

The background of the book cover is an abstract composition of various shades of purple, from deep indigo to bright magenta, interspersed with solid black shapes. These shapes are irregular and organic, resembling ink blots or celestial bodies. The overall effect is a textured, ethereal, and somewhat mysterious visual field.

Theology And Action After Theory In Christian Ethics

Paul C. Heidebrecht

Theology And Action After Theory In Christian Ethics:

Theology and Action Charles Robert Pinches, 2002 How is an act defined When can what you do be identified as an act And does a proper description of an act have repercussions on moral discourse These questions lie behind this new work by Charles Pinches who argues that the answers to such questions are not only of academic interest but also reflect an erosion of moral thought and action in our present age In this broad ranging book Pinches lays out current moral theories about action detailing their deficiencies in the early chapters but also offering the thought of Thomas Aquinas as a corrective Pinches argues that all human acts are moral acts and that a proper ethics must respond to and integrate an adequate account of human action in order to provide moral guidance in our world Pinches gathers up the major theological themes involved in a responsible Christian ethic and points out a fruitful path ahead enlivening his discussion at every turn with everyday illustrations An excellent introduction to the history of moral discourse *Theology and Action* makes a valuable contribution to the search for a meaningful Christian ethics in today's difficult world

Augustinian and Ecclesial Christian Ethics D. Stephen Long, 2018-08-15 What is the relationship between the command to love one's enemies and the use of violence and or other coercive political means This work examines this question by comparing and contrasting two important contemporary approaches to Christian ethics neoAugustinian and the ecclesial or neoAnabaptist It traces the complicated conversation that has taken place since John Howard Yoder took on Reinhold Niebuhr's interpretation of the Anabaptists in the 1940's It consists of three parts The first part traces the development of the Augustinian Niebuhrian approach to ethics from Niebuhr through those who have advanced his work including Paul Ramsey Timothy Jackson Charles Mathewes Eric Gregory and Jennifer Herdt It also examines the Augustinian ethics of Oliver O'Donovan John Milbank and Nicholas Wolterstorff Along with tracing the Augustinian approach and its trajectories through agapism theology and the interpretation of Augustine it identifies fifteen criticisms that this approach brings against the neoAnabaptists The second part traces the origin of the ecclesial or neoAnabaptist approach and then examines its relationship to and criticism of agapism what theological doctrines are central and its interpretation of Augustine Its purpose is primarily constructive by explaining the role that ecclesiology Christology and eschatology have among the neoAnabaptists The third part addresses the criticisms levied by Augustinians against the neoAnabaptists by drawing on the constructive theology in the second part It intends to show where the Augustinian critics are correct where they have missed key theological teachings and where they misrepresent It also assesses the summons to the nationalist project the Augustinians put to the neoAnabaptists If this work is successful this third part will not be defensive It will instead illumine the reasons for the criticisms and suggest means by which the conversation that began between Yoder and Niebuhr can continue and possibly bear fruit for theological ethics in both its ecclesial and nationalist projects for generations to come

The Making of an African Christian Ethics Wilson Muoha Maina, 2016-07-13 An exploration of the development of a contextualized Roman Catholic moral theology in an

African context is warranted in our day This book is a study of the work of Benezet Bujo an African moral theologian An analysis of Bujo s work shows the various aspects of an African Catholic moral theology Bujo s work is viewed here as critically bridging African moral theology and the development of moral theology in the Catholic Church especially in the West An African moral theology in this work builds on the elements of the renewal of moral theology after the Second Vatican Council The renewal elements reflected in Bujo s work and other African Catholic theologians include among others the use of Scripture the relevance of history the debate on moral norms the relevance of social sciences to moral discourse the theory of natural moral law and the relation between the theologian and the magisterium This work therefore locates the theology of Bujo in the development of moral theology after the Second Vatican Council The author establishes a relation between African traditional religions African history Christology natural moral law moral autonomy debate the encyclical Veritatis Splendor and political liberation theological ethics The Blackwell Companion to Christian Ethics Stanley

Hauerwas, Samuel Wells, 2011-02-25 Featuring updates revisions and new essays from various scholars within the Christian tradition The Blackwell Companion to Christian Ethics Second Edition reveals how Christian worship is the force that shapes the moral life of Christians Features new essays on class race disability gender peace and the virtues Includes a number of revised essays and a range of new authors The innovative and influential approach organizes ethical themes around the shape of Christian worship The original edition is the most successful to date in the Companions to Religion series

Christian Ethics Steve Wilkens, 2017-06-27 Steve Wilkens edits a conversation between four major approaches to contemporary ethics in the Christian tradition virtue divine command natural law and prophetic This accessible introduction includes contributions by Brad Kallenberg John Hare Claire Peterson and Peter Heltzel The Possibility of Christian

