## **The Return Of The Discontinued Man A Burton Swinburne Adventure:**

The Return of the Discontinued Man Mark Hodder, 2014-07-08 Explorer Sir Richard Francis Burton and poet Algernon Swinburne return in a new series of wildly imaginative steampunk adventures SPRING HEELED JACK IS JUMPING BACK It s 9 p m on February 15 1860 and Charles Babbage the British Empire s most brilliant scientist performs an experiment Within moments blood red snow falls from the sky and Spring Heeled Jack pops out of thin air in London s Leicester Square Though utterly disoriented and apparently insane the strange creature is intent on one thing hunting Sir Richard Francis Burton Spring Heeled Jack isn t alone in his mental confusion Burton can hardly function he s experiencing one hallucination after another visions of parallel realities and future history Someone or something is trying to tell him about what When the revelation comes it sends Burton and his companions on an expedition even the great explorer could never have imagined a voyage through time itself into a twisted future where steam technology has made a resurgence and a despotic intelligence rules over the British Empire

The Return of the Discontinued Man Mark Hodder, 2018-06-04 Philip K Dick Award winning author Mark Hodder continues his Burton Swinburne Adventures in an electrifying tale in which the future and the past collide and the world itself may be altered forever Years ago a madman from the future assassinated the beloved Queen Victoria which inadvertently sparked the explosion of scientific and industrial advancement that thrust England into a technological age beyond anything ever imagined And the effects of that event are about to be felt more than ever When a renowned scientist attempts to experiment on the assassin s time travelling suit he unleashes a wave of chaos and conflicting timelines resulting in blood red snow falling from the sky and the adventurer Sir Richard Burton being tormented by jarring visions of alternate realities that are somehow both unavoidable and yet changeable Time and reality may have just reached their breaking point But most disturbing of all the legendary Spring Heeled Jack has returned in several different places at the same time These numerous Jacks are all very confused very irritable and very dangerous And they are all looking for Sir Richard Burton

**The Secret of Abdu El Yezdi** Mark Hodder, 2018-06-04 Philip K Dick Award winning author Mark Hodder continues his Burton Swinburne Adventures with a steampunk adventure set in an alternate England teetering on the edge of annihilation After barely surviving his discovery of the source of the Nile explorer Sir Richard Burton returns home to fame glory and a knighthood from his highness King George V But he also receives another title King s Agent for Burton may be the only man who can save England from doom Once he is brought into the king s service Sir Richard is trusted with a shocking truth ever since the assassination of Queen Victoria those in power have been guided and advised by a spirit Abdu El Yezdi whose wisdom has brought about incredible progress and prosperity Unfortunately the voice of El Yezdi has fallen silent just as a controversial alliance is about to be formed with the Central German Confederation More suspicious still are the disappearances of a number of England s most brilliant thinkers and builders with no clue as to who is responsible Now aided by his own circle of unlikely and unconventional allies including the devilishly lewd poet Algernon Swinburne Sir

Richard must delve into the darkest reaches of both the mystical and machine worlds if England is to survive a coming storm unlike anything ever imagined      Gender and Sexuality in Contemporary Popular Fantasy Jude Roberts, Esther MacCallum-Stewart, 2016-06-03 This book explores the ways in which contemporary writers artists directors producers and fans use the opportunities offered by popular fantasy to exceed or challenge norms of gender and sexuality focusing on a range of media including television episodes and series films video games and multi player online role play games novels and short stories comics manga and graphic novels and board games Engaging directly with an enormously successful popular genre which is often overlooked by literary and cultural criticism contributors pay close attention to the ways in which the producers of fantasy texts whether visual game cinematic graphic or literary texts are able to play with gender and sexuality to challenge and disrupt received notions and to allow and encourage their audiences to imagine ways of being outside of the constitutive constraints of socialized gender and sexual identity With rich case studies from the US Australia UK Japan and Europe all concentrating not on the critique of fantasy texts which duplicate or reinforce existing prejudices about gender and sexuality but on examining the exploration of or attempt to make possible non normative gendered and sexual identities this volume will appeal to scholars across the social sciences and humanities with interests in popular culture fantasy media studies and gender and sexualities      The Rise of the Automated Aristocrats Mark Hodder, 2015 Sir Richard Francis Burton's expedition has returned from the future bringing with it knowledge of technologies that must remain secret if history is to proceed as it should However when one of his colleagues turns rogue the secret falls into the hands of the very people most likely to misuse it Betrayed Burton and Swinburne watch in horror as the Empire's elite employ the technology to secure their positions of privilege When London's parks are transformed into concentration camps artists and philosophers are declared enemies of the State and propaganda proliferates the king's agent finds himself on the wrong side of the king Can Burton and his band of hunted revolutionaries overthrow an apparently indestructible and immortal autocrat and if so at what personal cost The Spring Heeled Jack saga reaches its explosive conclusion From the eBook edition      *That Man Returns* Gerard Fairlie, 1934
