

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is a mix of orange, yellow, and blue. The overall mood is serene and inspiring.

Doing the right thing isn't always
easy – in fact, sometimes it's real
hard – but just remember that
doing the right thing is always right.

The Right Thing Easy:

The Right Thing Easy Laina Villeneuve, 2014-07-10 When Dani Blazer set aside her career as a rodeo barrel racer for teaching in a California mountain town she thought it was for love and a family All she has now is an empty home a broken heart and a young mustang that needs a slow gentle hand Hope Fielding watches the intriguing attractive newcomer with a nameless panic She's been the mother to her siblings most of her life and the choices she's made to please her family and church weren't easy She never dreamed she'd have to make them again As the long mountain winter sets in passions catch fire and two women desperately resist the choices of the heart *Cowgirl 101* Laina Villeneuve, 2020-08-01 What Jo Harding loves most about the summer is being able to retreat from annoying humans Though her friends say she'd be happier with someone sleeping by her side she insists that all she needs to be happy are her mules her dog and a trail into the backcountry She has absolutely no time to teach the incompetent if attractive newcomer Daisy Lucero is an eager student from the start Hired for work in the caf her real dream is to explore the High Sierra wilderness on horseback While she would love to earn the respect of the handsome woman who inspired her adventure she may have to settle for pestering her with songs and questions In the vast classroom of the California wilderness each woman finds herself tested Tests of perseverance for Daisy as she learns to ride and tests of patience as Jo considers whether life is about more than riding alone It doesn't take either of them long however to realize that neither one of them needs a lesson in chemistry *Always Resisting* Eric Newhall, 2024-09-12 In this memoir Eric Newhall traces his life and political evolution with a particular focus on his time inside Lompoc Federal Correctional Institution where he was incarcerated for refusing to participate in the Vietnam War Beginning with his youth in an all white neighborhood in Portland Oregon he describes his undergraduate experience at Occidental College in Los Angeles 1963 1967 his time in prison and the powerful impact that his time behind bars had on both his 34 year marriage and 44 year teaching career His memoir is a reminder that much work remains to be done that subtle racism takes many forms and can be found even in outwardly progressive families like the one in which he was raised and that the social problems examined here are even more pressing today than they were during the 1960s The book will be particularly compelling to readers concerned by the threat to democracy posed by persistent war authoritarianism and racism **Be Good To Yourself (Unabridged)** Orison Swett Marden, 2015-11-15 This carefully crafted ebook *Be Good To Yourself Unabridged* is formatted for your eReader with a functional and detailed table of contents Excerpt In order to keep himself at the top of his condition to obtain complete mastery of all his powers and possibilities a man must be good to himself mentally he must think well of himself Being Good to Oneself places the importance of a self positive attitude in our everyday lives Spread over twenty two chapters and a conversational way of writing this book would surely interest those who are looking for a well rounded successful life Dr Orison Swett Marden 1848 1924 was an American inspirational author who wrote about achieving success in life and founded SUCCESS magazine in 1897 He is often considered as the father of