Philosophy Adam C. English, 2013-05-13 This is the first to book to explore Blondel s entire body of work and provides an introduction to his life and writings and their relevance to the debates surrounding the radical orthodoxy identity Detailing Blondel s impressive research output during the first half of the twentieth century this volume highlights his relevance to philosophy and religion today and his commitment that philosophy cannot be separated from a theological narrative This highly original work will be of great interest to scholars of philosophy and religion particularly the students of the radical orthodoxy movement **The Acting Person and Christian Moral Life** Darlene Fozard Weaver, 2011-11-18 What may we

say about the significance of particular moral actions for one s relationship with God In this provocative analysis of contemporary Catholic moral theology Darlene Fozard Weaver shows the person as a moral agent acting in relation to God Using an overarching theological context of sinful estrangement from and gracious reconciliation in God Weaver shows how individuals negotiate their relationships with God in and through their involvement with others and the world Much of current Christian ethics focuses more on persons and their virtues and vices exemplified by the work of virtue ethicists or on sinful social structures illustrated in the work of liberation theologians These judgments fail to appreciate the reflexive

character of human action and neglect the way our actions negotiate our response to God Weaver develops a theologically robust moral anthropology that advances Christian understanding of persons and moral actions and contends we can better understand the theological import of moral actions by seeing ourselves as creatures who live move and have our being in God

The Work of Theology Stanley Hauerwas, 2015-08-05 A how to book on theology from a world renowned theologian In this book Stanley Hauerwas returns to the basics of doing theology Revisiting some of his earliest philosophical and theological views to better understand and clarify what he has said before Hauerwas explores how theological reflection can be understood as an exercise in practical reason Hauerwas includes chapters on a wide array of topics including How I Think I Learned to Think Theologically How the Holy Spirit Works How to Write a Theological Sentence and How to Be Theologically Funny In a postscript he responds to Nicholas Healy's recent book Hauerwas A Very Critical Introduction What we believe as Christians says Hauerwas is quite basic and even simple But because it is so basic we can lose any sense of the extraordinary nature of Christian beliefs and practices In discussing the work of theology Hauerwas seeks to recover that sense of the oddness of what we believe as Christians

MacIntyre's After Virtue at 40 Tom Angier, 2023-10-25 Since its publication in 1981 Alasdair MacIntyre's *After Virtue* has been recognised as a classic Primarily a work of moral philosophy it also draws on sociology classics political science and theology to effect a unique intellectual synthesis and its combination of erudition and challenging even provocative argument has made a significant impact throughout the humanities disciplines This volume of new essays unpacks the influence of *After Virtue* on ethical and political theory sociology and theology and offers a multifaceted exploration of its significance The essays offer a way into MacIntyre's philosophy and demonstrate how rather than waning in influence over the past forty years his most seminal text has found an ever wider audience and continues to inspire controversy and debate in the humanities

The Democratic Theory of Michael Oakeshott Michael Minch, 2015-10-15 his book offers a description explanation and evaluation of Michael Oakeshott's democratic theory He was not a democratic theorist as such but as a twentieth century English political theorist for whom liberal theory held deep importance his thought often engaged democratic theory implicitly and many times did so explicitly The author's project penetrates two renewals The first is the revitalization of interest in Oakeshott and the second is the renewal of democratic theory which began in the 1980s In respect to this latter renewal the book engages the deliberative turn in democratic theory These revivals create the context for this new look at Oakeshott To state the matter as a problem one might say that in light of new and fecund democratic theory it is a problem for political theory if one of the most important political theorists of the twentieth century is left out of the discourse insofar as he has something relevant to say about deliberative democracy It is of no small importance that almost all the work in democratic theory being done these days is of the deliberative discursive kind or responses to it That is deliberative theory is driving the agenda of democratic theory The author argues that Oakeshott does indeed have something relevant to say which is applicable to this democratic theory

Matthew (Brazos

Theological Commentary on the Bible) Stanley Hauerwas, 2007-01-01 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between biblical interpretation and today s social issues applications for contemporary faith and life devotional depth for meditation and reflection insights from literature philosophy culture and more This addition to the series brings the stimulating insights of world renowned theologian Stanley Hauerwas to the first Gospel Ultimately the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible

T&T Clark Handbook of Ecclesiology Kimlyn J. Bender, D. Stephen Long, 2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections

T&T Clark Handbook of Theological Anthropology Mary Ann Hinsdale, Stephen Okey, 2021-01-28 Including classical modern and postmodern approaches to theological anthropology this volume covers the entire spectrum of thought on the doctrines of creation the human person as imago Dei sin and grace The editors have gathered an exceptionally diverse range of voices ensuring ecumenical balance Protestant Roman Catholic and Orthodox and the inclusion of previously neglected perspectives women African American Asian Latinx and LGBTQ The contributors revisit authors from the Great Tradition early church medieval and modern and discuss them alongside critical and liberationist approaches ranging from feminist decolonial and intersectional theory to critical race theory and queer performance theory This is a much needed overview of a rapidly evolving field

Approaching the End Stanley Hauerwas, 2015-02-17 In this book Stanley Hauerwas explores the significance of eschatological reflection for helping the church negotiate the contemporary world In Part One Theological Matters Hauerwas directly addresses his understanding of the eschatological character of the Christian faith In Part Two Church and Politics he deals with the political reality of the church in light of the end addressing such issues as the divided character of the church the imperative of Christian unity and the necessary practice of sacrifice

