**Hearers and Doers** Kevin J. Vanhoozer,2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples

**The Inerrancy of Scripture** L. J. Anderson,2025-07-01 IN THE INERRANCY of Scripture L J Anderson tackles one of the most critical and contested doctrines in the Christian faith With clarity theological depth and pastoral concern this work explores what it means for Scripture to be inerrant how it differs from infallibility and why that distinction matters Anderson carefully examines the historical development of the inerrancy debate evaluates major contemporary viewpoints and demonstrates how the Bible s own claims about God and itself demand either full acceptance or complete rejection of its authority PERFECT FOR students pastors and anyone wrestling with the reliability of the Bible this concise yet robust defense argues that inerrancy is not a secondary issue rather it is foundational to faith doctrine and the very character of God If Scripture is truly God s Word then every word matters Contents Dedication Preface Abstract 1 Introduction 2 Overview of the Terms Inerrancy and Infallibility 3 Overview of the Major Different Views on Inerrancy 4 The Claims Scripture Makes About God and Itself Require Either a Total Rejection or Total Acceptance of Its Authority 5 The Doctrine of the Inerrancy of Scripture Is Necessary to Avoid Apostasy 6 Conclusion A Brief Call to Action Also by L J Anderson

Smith,2022-11-14 Many established congregations are in need of revitalization It is as if in all of the good efforts of ministry the mission has been forgotten The mission of the church is to make disciples of Jesus Christ for the transformation of the world Disciple making in many churches has diminished which was both caused by and resulted in a loss of understanding of the mission of the church and a low prioritization of reaching new people for Jesus Christ This book will provide insight into some of the causes of the situation identify possible spiritual hindrances to ministry and offer strategies for the congregation to reclaim its spiritual foundation and calling **Thinking Theologically about**

**Language Teaching** Cheri L. Pierson,Will Bankston,2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear **A Call to Christian Formation** John C. Clark,Marcus Peter

Johnson,2021-07-20 This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world Christian formation is incomplete and impossible without theological formation because Christ transforms our hearts and minds attuning them to the reality of God As the authors explore the deep connections between

theology and the life of the Christian they emphasize Christian formation as a defining feature of the church arguing that theology must be integrally connected to the church's traditions and practices      *Rooted Leadership* John

Johnson, 2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In *Rooted Leadership* John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God      *Learning to Speak of God* Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp the something more that is at the heart of preaching excellence *Learning to Speak of God* argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God's transforming work For those who study practice or care about preaching this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience      *Re-Envisioning Transformation* David C. Scott, 2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed *Re-Envisioning Transformation* looks at the possibility of moving toward a vision of

transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision **What Does It Mean to Be a Thoughtful Christian?** David S. Dockery, 2022-02-02

How to love God with your heart soul and mind Christians are surrounded by differing voices and opinions How can you be grounded How can you be sure you think Christianly In What Does It Mean to be a Thoughtful Christian David S Dockery argues that Christians must be intentional about their thought life Thoughtful Christians follow guidance from the Bible possess a consistent worldview listen to voices of the past engage with the world and prioritize faithful community and character development Learn how thinking well and thinking Christianly is what you your church and your culture needs The Questions for Restless Minds series applies God's word to today's issues Each short book faces tough questions honestly and clearly so you can think wisely act with conviction and become more like Christ Pictures at a Theological Exhibition Kevin J. Vanhoozer, 2016-03-30 Kevin Vanhoozer calls the church to a picture of theology that sees every person thing and event in the light of God's act of reconciliation Through essays on the church's worship witness and wisdom he reveals how a poetic imagination can answer the questions of life's meaning by drawing our attention to what really matters the God of the gospel

**Integrating Theology, Church, and Ministry in a Chinese Seminary** Peter L. H. Tie, Kevin S. Chen, 2024-10-21 A perennial challenge for theological education is the integration of what is learned in the classroom with students church life and ministry Is there a connection How can greater connection be fostered Many seminaries earnestly wrestle with these questions Whereas some of the underlying issues are common to all seminaries others are influenced by the cultural context in which theological education church life and ministry take place In addition to cultural factors the history lifstage and current state of the church and of theological education are different in each context The integration of theology church and ministry is crucial to the effectiveness of a Chinese seminary The great need for theological education for Chinese Christian leaders has rightly been sounded and should continue to be but simultaneously seminaries must think seriously about how to promote quality theological education Beginning with a programmatic article by Dr David Dockery a leading proponent for effective integration this book represents the efforts and reflection of experienced scholar practitioners who work out a vision for integration in the context of a diaspora Chinese seminary in San Jose California *The Dialectics of Discipleship* Chris Swann, 2023-08-24 Interrogating Barth's discipleship shaped vision of sanctification this book investigates both Lutheran and Calvinian source material to develop an account that differs markedly from other Lutheran and Calvinist perspectives Highlighting the robustly theological and Christ centred character of Barth's account Chris Swann demonstrates that far from merely valorising human activity Barth advances an understanding of human moral agency action and suffering that is real but relative to the agency of God in Christ to which it corresponds analogously With a focus on the

role the image of discipleship plays in giving conceptual structure and shape to Barth's distinctive account of the correspondence between divine agency and sanctified human agency this book evaluates the ramifications of his discipleship shaped vision of sanctification In doing this it gives special attention to Barth's own personal mixed record with regard to Christian discipleship Ultimately Swann retrieves a number of important resources for contemporary theological ethics from Barth's theology of discipleship

*Contending for the Truth* L. J. Anderson, 2025-02-07 What happens when God's people stop contending for the truth In a world where confusion is often mistaken for compassion and doctrinal compromise is praised as unity Christians must not only believe the truth they must be equipped to defend it *Contending for the Truth* explores thirteen highly debated doctrines in Christianity today applying biblical rigor to each and calling believers to stand firm on Scripture From apologetics to creationism church discipline to the doctrine of inerrancy this book walks readers through contentious topics with clarity and conviction Each chapter grounds its arguments in Scripture compares doctrinal views and invites readers to test everything against the Word of God not tradition consensus or culture Whether used for personal study classroom engagement or group discussion this book will help readers Identify theological drift in today's church Compare key doctrines against Scripture itself Engage contentious issues with clarity and confidence Contend for the faith with humility and courage This is not a primer on the basics of the faith It's a theological sharpening stone for those seeking to grow think and live more biblically Written by L J Anderson author independent scholar and founder of Lamad Press *Contending for the Truth* serves as a companion volume to his earlier work *Theology and Apologetics* applying that foundational method to real world doctrinal challenges Anderson holds a Master of Divinity is pursuing a PhD in theological studies and publishes accessible academically grounded works for pastors students and lay leaders alike If you're ready to think deeply study biblically and live faithfully this book will challenge and equip you
