**Physics and Metaphysics Ebook** David Butterworth, This is an alternate approach to the current particle Standard Model This theory uses singularity spaces to explain subatomic Gravity Electromagnetic and Nuclear Forces It is the hard copy edition of the Theory of Amorphism and the Theory of Ubiquity of the Little Book Open Collection that have all religious reference and philosophical discussion removed This book is simply submitting a protoscience recommendation the initial phase of the scientific method involving hypothesis formulation but not yet proven to be true or false It has four parts The first part is a philosophical Burden of Proof that explains the purpose of the singularity approach The second part is the Theory of Amorphism that explains subatomic matter and light The third part is the Theory

of Ubiquity that explains atomic life and awareness The last part is the Philosophy of Morphism which explores the reality behind everything This book does not have a heavy mathematical approach and is understandable by the general public however I recommend a high school level understanding of Physics and Calculus to completely understand the basic theory I know that for the scientific community this book is only covering the fundamentals but it is doing it in an entirely different direction

Mysteries of Life, Death and Beyond Patrick J. Conte MD PhD, 2016-07-06 The book *Mysteries of Life Death and Beyond* illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra
