 Every January from 1996 to 2016 while I was suffering with summer in Rio I received snowy news from the Sundance
 Festival through Carlos Brand o and his partner Myrna In those 20 years Carlos and Myrna were my main source of
 information about independent world cinema It is a great joy to see all this material gathered in a book Carlos was a
 passionate researcher and along with Myrna an experienced reporter Their interviews and reports on films and directors that
 have passed through Sundance have the mark of someone who saw everything up close And knew how to tell it Carlos
 Alberto Mattos Film Critic When Robert Redford founded the nonprofit Sundance Institute in 1981 the intense creativity of
 American independent cinema in the 70 s was too distant The Festival came to redefine the characteristics of a cinema that
 was becoming more conservative and less daring as a reflection of the Reagan years Betting on risk and dissonant and plural
 voices Sundance knew how to reveal innovative directors and organize Script Development Programs in different parts of the
 world starting with Brazil The geopolitics of independent cinema would never be the same Sundance marked the resumption
 of Brazilian Cinema after the disastrous government of President Collor It was one of the first international festival to
 embrace our cinematography at that time and few critics and journalists followed this movement as closely as Carlos Augusto
 Brand o With his inseparable Myrna Carlos foresaw what was still under construction He covered the Festival from the start
 collecting precious interviews from young new comers I cannot remember Sundance without thinking about Carlos his
 remarks and always relevant and sensitive questions publishing stories that dimensioned the revival of Brazilian Cinema
 These testimonies comprise this precious 20 Years of Independent Cinema The interviews gathered here tell not only the
 story of the renaissance of independent cinema in different latitudes but also speak of the intense passion that Carlos had for
 cinema His texts make him both a witness and co author of a cinema in transformation Walter Salles Film Maker **In the**
