The Rapture Was Real And You Were Left Behind Now What:

The Rapture Was Real Ezekiel DuBois, Clare DuBois, Carol Jennings, 2015-10-29 What WAS the Rapture Anyway And Who Was it For Prophetic Message to My Bride September 1 2014 The Lord is calling His Bride or His potential Bride to repentance She s not ready for the Rapture And He is wanting to prepare her And as I have shared in a previous teaching part of the reason the economy in this country is slumping and the Lord is allowing it is to get His Bride back from the world To get her mind off of the things of the world and onto Him So you know we have a lot of prosperity Christians in this country people who talk about prosperity that you re not really a successful Christian if you don t have the faith to be prosperous Nothing could be further from the truth because prosperity and money was the last thing on the Lord s mind in the New Testament In the Old Testament it was sometimes a mark of favor from God but in the New Testament the Lord set a standard He didn t choose to be born as a king or a prince or to live like a king or a prince He chose a simple life an unpretentious life A life that was not entrenched in the things of the world So He s looking for a Bride who resembles Him And as I examine my heart every day before the Lord and I realize the areas where I fall short I m writing those things down for you as well Because I think we can help each other by recognizing some things about ourselves and sharing them *The Left Behind Collection* Tim LaHaye, Jerry B. Jenkins, 2014-09-26 All 12 books in the New York Times bestselling series Over 63 million copies sold Are you ready for the moment of truth Mass disappearances Political crisis Economic crisis Worldwide epidemics Environmental catastrophe Military apocalypse And that s just the beginning of the end of the world This is the most successful Christian fiction series ever Publishers Weekly Tim LaHaye and Jerry Jenkins are doing for Christian fiction what John Grisham did for courtroom thrillers Time Combines Tom Clancy like suspense with touches of romance high tech flash and biblical references New York Times Wildly popular and highly controversial USA Today Call it what you like the Left Behind series now has a label its creators could have never predicted blockbuster success Entertainment Weekly Contains the following titles 1 Left Behind 2 Tribulation Force 3 Nicolae 4 Soul Harvest 5 Apollyon 6 Assassins 7 The Indwelling 8 The Mark 9 Desecration 10 The Remnant 11 Armageddon 12 Glorious Appearing *The Morning After* Patricia Harper Boatwright, 2024-01-22 The Morning After is a book inspired by a play I wrote in the 70s This book is based on events that could happen in a person s life if the Rapture of the church took place The Rapture is an event that could happen at any moment According to Bible prophecy nothing is left to fulfill that would keep Jesus Christ from coming back to take his children home In a moment in the twinkling of an eye 1 Corinthians 15 52 For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord 1 Thessalonians 4 16 17 This book is fiction but it is written around true events of the book of Revelation and end time prophecy It is about a man Charles Charlie David Dalton Its setting is in a small town called Green Clover

Tennessee fictional Charlie has found himself left behind after the Rapture of the church The book takes you through events of the Great Tribulation that Charlie and others must endure because they too have been left behind This book will take you through the seven years of the Great Tribulation with all the heartbreaks sorrow pain and agony of this time period The characters in this book find themselves fighting for their lives and their struggles of being Christians during the Great Tribulation My prayer is that you will open your heart and allow God to touch you with the words of this story The tone of this book is very mild compared to what is really going to happen during this time There is no way one can actually capture the events that will unfold during the Great Tribulation One would definitely not want to be on the earth during this seven year period the Bible speaks of as the Great Tribulation Remember you do not want to find yourself in the position that Charles Charlie David Dalton found himself on the morning after

The Rapture, Now What? Rev. Robert Lee Baldwin, 2020-01-10 Millions and millions have disappeared around the world Where did they go Will it happen again What's next These are just some of the questions that our lost family and friends might have while they search for answers to what has happened Though the rapture hasn't taken place yet we Christians look for Jesus's return any day now this book is intended for those left behind when they come searching for answers There it will be lying on a coffee table kitchen table wherever in plain sight so when our family comes looking for us and have questions to be answered there it will be Take out of the book of Revelation what is now happening and for the next seven years and to let them know what we all have told them But there is still hope for them maybe it will lead them to the Bible and most importantly to Jesus This book may also be used to evangelize the gospel to let them know they can repent now while there is time and pray they're counted worthy to escape all these things to come on this earth and before the rapture Now what

