**Two Cheers for Politics** Jedediah Purdy,2022-08-30 One of the country's most astute legal scholars explains how American political culture disempowers ordinary citizens and makes the case for a reinvigorated democracy Americans across the political spectrum agree that our democracy is in crisis We view our political opponents with disdain if

not terror and an increasing number of us are willing to consider authoritarian alternatives In Two Cheers for Politics Jedediah Purdy argues that this heated political culture is a symptom not of too much democracy but too little Today the decisions that most affect our lives and our communities are often made outside the political realm entirely as market ideology constitutional law and cultural norms effectively remove broad swaths of collective life from the table of collective decision The result is a weakened and ineffective political system and an increasingly unequal and polarized society If we wish to renew that society we ll need to claw back the ground that we ve ceded to anti politics and entrust one another with the power to shape our common life
