light of modern leadership theories This book looks at Luther's life from a variety of angles to show why he was such an effective leader With chapters focusing on Luther as a change agent transformational leader adaptive leader and more this work will help the reader understand why Luther transformed the landscape of Europe Examining not only his theological contributions but also his contributions in fields such as law politics economics and education *Luther on Leadership* aims to give a holistic picture of Luther as a leader in many areas of society
