Therapeutic Uses Of Storytelling An Interdisciplinary Approach To Narration As Therapy:

Therapeutic Uses of Storytelling Camilla Asplund Ingemark, 2013-12-03 How can stories and legends written and oral help people suffering from severe traumas or harsh conditions now or in the past Can storytelling help us sort out our innermost feelings and troubles This deeply human subject is relevant not only to practitioners of psychotherapy but to all of us as we sometimes go through difficult times in life In *Therapeutic Uses of Storytelling* a cross disciplinary group of researchers examine the ways in which narrative might aid in coping with difficult situations in life and with the emotions that these situations engender Starting with an introduction to basic narrative theories and the therapeutic effects of storytelling the book then moves on to a series of lucid case studies The authors present a diversity of material such as blogs poetry magazines memoirs and oral accounts from Antiquity to the present Authors from several different disciplines make for a diversity of perspectives The authors specialise in folkloristics psychology writing studies poetry therapy and classical studies Psychologists social workers researchers therapists all can benefit from this book including everyone interested in the possibility of inner exploration through stories *Therapeutic Uses of Storytelling* Camilla Asplund

Ingemark, 2015-01-01 In this cross disciplinary study a group of researchers critically examine the ways in which narrative that is written and told stories and legends might aid in coping with traumatic or stressful life situations and with the emotions that these situations engender Starting with an introduction of basic narrative theories and the therapeutic effects of storytelling the book moves on to a series of lucid case studies The contributors present a diversity of material such as weblogs poetry magazines memoirs and oral accounts from antiquity to the present With a diversity of perspectives the contributors hail from a variety of fields including folkloristics psychology writing studies poetry therapies and classical studies this book benefits specialists in a number of different disciplines as well as individuals interested in the possibility of inner exploration sparked by storytelling *Narrative Humanism* Wyatt Moss-Wellington, 2019-09-13 This book attempts to clarify the narrative conditions of humanism asking how we can use stories to complicate our understanding of others and questioning the ethics and efficacy of attempts to represent human social complexity in fiction With case studies of films like *Parenthood* 1989 *American Beauty* 1999 *Little Miss Sunshine* 2006 and *The Kids Are All Right* 2010 this original study synthesises leading discourses on media and cognition evolutionary anthropology literature and film analysis into a new theory of the storytelling instinct *Single Session One at a Time Counselling with Couples* Martin Söderquist, 2022-12-05 This book introduces *One at a Time* OOAT Single Session Therapy SST for couples presenting a new and innovative format for couples counselling and therapy that fills the gaps between SST and traditional couples therapy models The book covers the historical background of brief therapy the concept of change in different therapy models and the different formats of SST The general mindset as well as the specific thinking and practice of SST OAAT are described in detail combined with practical guidelines and many concrete examples from couple sessions Five full length OAAT session stories give the reader a

clear sense of what OAAT with couples really is like and how different counselors use their personal styles and preferences
Single Session One at a Time Counselling with Couples is written for working therapists therapists in training supervisors managers and couples themselves who are thinking of scheduling therapy Disability and the Future of Work Fitore Hyseni, Lisa Schur, Douglas Kruse, Peter Blanck, 2025-07-09 This volume of Research in Social Science and Disability brings together leading research that examines how systemic policies and practices pandemic driven transformations and strategies for diversity equity and inclusion DEI continue to shape the employment landscape for workers with disabilities

Solomonica Magica: Solomon, Sisinnius, and the Holy Rider on Greek-Inscribed Amulets from Late Antiquity and Early Byzantium Juraj Franek, 2025-07-24 Solomonica Magica is the first comprehensive survey of Solomonic or Holy Rider amulets from the Mediterranean of Late Antiquity and Early Byzantium Hundreds of magical gems leaf shaped pendants circular medallions and other apotropaic objects many of which were previously unpublished are presented against the backdrop of a parabiblical tradition involving Solomon the Magician and Sisinnius the Demon Hunter All Greek texts have received fresh critical editions and English translations The text of the monograph is richly illustrated with over 700 images many newly commissioned specifically for this volume **The Dragon in the West** Daniel Ogden, 2021 The Dragon in the West is the first book to offer an in depth examination of the history of the image and idea of the dragon A creature popular in contemporary fiction and cinema Ogden reveals how the dragon was known to the ancient Greek and Roman worlds and came down to us through early Christianity Anglo Saxon and Norse legends *Bride of Hades to Bride of Christ* Abbe Lind Walker, 2020-02-14 This volume argues that ancient Greek girls and early Christian virgins and their families made use of rhetorically similar traditions of marriage to an otherworldly bridegroom in order to handle the problem of a girl's denied or disrupted transition into adulthood In both ancient Greece and early Christian Rome the standard female transition into adulthood was marked by marriage sex and childbirth When problems arose just before or during this transition the transitional girl's status within society became insecure Walker presents a case for how and why the dead Greek virgin girl depicted in Archaic through Hellenistic sources in both texts and inscriptions as a bride of Hades and the life long female Christian virgin or celibate ascetic dubbed the bride of Christ around the third century CE provide a fruitful point of comparison as particular examples of strategies used to neutralize the tension of disrupted female transition into adulthood *Bride of Hades to Bride of Christ* offers a fascinating comparative study that will be of interest to anyone working on virginity and womanhood in the ancient world **The Werewolf in the Ancient World** Daniel Ogden, 2021-01-07 In a moonlit graveyard somewhere in southern Italy a soldier removes his clothes in readiness to transform himself into a wolf He depends upon the clothes to recover his human shape and so he magically turns them to stone but his secret is revealed when back in human form he is seen to carry a wound identical to that recently dealt to a marauding wolf In Arcadia a man named Damarchus accidentally tastes the flesh of a human sacrifice and is transformed into a wolf for nine years At Temesa

