his command including capturing the last surviving heir of Emporia and claiming him as his ward then ruling the planet through him It is a race to see who can reach the Ritza family first With Nadine coordinating the survivors evacuation from space and Jasper on the ground fighting his way across a shattered world everything rests on what happens when Emporian and enemy forces collide in an epic battle and the winner takes all in this explosive conclusion to the Rogue Academy trilogy

**China's International Socialization of Political Elites in the Belt and Road Initiative** Theodor Tudoroiu, with Amanda R. Ramlogan, 2020-10-05 This book argues that China's international socialization of the political elites of Belt and Road Initiative BRI partner states is an exceptionally effective instrument of China's current foreign policy It shows how the BRI related process of socialization generates shared beliefs in the legitimacy and therefore in the acceptability of a Chinese international order among target elites and how in turn the policies and actions of states controlled by these elites tend to become aligned with the norms taught by the Chinese socializer It goes on to show how this serves the interests of China's government firms and citizens at national regional and global levels and how the resulting increased support for Beijing's version of the international order creates a virtuous circle that further enhances China's international position and potential
