*Theology of the New Testament* Frank Thielman, 2005 A basic resource for serious teachers pastors scholars or lay people interested in learning about the theology of the New Testament Provided by publisher New Testament Theology and the Greek Language Stanley E. Porter, 2022-10-20 In this book Stanley E Porter offers a unique language based critique of New Testament theology by comparing it to the development of language study from the Enlightenment to the present Tracing the histories of two disciplines that are rarely considered together Porter shows how the study of New Testament theology has followed outmoded conceptual models from previous eras of intellectual discussion He reconceptualizes the study of New Testament theology via methods that are based upon the categories of modern linguistics and demonstrates how they have already been applied to New Testament Greek studies Porter also develops a workable linguistic model that can be applied to other areas of New Testament research Opening New Testament Greek linguistics to a wider audience his volume offers numerous examples of the productivity of this linguistic model especially in his chapter devoted to the case study of the Son of Man

*New Testament Theology* Jon Isaak, 2011-01-01 New Testament theology ought to be both descriptive and constructive this is the argument of New Testament Theology Extending the Table According to Isaak New Testament theology is descriptive in that it deals with the accounts that people narrate of their experience with Yahweh the God of Israel in the light of Easter It is constructive in that it joins the diverse testimonies of the New Testament writers into a textured and thick space within which contemporary followers of Jesus continue to be shaped by the ancient yet living Spirit of God Isaak s approach is historical thematic and theological in orientation It explores the conversation taking place around the table where the writers of the NT share their guiding vision of God s saving work among them and their passion for the Christian church engaged in God s mission The differing perspectives of the New Testament authors are held together without reduction forming a deep and rich space within which ongoing community reflection and praxis can take place

Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together      **Method, Context, and Meaning in New Testament Studies** C. 251      **The Law and the Knowledge of Good and Evil** Chris A. Vlachos, 2009-01-01 First Corinthians 15 56 The sting of death is sin and the power of sin is the law is both puzzling and neglected It is puzzling since there appears to be no

precursor in 1 Corinthians to the law critical statement found there. It is neglected because of its size. Nevertheless the short verse offers the opportunity to analyze in a rudimentary state Paul's law sin notion that appears full blown in Romans and the absence of a polemical setting allows scholars to examine a law critical statement issued during a polemical lull. In *The Law and Knowledge of Good and Evil* Vlachos weighs attempts to explain the presence of 1 Cor 15:56 in 1 Corinthians and argues that the Genesis Fall narrative where the tempter plied his seductions by way of the commandment provides the theological substructure to Paul's understanding of the law's provocation of sin. In doing so Vlachos contends that Paul reaches the historical high water mark of his polemic against the salvific efficacy of the law by locating a law sin nexus in Eden and contrary to some recent perspectives on Paul he argues that the edenicly informed axiom in 1 Cor 15:56 suggests that Paul's fundamental concern with the law was rooted in primordial rather than ethnic soil. While studies of Paul and the law have tended to bypass Eden *The Law and Knowledge of Good and Evil* breaks ground by moving the argument beyond Second Temple Judaism to the Genesis Fall account where the prohibition against partaking of the knowledge of good and evil led to the knowledge of sin.

**The Pastor's Library** Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s *The Minister's Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

**Psalm 110 and the Logic of Hebrews** Jared Compton, 2015-08-27 A neglected area of study of the letter to the Hebrews is the function of the Old Testament in the letter's logic Compton addresses this neglect by looking at two other ideas that have themselves received too little attention namely 1 the unique and fundamental semantic contribution of Hebrews exposition vis vis its exhortation and 2 the prominence of Ps 110 in the author's exposition The conclusion becomes clear that Hebrews exposition its theological argument turns in large part on successive inferences drawn from Ps 110 1 and 4 Compton observes that the author uses the text in the first part of his exposition to 1 interpret Jesus resurrection as his messianic enthronement 2 connect Jesus enthronement with his fulfillment of Ps 8's vision for humanity and thus 3 begin to explain why Jesus was enthroned through suffering In the second and third parts of his exposition the author uses the text to corroborate the narrative initially sketched Thus he uses the text to 1 show that messiah was expected to be a superior priest and moreover 2 show that this messianic priest was expected to solve the human problem through death

**Paul's Letter to the Romans** Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

Wright, 2013-11-01 This highly anticipated two book fourth volume in N T Wright's magisterial series Christian Origins and the Question of God is destined to become the standard reference point on the subject for all serious students of the Bible and theology The mature summation of a lifetime's study this landmark book pays a rich tribute to the breadth and depth of the apostle's vision and offers an unparalleled wealth of detailed insights into his life times and enduring impact

**That His Spirit May Be Saved** Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulosity However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith

**Pauline**

**Solidarity** Daniel Oudshoorn, 2020-04-30 Building on the themes established in the first two volumes of Paul and the Uprising of the Dead Pauline Solidarity explores a how the Pauline faction transforms relationships within the household unit in the new transnational family of God b how dominant cultural conceptions of honor are rejected in the embrace of shame in the company of the crucified c how vertical practices of patronage are replaced with a horizontal sibling based political economy of grace and d how the gospel of the Caesars is overcome by the lawlessness of the good news that is being assembled in an uprising of life among the left for dead Along the way many of the traditional themes associated with Paulinism grace justice love loyalty sin flesh death Jesus spirit life are reexamined and understood as core components of a movement that was spreading among vanquished colonized oppressed dispossessed and enslaved peoples who were finding new and treasonous ways of organizing themselves in order to be life giving and life affirming and in order to counter all the death dealing structures of Roman imperialism

Jesus as Torah in John 1-12 Dan Liroy, 2007-10-01 In this study of John 1 12 the author develops the thesis that Jesus is the divine incarnate Torah and that Jesus as Torah is the conceptual center of the Fourth Gospel An overarching goal of the treatise is to explore the Evangelist's portrait of Jesus as the fulfillment of the Mosaic law Connected with this aim is the central thesis that the Messiah appears in the Gospel of John as the realization of all the law's redemptive historical types prophecies and expectations A corresponding major claim is that those who trust in Jesus for eternal life and heed his teaching satisfy fully the requirements of the moral law recorded in Scripture An examination of John 1 12 substantiates the truth that Jesus is the perfection of the gift of the Tanakh He existed in the beginning with the Father and Spirit as God The eternal Torah is light and life fulfillment and joy in fellowship with the triune God for all eternity The divine Tanakh by becoming incarnate revealed the glory of the Father and made the fullness of God's grace and truth available to humankind The living Word not only provides salvation but in so doing unveils the loving and redeeming heart of the Father for all to see The Son of God is the one to whom all the Old Testament luminaries such as Abraham Jacob Moses and Isaiah pointed and in whom their eschatological hopes were realized The Anointed One is greater than and supreme over all the religious institutions once associated with the Jerusalem tabernacle and temple Even such Jewish festivals as the Feast of Tabernacles Pentecost Dedication and Passover find their fulfillment in the Messiah This volume is appropriate for personal study and is also suitable as a college and seminary text
