The Runaway Pastors Wife:

The Runaway Pastor's Wife Diane Moody, 2011-02-01 What could possibly drive a pastor's wife to run away from home After years of frustration from life in a church fishbowl Annie McGregor walks away from it all and boards a plane for Colorado She has no way of knowing her college sweetheart is headed to the same cabin in the Rockies terrified and gravely wounded Their unexpected reunion couldn't have come at a worse time Or could it Bewildered that God would allow Michael Dean to walk back into her life Annie pleads with Him to keep her heart true to her husband and her family God answers her prayer but in a way she would never expect Written by a former pastor's wife Annie's story provides a rare look inside the family life of those in the ministry particularly the unique pressures on those who marry men of God [The Runaway Pastor](#) David Hayes, 2013-06 We live We love We doubt We believe We suffer The ride can be confusing even frightening And sometimes we run While it may be true that no two journeys of faith are alike Pastor David Hayes hits on essential common conflicts within each of us between ourselves our families and God Pastor Hayes has never been afraid to let his heart speak whether from the pulpit at his blog site or alongside a friend in pain which I have been The Runaway Pastor is a fictional vessel for this gifted communicator to surface a message of truth that resides deep within our hearts and resonates with those of us who wish to somehow find and know grace Jeff Stoffer author screenwriter editor American Legion Magazine The truth was he had sold out It was the coward's way But it was at least a way out His head was spinning as he boarded the red line just down the street from the hospital He was headed toward the city center Trent needed to get lost and he had a plan Besides the way he saw it he was already lost Long lost Trent Atkinson and his wife Natalie played the role of the perfect couple yet their long drift away from friendship and intimacy had left them cold toward one another Trent's passion for authentic faith loving people and changing the world had been shoved to the side by his real job to be a CEO and manager of church business It's what all the church leadership books taught him and it was all there in black and white on the job description handed to him So Trent plots his escape His plan is so thorough and careful that neither the members of Baylor's Bend Community Church nor his wife has any idea it is coming or where he's gone **From Priest's Whore to Pastor's Wife** Marjorie Elizabeth Plummer, 2016-04-22 On 13 June 1525 Martin Luther married Katharina von Bora a former nun in a private ceremony officiated by city preacher Johann Bugenhagen Whilst Luther was not the first former monk or Reformer to marry his marriage immediately became one of the iconic episodes of the Protestant Reformation From that point on the marital status of clergy would be a pivotal dividing line between the Catholic and Protestant churches Tackling the early stages of this divide this book provides a fresh assessment of clerical marriage in the first half of the sixteenth century when the debates were undecided and the intellectual and institutional situation remained fluid and changeable It investigates the way that clerical marriage was received and viewed in the dioceses of Mainz and Magdeburg under Archbishop Albrecht of Brandenburg from 1513 to 1545 By concentrating on a cross section of rural and urban settings from three key regions

within this territory Saxony Franconia and Swabia the study is able to present a broad comparison of reactions to this contentious issue Although the marital status of the clergy remains perhaps the most identifiable difference between Protestant and Roman Catholic churches remarkably little research has been done on how the shift from a celibate to a married clergy took place during the Reformation in Germany or what reactions such a move elicited As such this book will be welcomed by all those wishing to gain greater insight not only into the theological debates but also into the interactions between social identity governance and religious practice

Indigenous Elites in Africa Serah Shani, 2021-11-29 This book investigates the formation configuration and consolidation of elites amongst Kenya's Maasai The Maasai ethnic group is one of the world's most anthropologized populations but research tends to focus on what appears to be their dismal situation analysing how their culture hinders or challenges modern ideas of economic and political development This book instead focuses on the Maasai men and women who rise to the position of elites overcoming the odds to take on positions as politicians professors CEOs and high end administrators The twenty first century has seen new opportunities for progression beyond the social reproduction of family wealth with NGOs missionaries tourists and researchers providing new sources of global capital flows The author who is Maasai herself demonstrates the diverse local national and global resources and opportunities which lead to social mobility and elite formation The book also shows how female elites have been able to navigate a patriarchal society in their journey to attaining and maintaining elite status This book will be of interest to researchers across the fields of anthropology political science international development sociology and African studies