LIVING IN THE LAST DAYS Carol McCormick, 2022-02-09 *LIVING IN THE LAST DAYS* An in depth look at Bible prophecy current events and how they relate to

you unpacks the book of Revelation and other end time prophecies In this book you will discover the possible meanings of symbols the identity of the two witnesses profiles of the Antichrist and the false prophet what the Mark of the Beast could be and how it may be enforced the Second Coming of Christ at the battle of Armageddon and much more You will also see how modern technology widespread pandemics and world leaders are setting the stage for prophecy to be fulfilled Throughout this book the Bible is used to interpret itself to unravel the timeline and tie it together with current events to prove that we are truly Living in the Last Days before Christ returns If Bible prophecy is new to you this book will fill in some of the blanks and help you understand and prepare for these events If you are knowledgeable of end time prophecies you may also find new things to explore

READERS FAVORITE BOOK REVIEW by Leonard William Smuts 5 Stars Living in the Last Days is an in depth analysis of the Christian Bible on the subject backed by considerable research and some fresh interpretations of the scriptures Internationally acclaimed author Carol McCormick underlines the traditional wisdom of Christian teachings while relating them to present worldwide political and spiritual trends The rise of the Antichrist and the Mark of the Beast are dealt with in detail with new insights provided The information regarding The Great Reset and its agenda is a significant departure from the conventional approach to End Times predictions This is highly relevant as digital technology smart bank cards and a host of electronic devices already enable intrusive surveillance and allow the tracking and control of individuals Further danger threatens in the form of a one world government a single world currency and combined religions which will undermine traditional Christian beliefs and suppress opposition These modern phenomena are compared to biblical predictions and a remarkable match is apparent sounding an early warning of troubled times ahead Christians will have to stand by their beliefs and preparation is essential The book is aimed at a wider audience than practicing Christians and the author reminds readers that it is for all people particularly the lost

God's Events, Now and Forever Miss Nan, Nan Thompson, 2009-05 Are we living in the end times The condition of the world today would seem to suggest that we indeed may be As a result this book is quite timely It presents God's events in an easy to understand manner The beginning prophecy student as well as the advanced student can study this book and have a better understanding of God's events now and forever and a better understanding of how our Lord Jesus fits into the picture MISS NAN spent many years in the educational field She started as an English teacher moved into administration and served as president of a private junior college in Jackson Mississippi for twenty years a position from which she retired in 1995 It was in Jackson that she found her true calling teaching the Word of God in a local church Colonial Heights Baptist Church Soon after becoming a member she began to teach Sunday School first to older women and currently to younger women during a span of over thirty years Throughout the years she has taught men and women of all ages in other Bible studies particularly studies concerning end times Soon after she began to teach prophecy she came to understand that no one book tells the whole story God's events now and forever are presented from Genesis through The Revelation of the Lord Jesus Christ She has pieced together God's

plan by consulting the whole Bible Some people may not hold all the views Miss Nan has presented but it is important to understand that she wrote what God laid on her heart as she studied His Word Leaves of Healing ,1928 *The Arrow of a Second Chance* Maritza Oliveras,2023-05-03 Maritza is a single mother of one beautiful girl She struggled most of her life with mental health issues caused by physical emotional and sexual abuse Throughout her journey she faced betrayals abandonments bullying homelessness grief through failed relationships loss of jobs and family members She was led by all her emotional pain causing her to lose her identity As she came into her darkest valley she discovered an arrow that led her to repentance and surrendered her heart to Jesus Facing her truth was painful but long overdue It was a liberating experience for the truth has set her free and now walking in a healing journey shining her light of hope to the world What once was dressed in darkness now is light What once was dressed in pain and loss of hope it s now her strength of redemption For all those who come from the same place of darkness she hopes to be the compass that leads them to God so they can find the salvation love grace mercy liberation healing and redemption they have longed to find **Bombshell 201x** Richard P. Crandall,2013-05 This is my second book My first book They All Told the Truth describes how I developed an advanced physics theory of matter and energy that unifies all the other mainstream physics theories It is truly and correctly the long sought after grand unified field theory It was calculated mathematically using legitimate and accepted physics methods Years later I was bored one day and just happened to pick up a tattered Christian Bible and was browsing through the Book of Revelation I was so shocked at what I saw that I fell out of my chair I saw that the essential physical numbers from my new physics theory were all in there and were repeated over and over and over Like a message There was exact correspondence as there were no numbers missing nor were there extra numbers that didn t belong with one exception which was the number 666 I had stumbled upon the greatest discovery in modern history The implications are enormous as they prove scientifically physics that God and Jesus are real because their signatures are in there No one else during those times that the various Bible books were written could have possibly known to put those specific numbers in there Religion and science will now be unified from this time forward starting from here http://richard_crandall.tripod.com *Too Late* Jynean E. Chandler,2022-01-14 Young Stacie is a typical fifteen year old girl who thought she had plenty of time to give her heart to the Lord Little did she know that the decision she made would drastically change her life forever Her mother warned her that the rapture could happen any day and Pastor Ray preached a powerful sermon about the rapture on that fateful Sunday morning Did Stacie wait too late Even though this book is a fictional novel the theme of it rings true One day in the near future the rapture of the church is going to take place This is the next event on God s prophetic calendar where millions of people will vanish from the face of the earth In the Bible 1 Thessalonians 4 16 17 says The dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord It is also described in 1 Corinthians 15 51 58 The aftermath of the rapture will bring great

