## **The Real Moses And His God:**

*The Real Moses and His God* August Hunt, 2011-07-01 Moses and the religious revolution he instituted in the Sinai have long fascinated theologians archaeologists and the general public Countless theories have been proposed seeking to identify the founder of Judaism with known historical personages His god has likewise been subjected to a great deal of speculation But none of the candidates for this most enigmatic of Old Testament heroes have stood the test of time and scholarly scrutiny Nor have countless studies done much to add significantly to our understanding of the nascent Yahweh cult In this controversial study August Hunt makes his case for the first historically plausible Moses At the same time he reinterprets the events leading up to and including the Theophany from a syncretic Egyptian Hebraic standpoint This process yields a startling discovery on the very nature and significance of the divine being who became God for much of the Western world Added to the investigation of Moses and Yahweh is a treatise on Plato's Lost Continent A story that in the past has been perverted into a multitude of nonsensical and outrageous fantasies that of Atlantis proves to be not something the Egyptian priests of Sais placed long before the life of Solon but is in fact to be understood as a retrograde prophecy of events that had unfolded not long before Plato used the tale for philosophical purposes As a result the real Atlantis can be revealed its chief city described in detail and its bull deity discussed in the context of ancient Elam and Sumeria

Onumbu, 2010-04-29 The messages in this powerful spiritual book invite strong opinions since the book seemly a JUDGMENT BOOK FOR ALL HUMAN RACE Church is a daycare is a revelation of the lost information in the theology studies Churches are not a kingdom of God and a Kingdom of God is not a kingdom of man The Kingdom of Ceasar belongs to Ceasar and his children and the kingdom of God belongs to God and his children Jesus said give to Ceasar what belongs to Ceasar and Give to God what belongs to God This book will help you to know where you belong Are you of Ceasar or are you of God The Kingdom of Ceasar is not a Kingdom of God The hour has come when the true worshipers of God will worship in spirit and in truth Get this book to help you know who you are The Chapters in this wonderful book are Chapter 1 The Beginning Chapter 2 Adam and Eve Chapter 3 The Flesh Eating Behavior Chapter 4 Churches and Their Divisions Chapter 5 Religious Leaders Chapter 6 Jesus Christ and His Birth Chapter 7 How to Follow Christ Chapter 8 The Walk of the Holy Spirit Chapter 9 The Crop of Their Drain MONEY Chapter 10 The Holy Marriage Chapter 11 The Stream of Love Chapter 12 Where is Heaven Chapter 13 Who Are You Chapter 14 Death is a Transfer Chapter 15 Effective Prayer Chapter 16 Cash Flow      'The Real Scriptures' of God James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be

considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language
