The Parables Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus's parables that emphasizes personal reflection and application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we're not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus's parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul

Every Great Man Has a Story to Tell Tiebet Joshua, 2016-03-09 Why do so many people born into the world as ordinary people pass through the world as paupers and return to their Creator as they had come just unsung people In other words why do majority of people born poor pass through life poor and finally die poor and totally forgotten without anything to show that they had been here Why does life favor few and make them so great and unique in whatever they do thereby making them the singsong of others even after they had departed the world for years Why is nature so unjust making others to be born with silver spoons while others it makes church rats Why has nature been so partial to have destined majority in the world to a life of poverty and wants thereby making them the hewers of woods and drawers of water to a few it had destined greats and nobles Why is destiny so wicked to have determined the fate of some to be poor and lowly while to some it determined theirs in gold
