LaHaye, 2014-12 *The Remnant* Tim F. The Remnant Tim LaHaye, Jerry B. Jenkins, 2011-03-16 Nicolae Carpathia has his enemies right where he wants them massed at Petra a million strong The Trib Force s aliases and even their safe houses have been compromised forcing Rayford Buck and all the members to flee for their lives while trying to maintain their overt opposition to the Antichrist All pretense is gone even on the part of the Antichrist as the planet hurtles toward the ultimate showdown between good and evil A repackaging of the tenth book in the New York Times best selling Left Behind series **The New Brothers Grimm and**

Their Left Behind Fairy Tales David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil Our American Israel Amy Kaplan, 2018-09-17 How did a Jewish state come to resonate profoundly with Americans in the twentieth century Since WWII Israel s identity has been entangled with America s belief in its own exceptionalism Turning a critical eye on the two nations turbulent history together Amy Kaplan unearths the roots of controversies that may well divide them in the future Embracing Eternity Tim LaHaye, Jerry B. Jenkins, Frank M.

Martin, 2004 Left Behind Daily devotion 398 pages *The Regime* Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the

stage is being set for the cataclysmic event that will change the world forever **Babylon Under Western Eyes** Andrew Scheil, 2016-05-09 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon's remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon's significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture The Paperback Apocalypse Robert M. Price, 2011-04-26 The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture the Second Coming the Antichrist and Messianic prophecy and explains the popularity of the books *Glorious Appearing* Tim LaHaye, Jerry B. Jenkins, 2004 The satisfying conclusion of the seven years of tribulation covered by the Left Behind series portrays the return of Jesus Christ to earth in both glory and judgment *Evangelical America* Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement's influence internationally in key issues such as human rights environmentalism and gender and sexuality **Apocalypse Dawn** Mel Odom, 2011-05-13 2004 Christy Award finalist From the decks of U S Navy carriers patrolling the Mediterranean to Fort Benning Georgia and the dusty sands of the Turkish Syrian border this new suspense thriller runs side by side with the phenomenal series that has sold more than 50 million copies New characters and situations are added to those from the already explosive Left Behind series to raise the tension to a fever pitch With technical accuracy from the same people who create best selling military thrillers this new series will satisfy the fans of the original Left Behind series who are looking for more **Encyclopedia of American Popular Fiction** Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on

American authors and their works who have been ignored by most literary guides **The Left Behind Fantasy** William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense **Plotting Apocalypse** Jennie Chapman, 2013-09-13 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics *Rapture, Revelation, and the End Times* B. Forbes, J. Kilde, 2004-06-12 An indispensable exploration of the runaway bestselling series From Left Behind to Glorious Appearing the books in the Left Behind series have sold over 60 000 000 copies worldwide and their popularity continues to grow What makes the books about the apocalypse so popular What is it about the end times that fascinates millions around the globe And what does the Bible really say about the end of the world In Rapture Revelation and the End Times six experts gather to answer these provocative questions and more guiding readers through the different Christian millennialist views and how they developed They explore the historical biblical social and political issues raised by the Left Behind series religious perspective present broad questions that curious readers might ask and encourage us to reflect on
