Nasties: A Practical Guide by Miss Edythe McFate Lesley M. M. Blume, 2010-09-14 Perhaps you think fairies are figments of the imagination or even relics of an ancient past You may even think all fairies are lovely winged creatures who dance in bluebell fields granting wishes to anyone who should encounter them You would be wrong on all counts Fairies are very much alive today and they are everywhere in our cities our backyards and even our kitchen cupboards Some of them are indeed the sweet tempered winged creatures of folklore but the fairy family also includes goblins trolls brownies and other strange creatures some of which are revealed to humans in this book for the very first time While many fairy breeds are harmless others can be quite nasty or even dangerous In this luxuriously illustrated guidebook preeminent fairy expert Miss Edythe McFate shares her knowledge of the modern fairy world and includes practical advice on matters such as how to tell

a good fairy from a bad one how to spot a fairy ring how to tell the difference between dwarves and trolls one species is far deadlier than the other and how to defend against fairies who would do you harm Also included are eight true cautionary tales about children who have encountered fairies in ultramodern New York City You would be wise to read closely lest you find yourself in your own fairy encounter for as Miss Edythe McFate reminds us Forewarned is forearmed **Julia and the Art of Practical Travel** Lesley M. needs around Rising Star Farm is a grown boy working for her especially her neighbor Edith's son. The woman holds a serious grudge against Sylvie and her son and hiring Jimmy Fisher will only fan the flames of Edith's rancor. But Sylvie is desperate for help on the farm and Jimmy understands horses like no one else. While Jimmy's lazy smile and teasing ways steal Sylvie's heart, Edith is working on a way to claim her land. Has Sylvie made another terrible mistake? Or is it too late to outfox the fox? More importantly, just who is the fox? Writing with both wit and warmth, Fisher delivers a supremely satisfying conclusion to the popular Deacon's Family series. *The Restless Stars* Caroline Peckham, Susanne Valenti, 2025-09-28

Orphans Changelings Princesses Queens We are all and nothing now our fate weighed on the scales of the stars and counterbalanced by the forces that oppose us. The shadow of the false king spreads as thick as oil across the kingdom we were born to rule and none remain untouched by its darkness. Our crowns lay within reach if only we can claim them. All souls are at risk now and when the final battle dawns a new regime will rise. The time for the true reckoning is upon us and we have proven ourselves as savage as our father as brutal as our mother and as wild as the Elements which roar through our veins. We can only hope it is enough. When the last sword strikes the final death in this game of fate and fortune only one side will be victorious. The Starfall Legion charges at first light. And our destiny rides upon our shoulders as we rush into the end. All hail the True Queens. May our rule last longer than this night. This is a dark fantasy romance don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18 where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust broomsticks not required and get ready for a bumpy ride. **Lone Star Rising** Elmer Kelton, 2007-04-01

In 1999 with Forge's publication of *The Buckskin Line* Elmer Kelton launched a series of novels on the formative years of the Texas Rangers. In *Texas Justice* the first three of these critically acclaimed books are now brought together in a single volume. In *The Buckskin Line* Kelton introduces the red-haired boy captured by a Comanche war party after the massacre of his family. Rescued by Mike Shannon a member of a Texas ranging company protecting settlers from Indian raids the boy known as Rusty is adopted by the Shannon family. In 1861 Mike Shannon is ambushed and killed and Rusty follows in his footsteps and joins the Rangers. In the throes of the coming War Between the States Rusty searches for the Confederates who lynched his adoptive father and awaits meeting the Comanche warrior who killed his family two decades past. At the end of the Civil War Rusty Shannon is thrown adrift when the Rangers are disbanded and makes his way to his home on the Red River where he hopes to marry the girl he left behind Geneva Monahan. But as *Badger Boy* the second novel of the saga unfolds Geneva has married another man in Rusty's absence. Faced with this betrayal he must contend with the hate-filled Confederate and Union soldiers infesting Texas and with the continuing Indian raids against innocent settlers. Rusty's own childhood captivity returns to haunt him when he rescues Andy a white child called *Badger Boy* by his Comanche captors. In *The Way of the Coyote* Andy

rides with Rusty Shannon as the Rangers are re formed in postwar turmoil With Texas overrun with outlaws disenfranchised Confederate veterans nightriders and marauding Comanche bands Rusty tries to resume his pre war life When his friend Shanty a freed slave is burned out of his home by Ku Klux Klan and Rusty s own homestead is confiscated by a murderous band of thugs he must follow perilous trails before he can put the war and its aftermath behind him Texas Justice is not only a masterful re creation of the early years of the Texas Rangers it is vintage Elmer Kelton the undisputed master of the Western story At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