Polites is stoned to death for raping a local girl only to return to terrorize the people of the city in the form of a demon in a wolfskin Tales of the werewolf are by now well established as a rich sub strand of the popular horror genre less widely known is just how far back in time their provenance lies These are just some of the werewolf tales that survive from the Graeco Roman world and this is the first book in any language to be devoted to their study It shows how in antiquity werewolves thrived in a story world shared by witches ghosts demons and soul flyers and argues for the primary role of story telling as opposed to rites of passage in the ancient world s general conceptualization of the werewolf It also seeks to demonstrate how the comparison of equally intriguing medieval tales can be used to fill in gaps in our knowledge of werewolf stories in the ancient world thereby shedding new light on the origins of the modern phenomenon All ancient texts bearing upon the subject have been integrated into the discussion in new English translations so that the book provides not only an accessible overview for a broad readership of all levels of familiarity with ancient languages but also a comprehensive sourcebook for the ancient werewolf for the purposes of research and study

The Strix-Witch Daniel Ogden,2021-06-10 The strix was a persistent feature of the folklore of the Roman world and subsequently that of the Latin West and the Greek East She was a woman that flew by night either in an owl like form or in the form of a projected soul in order to penetrate homes by surreptitious means and thereby devour blight or steal the new born babies within them The motif set of the ideal narrative of a strix attack the strix paradigm is reconstructed from Ovid Petronius John Damascene and other sources and the paradigm s impact is traced upon the typically gruesome representation of witches in Latin literature The concept of the strix is contextualised against the longue dur e notion of the child killing demon which is found already in the ancient Near East and shown to retain a currency still as informing the projection of the vampire in Victorian fiction

Terrorism in Memory Culture: Investigating the Aftermath of July 22 in Norway Alexandre Dessingué,Paula Hamilton,2025-03-12 This edited collection examines the intersection between the developing fields of terrorism and cultural memory studies through a detailed study of the 2011 terrorist attack in Norway It examines how the work of remembrance has been established through arts such as theatre and fiction and also architecture heritage and education It traces the politics of the remembrance processes and explores the shifting meanings in public memories that change over the thirteen years since the attack and are constantly being negotiated in response to present circumstances It also charts general trends in memorialisation the globalising and digitalising of memory practices the speed of memorial initiatives the role of testimony and the importance of diverse narratives emerging through newer modes of communication Chapters 10 13 and 16 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

Terrifying Europe. History and Memory of Terrorism in European Identity Pérez Baquero, Rafael, Cayuela Sánchez, Salvador, 2024-06-01 As different historians have outlined memories and identities stemming from the dreadful events unfolded in Europe during the 20th century are deeply connected with the ways in which traumatic and violent pasts are remembered commemorated and mourned as the years go by Collective and national identities during the second half of the last century haven been constructed upon the remembrance and depiction of victims within public sphere As a result the ways in which contemporary violence is framed through the different mediations and re meditations provided by cultural memory are key to understand the reconfiguration of contemporary European identities Undoubtedly the experience of terrorism in European soil is one of comes to the fore when dealing the remembrance of violence Regardless of the political nature and grounding of the different terrorist attacks which have shocked and undermined the feeling of security within Western societies the evolution of European identities is dependent on how such events are depicted and on how their victims are remembered and commemorated Echoing this situation Remembering Terror aims at offering a diverse set of perspectives focusing on different historical cases of remembering and commemorating terrorism in contemporary Europe Therefore each chapter included in this book is thus intended to provide a different approach to how a specific event in Europe related to terrorism has been reframed In this regard far from endorsing a particular perspective Remembering Terror is bound to offer a glimpse on the heterogeneous ways in which memory of terrorism has reshaped collective identities in Europe

