Festivus Nolan Collins, 2012-02-29 ABOUT THE BOOK For a show about nothing Seinfeld lasted quite a long time It started in 1990 then 172 episodes later it had become a staple in American culture forever Phrases like yada yada and master of my domain are just a few things that this prolific television show left behind after a nine season run The puffy shirt from the third episode in season 5 even made it into the National Museum of American History Not bad for a 30 minute sitcom One of the show's more interesting contributions to our culture though is the holiday named Festivus Festivus is only mentioned in one episode but has gathered quite the cult following It is talked about searched for and even celebrated during the holiday season When episode 10 of season 9 The Strike aired on December 18 1997 nobody knew that Festivus would live have such a lasting impact The lore behind the creation of this holiday is almost as interesting as the actual celebration MEET THE AUTHOR Nolan grew up in South Carolina and attended the great University of South Carolina in Columbia After graduation he packed everything up and moved to the entertainment capital of the world Los Angeles EXCERPT FROM THE BOOK Airing of grievances Think of your last Thanksgiving celebration when you sat around the dinner table and discussed what you were thankful for Well Festivus has a very different feel The Festivus dinner is a time when you can let everyone at the table know what they have done to upset you throughout the year This takes place in an

orderly fashion and starts with the head of the household These sessions are the main things that are recorded via cassette tape This is not something that was added to Festivus for The Strike it was a real part of the O Keefe family Festivus celebration Feats of strength This is the final event in the Festivus celebration In the feats of strength the head of the household is allowed to pick someone to wrestle with That person must pin the head of the household or Festivus isn't over Jerry learns as he's talking to George in the coffee shop that this portion of Festivus usually ended with George crying In The Strike Kramer is initially picked to wrestle with Frank but when Kramer decides to go back to work saying that Festivus is out there George has to step up and do it He doesn't want to but Frank tells him to stop crying and fight your father Buy a copy to keep reading The iPINIONS Journal Anthony Livingston Hall, 2019-02-27 Current Events Hall takes aim at the global events of 2018 with a unique and refreshing perspective Topics in this volume include the following President Trump displaying brazen hypocrisies Complaining about Trump's hypocrisy is like complaining about a prostitute's promiscuity The Catholic Church covering up sins of pedophile priests These putative men of God cannot believe God exists They must reason that if he did he would have stopped priests from systematically abusing children long ago After all what God would allow a criminal sex cult to flourish as a holy church in his name Tiger Woods failing to win another major Tiger is becoming to PGA players what Hugh Hefner became to LA players the most popular guy in the game who everyone knows can't do it anymore Caribbean leaders condemning shithole Trump Haitian migrants pose a heavy unsustainable burden for the relatively small and poor countries of the Caribbean This explains why even though none have called Haiti a shithole some Caribbean leaders have treated Haitians like shit Meryl Streep hailing Harvey Weinstein as God That she said this is as much an indication of how far Weinstein has fallen from grace as it is an indictment of how much even Streep was beholden to his power and influence Europeans doing more than Africans to solve Africa's migrant crisis Only a symbiosis of European colonial guilt and African umbilical dependence explains why Research showing the health benefits of bread No less an authority than the Bible decreed that bread and water are the staff of life Which is why I hereby curse Atkins and his spawn of ketogenic false prophets in the name of God Trump continuing bromance with Putin despite bipartisan criticism Trump is behaving like a teenage girl who was reprimanded by her parents for sneaking out for a booty call with a notorious bad boy And she responds by sneaking that bad boy into her bedroom and ends up pregnant Asian Marine Biology 18 (2001) Brian Morton, 2003-06-01 This is the annual journal of the Marine Biological Association of Hong Kong It contains papers on marine subjects of interest to all Asian biologists The Synaptic Gospel Christopher D. Rodkey, 2012-01-06 In this book Christopher D Rodkey asks how the brain worships and responds by engaging ideas from neurological science philosophy ritual theory and religious education From this exploration two new paradigms for pastoral ministry emerge First Rodkey proposes a pan generational principle advocating an empathy based approach for fostering faith communities a principle that is radically inclusive to all generations Second Rodkey argues that worship and religious education should converge to

include a shared goal of teaching individuals to live liturgically In The Synaptic Gospel Rodkey argues that living and thinking liturgically are learned behaviors that may be promoted through pan generational worship The book concludes with a special emphasis on practical suggestions for youth ministry The Synaptic Gospel will prove to be a useful theoretical tool for pastors religious educators youth ministers church music professionals and seminary students
