## **The Sages Volii From Yavne To The Bar Kokhba Revolt:**

**Bar Kokhba** Lindsay Powell,2021-11-24 This biography of the ancient Jewish military leader examines how he mounted a years long revolt against Rome that changed the course of history In AD 132 a bloody struggle began between two determined leaders over who would rule Judea One was the powerful Roman Emperor Hadrian who some regarded as divine The other was Shim on known today as Bar Kokhba a Jewish military commander in a district of a minor province who some believed to be the King Messiah In Bar Kokhba ancient historian Lindsay Powell examines the clash between these two men and the two ancient cultures they represented In the ensuing conflict the Jewish militia resisted the onslaught of the professional Roman army for three and a half years They established an independent nation with its own administration headed by Shim on as its president The outcome of that David and Goliath contest was of great consequence both for the people of Judaea and for Judaism itself Drawing on archaeology art coins inscriptions militaria as well as secular and religious documents Lindsay Powell sheds light on Bar Kokhba s singular life and legacy She also describes her personal journey across three continents to establish the facts Jews and Judaism in the Rabbinic Era Isaiah Gafni,2019-01-04 This

collection of essays by Isaiah M Gafni reflects over forty years of research on central issues of Jewish history in one of its formative eras Questions relating to representations of the past beginning with Josephus but primarily in rabbinic and post rabbinic literature represent an axial theme in this volume Throughout the collection the author addresses the tension between realities on the ground and the historiography that shaped the image of that reality for all subsequent generations Two specific clusters of studies analyze the emergence and development of the Babylonian rabbinic community as well as the complex relationship between the Judaeans centre and the Jewish diaspora in Late Antiquity A final selection of essays examines the impact of modern ideologies and revised methods of research on the image of Jewish life and rabbinic leadership in late antique Judaism

**Are You Not a Man of God?** Tova Hartman,Charlie Buckholtz,2014-01-24 Are You Not a Man of God challenges the accepted readings of several iconic supporting characters from canonical stories of Jewish tradition These characters have been appropriated throughout history to represent and reinforce central cultural values the binding of Isaac and the religious value of sacrificing relationship for a higher purpose the biblical Hannah appropriated by the rabbis as an archetype of the spirit and practice of prayer the Talmudic Beruriah and the significance of women s learning and knowledge and the struggle for intellectual autonomy of the rabbis of the Talmudic story known by its tag line It is not in heaven Tova Hartman and Charlie Buckholtz make use of religious psychological philosophical and literary perspectives to bring these characters to life in their multiple incarnations examining their cultural impact and varied symbolic uses These are texts that have been studied widely with characters that are known well This study shows however that the dominant interpretations mask darker more insightful and ultimately more critical dimensions of these important figures Hartman and Buckholtz discover muted voices of personal betrayal and criticism that resonate as damning social

critiques of the rabbis themselves These critiques often highlight the ways in which cultural authorities use and abuse their power revealing the implications of these moral failings on their legitimacy as communal leaders In these voices of social criticism the rabbis evince an awareness of their own vulnerability to such abuses and failings as well as their hurtful marginalizing effects on members of less powerful social groups
