Letters from the Infinite Deborah L. Johnson,2002 **Early Letters** Chiara Lubich,2012 Chiara Lubich is now being called a great Catholic mystic of our times In these letters we encounter this mystical side of Chiara who is also the bearer of a charism a gift from the Holy Spirit in response to the special needs of the Church and of the world Chiara s charism is unity the unity that Jesus asked for us from his Father May they all be one as we are one I in them and you in me so that they may be brought to complete unity Jn 17 22 23 Chiara saw God s love in everyone and everything The light of this discovery enveloped her and she felt like she was at the center of the Father s love This discovery is at the foundation of Chiara s spirituality which emerges from these early letters They were written to the young women and others who were drawn by the way she presented the Christian life as a response to God s love which was shown to her in Jesus most especially in his abandonment and death on the Cross In these letters the God that Chiara invites us to believe in is Love The conversion she asks of us is a conversion to Love Often using the language and style of the saints and mystics of other ages like Saint Catherine of Siena and Saint Francis of Assisi Chiara communicates her burning desire that Love be loved that all the world be set ablaze by the fire of Love Her words are full of fervor but also simplicity and practical common sense How should the author be introduced Well in the back cover of this book of 147 pages there is a section introducing the author that I find fascinating The New York Times described Chiara Lubich as one of the most influential women in the Catholic Church As the

president of the Focolare Movement Italian born Chiara Lubich was a renowned religious leader and writer She a prolific writer had published over 50 books in 29 languages with more than one million copies sold As a book of spirituality in the form of a collection of 60 letters written to many people spanning from 1944 to 1949 it is not easy to grasp the important themes of this book Therefore the letters are grouped into four parts with distinguished titles as follows 1 Whoever does not love does not know God for God is love 2 For I decided to know nothing among you except Jesus Christ and him crucified 3 I have come to bring fire on the earth and how I wish it were already kindled 4 Whoever is near me is near the fire Lubich s mystical experience can be traced to her intimate dwelling in God As result she has special spiritual insights expressed in her letters in the following subjects love suffering abandonment and unity Lubich attempts to help her friends to closely follow Jesus Christ in whatever their situation and circumstances Who are the audience of these letters Originally the recipients of these letters are the readers However after the publication of this book all readers of this book become the audience With the words of encouragement in this book readers are uplifted spiritually because as followers of Jesus Christ we all follow our model example sample Jesus Christ Alan L Chan Canaan Chinatown Christian Church Las Vegas NV USA **Letters From Languedoc** Howard Burton, 2021-03-24 In this engaging epistolary memoir Howard Burton describes his early experiences of moving with his family to a medieval hilltop village called Le Pouget in Languedoc after years of running Perimeter Institute for Theoretical Physics in Canada The Languedoc region is sometimes referred to as the real South of France thanks to its largely unspoilt breathtakingly beautiful countryside traditional wine making villages and slower pace of life This delightful book details what it is really like to move to France and try to build up a new life in a culture that Howard and his family thought they were familiar with until they encountered countless surprises some positive and some negative *Yes, But Not Quite* Dwayne A. Tunstall, 2009-08-25 This book contends that Josiah Royce bequeathed to philosophy a novel idealism based on an ethico religious insight This insight became the basis for an idealistic personalism wherein the Real is the personal and a metaphysics of community is the most appropriate approach to metaphysics for personal beings especially in an often impersonal and technological intellectual climate The first part of the book traces how Royce constructed his idealistic personalism in response to criticisms made by George Holmes Howison That personalism is interpreted as an ethical and panentheistic one somewhat akin to Charles Hartshorne s process philosophy The second part investigates Royce s idealistic metaphysics in general and his ethico religious insight in particular In the course of these investigations the author examines how Royce s ethico religious insight could be strengthened by incorporating the philosophical theology of Dr Reverend Martin Luther King Jr and Emmanuel Levinas s ethical metaphysics The author concludes by briefly exploring the possibility that Royce s progressive racial anti essentialism is in fact a form of cultural antiblack racism and asks whether his cultural antiblack racism taints his ethico religious insight *The Letters of Saint Teresa of Jesus of the Andes* St. Teresa of Jesus of the Andes, 2023-05-25 Teresa of Jesus of the Andes Juanita Fern ndez Solar became the first Chilean saint when she

was canonized in 1993 by Pope St John Paul II In 1919 she entered the Discalced Carmelites of Los Andes at age eighteen and died only eleven months later An inspiration to young people she lived a vibrant social life amid school sports music and friends all the while being completely devoted to her faith This volume first published in 1994 contains the 164 letters of the saint translated by Father Michael Griffin O C D Despite her unusually brief life Saint Teresa s collected letters have become a source of great spiritual enrichment and inspiration to many They capture the saint s personality and share her major concerns namely her desire for union with God no matter the cost Also included are a full chronology of her life and a thematic and explanatory introduction to the letters written by the translator *Yes You Can! - 50 Classic Self-Help Books That Will Guide You and Change Your Life* Napoleon Hill,Wallace D.