Peace, Culture, and Violence Fuat Gursozlu, 2018-03-06 Peace Culture and Violence examines deeper

sources of violence by providing a critical reflection on the forms of violence that permeate everyday life and our inability to recognize these forms of violence Exploring the elements of culture that legitimize and normalize violence the essays collected in this volume invite us to recognize and critically approach the violent aspects of reality we live in and encourage us to envision peaceful alternatives Including chapters written by important scholars in the fields of Peace Studies and Social and Political Philosophy the volume represents an endeavour to seek peace in a world deeply marred by violence Topics include thug culture language hegemony police violence war on drugs war terrorism gender anti-Semitism and other topics Contributors are Amin Asfari Edward Demenchonok Andrew Fiala William Gay Fuat Gursozlu Joshua M Hall Ron Hirschbein Todd Jones Sanjay Lal Alessandro Rovati Laleye Solomon Akinyemi David Speetzen and Lloyd Steffen

The Restoration of Human Affairs Jan Habl, 2022-02-03 The aim of this book is to explore the possibilities and limits of Comenius's greatest and most important work General Consultation Concerning Restoration of Human Affairs The humanity of people is not quite right but not quite lost that is the foundational anthropological assumption of the Consultation How does Comenius understand humanity What are human affairs What is wrong with them And the most important question Can they be somehow corrected improved or restored

The ^ACrisis of Authority in Catholic Modernity Michael J. Lacey, Francis Oakley, 2011-04-06 It is fairly clear that while Rome continues to teach as if its authority were unchanged from the days before Vatican II 1962-65 the majority of Catholics within the first world church at least take a far more independent line and increasingly understand themselves rather than the church as the final arbiter of decision making especially on ethical questions This collection of essays explores the historical background and present ecclesial situation explaining the dramatic shift in attitude on the part of contemporary Catholics in the U S and Europe

Beyond Cutting Edge? Paul C. Heidebrecht, 2014-03-10 A quick scan of any newsstand is enough to confirm the widespread preoccupation with technological change As a myriad of articles and advertisements demonstrate not only are we preoccupied with technology but we are bombarded with numerous reminders that the cutting edge is in constant motion Most often the underlying assumption of Christians is that we have no choice but to find ways to cope with the latest and greatest Indeed it is often assumed that the church has no choice but to find ways to cope with its new technological context This book does not make the same assumptions Building on the work of Mennonite theologian John Howard Yoder it argues that the practices of the church make it possible for Christians to conscientiously engage technology This happens when we recognize that marks of the church such as patience vulnerability and servanthood can put technological ideals such as speed control and efficiency in their proper place In the course of grappling with three examples of morally formative technologies

automobiles genetically modified food and the Internet this book goes beyond Yoder's thought by emphasizing that the church also plays a crucial role in our moral formation

Performing the Faith Stanley Hauerwas, 2015-03-11 Folksy

eclectic disarmingly humble and astonishingly wide ranging Hauerwas offers us a provocative reading of Bonhoeffer that not surprisingly assimilates him closely to John Howard Yoder At the same time Hauerwas replies to recent criticisms of his work by Jeffrey Stout Contending that truth depends on performance far more than on theory Hauerwas steps forward as a pacifist gadfly for a more truly faithful church and a more recognizably democratic society George Hunsinger Princeton Theological Seminary This book shows how lively and fecund Hauerwas's thought remains A dazzling performance capable of entertaining and instructing professional theologians as much as those who think the world might be a better place without theologians in it Paul J Griffiths University of Illinois at Chicago Stan Hauerwas has done it again He is able skillfully to blend into his book the passion for truth and justice of two of his greatest influences Dietrich Bonhoeffer and John Howard Yoder He takes these heroic advocates for peace into his own present day struggle for the soul of the American nation Hauerwas an admirable Christian pacifist himself dares Christians to be the Jesus people they claim to be and to follow Jesus into the gospel path of nonviolence Geoffrey B Kelly author of *Liberating Faith* Bonhoeffer's Message for Today Never totally predictable Always a fresh perspective And yet once again in these essays on narrative politics Bonhoeffer and the church we hear the engaging discerning and brilliant voice we have come to know as Stanley Hauerwas Mark Thiessen Nation Eastern Mennonite Seminary Contending with and learning from the witness of Dietrich Bonhoeffer whose life is often thought to provide a Christian alternative to pacifism Hauerwas deepens the account of Christian nonviolence he has been articulating for decades His theology is strengthened and clarified by his encounter with the exemplary figure of Bonhoeffer Alan Jacobs Wheaton College Without loss of the provocative edge that has made him a vital and distinctive Christian voice Hauerwas's *Performing the Faith* allows him to cast a retrospective eye on his work At the same time in a brilliant essay under the title of the book he develops a profoundly important description of faithfulness Dennis O'Brien University of Rochester
