and psychotherapy practices because it relaxes relieves stress reduces and eliminates pain accelerates healing and helps support the gentle restoration of the body's natural balance. It is a unique healing art in that it can be learned by anyone with no special knowledge of anatomy needed. The Complete Book of Traditional Reiki takes the reader step by step through a traditional Reiki level I class. It discusses Reiki's origins and purpose, describes the attunement process by which a student is imbued with the power to channel life force energy and gives complete instructions for the basic and advanced healing hand positions. The first book to serve as a teaching manual, an extensive reference work for students and compelling reading for those considering taking a Reiki class, this updated edition includes new information on the history of Reiki and the Reiki principles and features never before published photographs and a translation of the Usui Memorial in Japan, a tribute to the founder of Usui Reiki.

The Encyclopedic Sourcebook of New Age Religions James R. Lewis, 2004-08-30. In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public's curiosity. While the movement was at its height, scholars of religion generally sneered at what was perceived to be a daffy, shallow craze and ignored it as a subject of serious study. Professor James R. Lewis was among the first to examine this growing religious phenomenon scientifically. In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture, the roots of which reach back to Theosophy, Spiritualism and New Thought. The present collection pursues this theme, bringing together some of the best recent scholarship on new religions. Since the height of its popular influence, the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality. Reflecting the emergence of this new denominational structure, the core chapters of this book focus on specific groups. Other chapters examine the movement's historical roots. A unique feature of Dr. Lewis's work is his inclusion of extensive selections from New Age literature, thus allowing readers to experience firsthand the unusual perspectives of the various groups. This is a fascinating examination of a significant and persistent religious and social phenomenon.

How Reiki Can Change Your Life Enrique A. Cordero, 2019-12-17. Discover what you should know about Reiki to achieve physical, mental, emotional and spiritual balance. A must read for the Reiki practitioner looking to expand his or her knowledge and a valuable sourcebook for Reiki students, teachers and laypersons. Based on over 50 years of studies in metaphysical and esoteric subjects, the author presents a wealth of current information and fresh insights into the true nature of the energy known as Reiki, Universal Ki or Life Force. Here you have a complete Reiki course and a broad foundation covering Reiki I, Shoden, Reiki II, Okuden and Reiki III, Shinpiden. In addition to the traditional Reiki symbols, the author includes information on other symbols: Tibetan Master Symbol, Duma, Tibetan Fire Serpent, Raku and Antahkarana. He also provides several meditations that you can record in your own voice for personal use. If you are a Reiki Master that teaches Reiki, this is an excellent sourcebook from which you can teach as little or as much as you choose. More importantly,

An unique journey into the inner heart of the system of Reiki for practitioners and teachers to rediscover their True Self *Reiki* William Lee Rand, 1991. Reiki is a technique for stress reduction which is also claimed to promote healing. It is said to create many beneficial effects including relaxation and feelings of peace, security and well-being. The technique is thought to have originated in Tibet but was rediscovered by a Japanese Buddhist early in the 20th century. This revised edition includes the history of Reiki and describes several successful approaches to integrate Reiki into patient care. Also included are pictures of the Usui memorial in Tokyo and of Mount Kurama where Reiki was discovered.