distress and turmoil for all unbelievers who are left behind Their lives will suddenly change as they are plunged into the seven year tribulation period and the new world order The Antichrist will make his appearance and force both small and great to accept his mark or be martyred The decision is yours Will you make a choice to accept Jesus Christ as Lord and Savior of your life Or will you be too late **The End Is Now** Rob Stennett,2009 The Hendersons struggle with family difficulties including fears for their safety mother Amy s certainty that God meant more for her life son Will s perplexity over fifth grade and daughter Emily s determination to be homecoming queen **The Redeemer's Return** Arthur Walkington Pink,1918 *The Strong Road to Heaven* Sandra Ann Cormier,2012-05-10 Saint Sandra is the chosen one of the spirit of the prophecy of the coming of Jesus Jesus will address the world through Saint Sandra To witness Jesus three times as well as two angels these miracles are so amazing All of Saint Sandras miracles will sweep you off your feet Something was floating in Saint Sandras bedroom Saint Sandras leg was healed on heavens time To get your spirit to heaven and not to hell is the way of this book Saint Sandra has witnessed many different encounters in hell Jesus wins over evil THE MAN OF GOD GODSWORD GODSWILL ONU, Armageddon Now Jim Willis,Barbara Willis,2005-09-01 Covering all doomsday prophecies whether by fire or ice bang or whimper asteroid or alien act of God or human folly Environmental disasters ebola outbreaks war in the Middle East political riots and upheavals may all be signs that the end times are coming The timeless notion that the end is near is once again exerting a powerful influence on politics religion and pop culture Omens and prophecies asteroid collisions and nuclear war global warming and virus pandemics alien intervention act of God or human folly doomsday prophecies abound within the pages of Armageddon Now The End of the World A to Z as we speculate how we might soon greet the eve of destruction From alpha to omega and predictions from Nostradamus to the ancient Mayans this tome is packed with 200 entries 100 illustrations and an extensive index Satan saints survivalists and evangelical preachers known for their views on biblical prophecies receive their due The End has never been so thoroughly covered as in Armageddon Now It s the last word for the end user So don t be left behind Save yourself by buying this book **God's New Beginning Will Get Us Through the Storm** Angie Weatherstone,2022-11-04 God s New Beginning Will Get Us Through the Storm explores how to enjoy your job even when bullying throws emotions into high alert status As a youth Angie struggled with her dad deserting her as a baby While battling depression something amazing happened She began to hear her name being spoken while walking with her friends Even though no one was there the voice provided her with comfort Allowing our Heavenly Father to be her dad the depression Angie battled was replaced with the joy of our Lord God s love transformed Angie from a depressed teenager to a happy young woman graduating near the top of her class Later facing a hostile work environment she leaned on God She learned to quickly forgive and financially survive around the three who wanted to financially destroy her As she ran to the cross God was there to teach her His New Beginning Without it Angie would not have made it to first base up against her two deceitful bosses and their secretary God s New Beginning is so
