Theology Of The Old Testament:

Theology of the Old Testament Walter Brueggemann, 2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time

Theology of the Old Testament Walther Eichrodt, 1961-01-01 This book the first of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

An Old Testament Theology Bruce K. Waltke, 2007 An Old Testament theology by a leading Old Testament scholar who combines a technical with a spiritual understanding of the Old Testament

Old Testament Theology Ben C. Ollenburger, 2004-06-30 In this extensively revised and updated edition of *The Flowering of Old Testament Theology* Professor Ollenburger provides help for beginning theological students who are frequently overwhelmed by the proliferation of volumes dealing with Old Testament theology to say nothing of the variety of approaches used in these works This textbook has been re issued with a new title *Old Testament Theology Flowering and Future* and is now divided into five convenient sections Part 1 The Background Part 2 Old Testament Theology s Renaissance Walther Eichrodt through Gerhard von Rad Part 3 Expansion and Variety Between Gerhard von Rad and Brevard Childs Part 4 From Brevard Childs to a New Pluralism and Part 5 Contexts Perspectives and Proposals Selected essays include key theological statements of Otto Eissfeldt Walther Eichrodt Theodorus C Vriezen George E Wright Gerhard von Rad Walther Zimmerli John L McKenzie Ronald E Clements Walter C Kaiser Jr Samuel L Terrien Claus Westermann Brevard S Childs Rolf Knierim Horst D Preuss Walter Brueggemann Paul R House Bernhard W Anderson Erhard S Gerstenberger Hartmut Gese Phyllis Trible Jon D Levenson John H Sailhamer Gunther H Wittenberg James Barr R W L Moberly and Mark G Brett An appendix contains Johann P Gabler s 1787 seminal essay on biblical theology An extensive bibliography and indexes of authorities and Scripture references conclude the volume

Theology of the Old Testament Gustav Friedrich Oehler, 1883 Gustav Friedrich Oehler was an Old Testament scholar and professor at Tbingen in Germany At this time he was among the foremost proponents of theological conservatism with regard to the Old Testament rejecting the rationalism of Schleiermacher and the liberal school arising from his work For Oehler the Old Testament is an account of real history and divine revelation rather than a product of mere human development This two volume set published after Oehler s death by his son in 1874 contains the contents of Oehler s three decades of lectures on his area of expertise This early work of Biblical Theology explains the progressive revelation of divine truths from the first chapters of Genesis through the end of the Old Testament It contains both a history of God s people and

an examination of the theological convictions of the Old Testament authors as moved by the Spirit **Biblical Theology of the Old Testament** Revere Franklin Weidner, 1886 **A Theology of the Old Testament** John L. McKenzie, 2009-03-01 By thoroughly investigating every aspect of theology to be found in the Old Testament Father McKenzie offers a total theological statement of this timeless record The theology of the Old Testament he writes has to be the study of the reality of Yahweh The Old Testament is the sole literary witness to that reality as the record of the experience of Israel Seven categories outline the book cult revelation history nature wisdom political and social institutions and the future of Israel Together these categories provide a pathway to God that is far more complete than that which can be experienced by any individual For McKenzie the Hebrew scriptures are to be understood as the independent record of the early Israelite community's experience with God rather than as a prelude to or forecast of the New Testament **Old Testament Theology** John Goldingay, 2009-10-26 In this third volume of his critically acclaimed Old Testament Theology John Goldingay explores the Old Testament vision of Israel's life before God The first volume focused on the story of God's dealings with Israel or Israel's gospel The second volume investigated the beliefs of Israel or Israel's faith Now the spotlight falls on the Old Testament's perspective on the life that Israel should live in its present and future including its worship prayer and spirituality as well as its practices attitudes and ethics before God Goldingay sees three spheres of life giving order to Israel's vision its life in relation to God its life in community and the life of the individual as a self Within these frameworks he unfurls a tapestry that is as broad and colorful as all of life and yet detailed in its intricate attention to the text With this final volume John Goldingay has given us the third pillar of an Old Testament theology that is monumental in scope and yet invites us to enter through multiple doors to explore its riches Students will profit from a semester in its courts and ministers of the Word will find their preaching and teaching deeply enriched by wandering its halls and meditating in its chambers **The Concept of Biblical Theology** James Barr, 2009-12-01 A major overview and provocative analysis from a premier Old Testament scholar **Toward an Old Testament Theology** Walter C. Kaiser, 1991 Exploring the difficulty in determining the true nature method scope and motivation for Old Testament theology this book proposes the promise of God as the center of Old Testament theology and applies the solution to each of its eras **The Theology of the Old Testament** Andrew Bruce Davidson, Stewart Dingwall Fordyce Salmond, 1904 **Old Testament Theology in a Canonical Context** Brevard S. Childs, 1988-12-01 In this important work Child's thesis is that a canonical approach to the scriptures of the Old Testament opens up new possibilities for exploring the theological dimensions of the biblical text *Old Testament Theology* Robin Routledge, 2012-12-06 Robin Routledge provides a substantial overview of the central issues and themes in Old Testament theology For readers who want to dine on the meat of Old Testament theology but do not have time to linger over hors d'oeuvres and dessert Now in paperback **Introduction to Old Testament Theology** John H. Sailhamer, 2010-12-21 The author's purpose for Introduction to Old Testament Theology is to show how different approaches to the Old Testament can

be brought together into a single theology The author develops his own distinctive approach which he calls canonical theology *Old Testament Theology* Ronald Ernest Clements, 2012-09-01 What is Old Testament Theology For the past two hundred years Old Testament scholars have developed a distinctive presentation of the theological significance of this literature on the basis of a penetrating historical criticism Increasingly however the form and structure of this discipline have moved away from other areas of theological investigation The result is that today Old Testament theology bears little relationship to the historic ways in which Christians and Jews have actually found theological meaning in the Bible *Old Testament Theology* Prof. Walter Brueggemann, 2010-09-01 In this first volume in the Library of Biblical Theology series Walter Brueggemann portrays the key components in Israel's encounter with God as recorded in the Hebrew Bible Creation election Torah the divine hand in history these and other theological high points appear both in their original historical context and their ongoing relevance for contemporary Jewish and Christian self understanding *The Task of Old Testament Theology* Rolf P. Knierim, 1995 This prodigious work offers a broad selection of essays that present Knierim's distinct method for the discipline of Old Testament studies One subject deals with the implications of his method for New Testament studies **Theology of the Old Testament** Walther Eichrodt, 1961 This critically acclaimed series provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The authors are scholars of international standing *A Biblical Theology of the Old Testament* Roy B. Zuck, 1991-06-09 A Biblical Theology of the Old Testament gives fresh insight and understanding to this theological discipline Scholars from Dallas Theological Seminary combine to create this important volume edited by Roy B Zuck Each contributor looks at divine revelation as it appears chronologically in the canon allowing you to witness God's truth unfold through the centuries Theology of the Old Testament, Volume Two Walther Eichrodt, 1967-01-01 This book the second of two volumes offers a comprehensive profiling of the theology contained in the Old Testament The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing
