Wild Life Keena Roberts,2019-11-12 Don t Let s Go to the Dogs Tonight meets Mean Girls in this funny insightful fish out of water memoir about a young girl coming of age half in a baboon camp in Botswana half in a ritzy Philadelphia suburb Keena Roberts split her adolescence between the wilds of an island camp in Botswana and the even more treacherous

halls of an elite Philadelphia private school In Africa she slept in a tent cooked over a campfire and lived each day alongside the baboon colony her parents were studying She could wield a spear as easily as a pencil and it wasn't unusual to be chased by lions or elephants on any given day But for the months of the year when her family lived in the United States this brave kid from the bush was cowed by the far more treacherous landscape of the preppy private school social hierarchy Most girls Keena's age didn't spend their days changing truck tires baking their own bread or running from elephants as they tried to do their schoolwork They also didn't carve bird whistles from palm nuts or nearly knock themselves unconscious trying to make homemade palm wine But Keena's parents were famous primatologists who shuttled her and her sister between Philadelphia and Botswana every six months Dreamer reader and adventurer she was always far more comfortable avoiding lions and hippopotamuses than she was dealing with spoiled middle school field hockey players In Keena's funny tender memoir *Wild Life* Africa bleeds into America and vice versa each culture amplifying the other By turns heartbreaking and hilarious *Wild Life* is ultimately the story of a daring but sensitive young girl desperately trying to figure out if there's any place where she truly fits in
