Fyodor Dostoevsky 1821 1881 faced his own bleak and Russian winters from childhood play amongst the impoverished at his father s medical clinic to a last minute reprieve from the Tsar s firing squad for discussing banned books followed by ten years of prison camp and military service in exile While his novels such as Crime Punishment and The Brothers Karamazov demonstrate human depravity they also give glimmers of grace love and beauty which have made him one of the most beloved novelists of all time It is our hope that as you find time to relax during the holiday season making it a habit for the new year that you will find these discussions deeply meaningful Awaiting for you within are discussions of his characters from novels and short stories alike Dostoevsky inspired poems and reviews of films books and even contemporary music which reflect the light and warmth he dared to find in his own bleak winter