Disgraced Suzanna Krivulskaya, 2025 Disgraced is a sweeping religious and cultural history of U S Protestant sex scandals in the nineteenth and twentieth centuries From the birth of the modern press to the advent of the internet age the book traces the public downfalls of religious leaders who purported to safeguard the morality of the nation Along the way Protestant ministers private transgressions journeyed from the privilege of silence to the spectacle of sensationalism At first hesitant to report on sexual misconduct among the clergy in order to protect the reputation of Protestantism writ large newspapers embraced the genre of pastoral scandal in the 1870s when the biggest celebrity minister of the era stood trial for adultery Scandal reporting escalated in the following decades creating multiple publicity crises the likes of which continue to plague churches to this day As Protestant institutions struggled to protect their reputations in light of scandals revelations they turned to secrecy and silencing often foregoing opportunities for engaging in productive reckoning with the problem of sexual hypocrisy among their clergy Sex scandals it turns out have not been mere aberrations in the history of modern Protestantism they have in fact been constitutive of its development Using the understudied intersection of scandal and religion Disgraced explains how the persistence of stories about misbehaving Protestant ministers allowed the press to compete with the pulpit as a source of moral authority forced denominations to confront the problems that scandal exposed and emboldened sustained public scrutiny of religious piety

Katharina and Martin Luther Michelle DeRusha, 2017-01-31

The Preacher's Wife Kate Bowler, 2020-09-15 Although most evangelical traditions bar women from ordained ministry many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries The biggest stars write bestselling books grab high ratings on Christian television and even preach Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male-dominated faiths And black celebrity preachers' wives carry a special burden of respectability A compelling account of women's search for spiritual authority in the age of celebrity adapted from jacket

Pastors, Partners and Paternalists Colin Reed, 2016-05-18 A study tracing the relationships between missionaries and African Church workers in Kenya in the years 1850-1900 as missionaries increasingly adopted imperial assumptions of Western superiority It tells the story of the first Anglican clergy in Kenya their wives and colleagues their rescue from slavery their education in India and their subsequent work in East Africa It demonstrates their contribution to the rapid growth of the Church and of indigenous Christian communities Yet later missionaries were not willing to accord to the Africans the position they had a right to expect The book recounts their protest and the development of a Church order Similar events in West Africa have been documented but this is the first time such a pattern in East Africa has been outlined

Sacred Refuge Lynne Rienstra, 2024-10-15 What if the soul-safe space you long for turned out to be what God most longs to give you What if your crisis is the portal that takes you there The world is broken Wars shake the earth natural disasters upend communities crises hit our marriages and families churches crumble under moral failure sickness wracks our bodies More than ever we feel the effects of living in a fallen world When crisis hits our instinct says retreat But have we considered where we've been hiding Is it in a flimsy shelter of our own making What if you could find a place where you feel soul-safe where even the worst that life dishes out cannot shake your faith or steal your peace but steels your peace A place so deeply rooted in the presence and love of God that nothing can move you In the pages of *Sacred Refuge* meet ten modern and ten biblical women who stare in the face of

homelessness and hunger life threatening illness the loss of a child debilitating sin life altering rejection and untimely death Across space and time author Lynne Rienstra invites you to join this sisterhood and learn from their fears mistakes and triumphs To enhance your journey she adds biblical teaching ten Transforming Truths application questions encounters with Jesus and a study guide Step out of your isolation as these women did and into Christ s sheltering embrace Learn how to live there as your permanent dwelling place Invite others to share this sacred refuge And begin to change the world Swing Low, volume 1 Walter R.