Heritage, Democracy and the Public Torgrim Sneve Guttormsen, Grete Swensen, 2016-12-05 What is the significance of heritage for how welfare is defined What function does heritage have in the public realm and how is heritage becoming a resource for citizens to gain influence in society Who and what defines the public debates and the politics about heritage Is there a knowledge gap between research communities management and the public understanding and use of heritage These are some of the questions that the authors of this book reflect upon They provide Nordic perspectives on how the management of the past takes place and how it is carried out in the service of the society offering new interpretations of the role of heritage in present society where

institutional heritage management has become just one of the many and multiple ways in which different publics engage with cultural heritage This book addresses the main challenges faced by heritage managers today in light of the changing understanding of heritage in society **Heritopia** Jes Wienberg,2021-03-09 This electronic version has been made available under a Creative Commons BY NC ND open access license Heritopia investigates the meanings of the past in the present focusing on Abu Simbel in Egypt and other World Heritage sites It explores and resolves a number of paradoxes the past is impossible to preserve for eternity all preservation implies change preservation of one site normally means destruction of others threats are important in the creation of heritage but at the same time heritage may become a threat and threats can become heritage themselves heritage stands in contrast to modernity and is at the same time part of it both the increase and the decrease of modernity create heritage and finally heritage may be global and local at the same time Heritopia will appeal to students and professionals in heritage studies and related subjects such as archaeology history ethnology and museology

Poverty Reduction Through Non-Timber Forest Products Deepa Pullanikkatil,Charlie M. Shackleton,2018-11-23 This book narrates personal stories of people from around the world who have used natural products in particular Non Timber Forest Products NTFPs as a means to come out of poverty Ending poverty remains a major worldwide challenge and is the number one goal under the UN Sustainable Development Goals The book fills an important knowledge gap that of personal stories of NTFP users This has not been part of past publications on NTFPs which tend to focus on statistics and analysis of numbers thus the human faces of NTFP users are missing Narrative stories provide a wealth of data about people and their experiences rather than aggregated classifications categories and characteristics of poverty The objective of this book is to illustrate the poverty alleviation potential of NTFPs through documenting the personal life stories of individuals and households that lifted themselves out of poverty through trade of NTFPs This book is for all who are interested in poverty alleviation and NTFPs *American Book Publishing Record* ,2007 **The Therapeutic Use of Stories** Kedar Nath Dwivedi,1997 Multi disciplinary contributors share their experience of using stories as therapy with children and adults They provide a theoretical framework examples of stories with therapeutic value and practical advice on how best to use them

Reimagining Narrative Therapy Through Practice Stories and Autoethnography Travis Heath,Tom Stone Carlson,David Epston,2022-06-19 Reimagining Narrative Therapy Through Practice Stories and Autoethnography takes a new pedagogical approach to teaching and learning in contemporary narrative therapy based in autoethnography and storytelling The individual client stories aim to paint each therapeutic meeting in such detail that the reader will come to feel as though they actually know the two or more people in the room This approach moves beyond the standard narrative practice of teaching by transcripts and steps into teaching narrative therapy through autoethnography The intention of these teaching tales is to offer the reader an opportunity to enter into the very heart and soul of narrative therapy practice much like reading a novel has you enter into the lives of the characters that inhabit it This work has been used by the authors in MA and PhD level

classrooms workshops week long intensive courses and conferences around the world where it has received commendations from both newcomer and veteran narrative therapists The aim of this book is to introduce narrative therapy and the value of integrating autoethnographic methods to students and new clinicians It can also serve as a useful tool for advanced teachers of narrative practices In addition it will appeal to established clinicians who are curious about narrative therapy who may be looking to add it to their practice as well as students and scholars of autoethnography and qualitative inquiry and methods

Narrative Therapy Catrina Brown, Tod Augusta-Scott, 2006-08-03 This volume is especially useful in demonstrating the effects of placing social discourses at the center of therapy It goes many sacred cows of the larger modernist therapeutic community but in doing so it offers new ideas for mental health professionals attempting to help their clients with common and serious life problems PSYCRITIQUES This compilation is an insightful read for practitioners who have not taken the opportunity to use narrative therapy in practice Experienced practitioners will certainly appreciate the theoretical analysis offered by the writers as well as the opportunity for reflective practice Narrative Therapy is a meaningful contribution to a Canadian book market lacking in clinical literature for social workers CANADIAN ASSOCIATION OF SOCIAL WORKERS Narrative Therapy Making Meaning Making Lives offers a comprehensive introduction to and critique of narrative therapy and its theories This edited volume introduces students to the history and theory of narrative therapy Authors Catrina Brown and Tod Augusta Scott situate this approach to theory and practice within the context of various feminist post modern and critical theories Through the presentation of case studies Narrative Therapy Making Meaning Making Lives shows how this narrative oriented theory can be applied in the client therapist experience Many important therapeutic situations abuse addictions eating disorders and more are addressed from the narrative perspective Rooted in social constructionism and emerging initially from family therapy narrative therapy emphasizes the idea that we live storied lives Within this approach the editors and contributors seek to show how we make sense of our lives and experiences by ascribing meaning through stories which themselves arise within social conversations and culturally available discourses Our stories don t simply represent us or mirror lived events they actually constitute us shaping our lives as well as our relationships Narrative Therapy will be a valuable supplemental textbook for theory and practice courses in departments of Counseling and Psychotherapy and of Social Work as well as for courses in Gender and Women Studies
