The Road to Omaha Ryan McGee, 2024-07-02 In the spirit of *Three Nights in August* and *The Last Night of the Yankee Dynasty* veteran sports writer Ryan McGee goes behind the scenes into the stands and onto the field to reveal an exciting yet personal look at one of the hottest sports championships in the country the College World Series Every summer college baseball teams from around the nation come to Omaha Nebraska to play pure move the man over run manufacturing baseball in a series that's part college bowl game part county fair In 2008 the ten day eight team tournament was the scene of one of the greatest series in its illustrious history And Ryan McGee puts the reader behind closed doors with the underdog champs the Fresno State Bulldogs as well as with

their seven opponents from the first batting practice session to bus rides to the ballpark to the locker room and the dugout It s the CWS as few ever see it But The Road to Omaha goes far beyond the 2008 season It s an in depth look at the managing strategies and playing style of college baseball as well as a series of profiles that examine the people behind and around the CWS the players coaches and fans who keep that feeling of good old days innocence alive through their reverence for the Great American Pastime McGee also takes up residence at Rosenblatt Stadium itself reliving its rich history and tapping into the electricity around it from the tailgating fans to the surrounding neighborhoods The Blatt is America s last real connection to the baseball belief that Field of Dreams can actually happen a wooden framed ballpark with cramped concourses where teams share locker rooms change clothes in the parking lot and sign autographs for kids until their fingers cramp The Blatt is a monument to tradition and the last of its kind to keep that tradition alive Thanks to Ryan McGee s quick eye for play by play action as well as his deep love for sports The Road to Omaha is a rare glimpse into the kind of baseball our grandfather s knew a snapshot of the one of the last remaining vestiges of pure Americana a hometown baseball and the people who shape it and are shaped by it in turn
