The Rise And Fall Of Arab Presidents For Life

Barbara Junisbai

The Rise And Fall Of Arab Presidents For Life:

The Rise and Fall of Arab Presidents for Life Roger Owen, 2014-11-24 The monarchical presidential regimes that prevailed in the Arab world for so long looked as though they would last indefinitely until events in Tunisia and Egypt made clear their time was up. The Rise and Fall of Arab Presidents for Life exposes for the first time the origins and dynamics of a governmental system that largely defined the Arab Middle East in the twentieth century. Presidents who rule for life have been a feature of the Arab world since independence. In the 1980s their regimes increasingly resembled monarchies as presidents took up residence in palaces and made every effort to ensure their sons would succeed them. Roger Owen explores the main features of the prototypical Arab monarchical regime: its household, its inner circle of corrupt cronies and its attempts to create a popular legitimacy based on economic success, a manipulated constitution, managed elections and information suppression. Why has the Arab world suffered such a concentration of permanent presidential government? Though post-Soviet Central Asia has also known monarchical presidencies, Owen argues that a significant reason is the Arab demonstration effect whereby close ties across the Arab world have enabled ruling families to share management strategies and assistance. But this effect also explains why these presidencies all came under the same pressure to reform or go. Owen discusses the huge popular opposition the presidential systems engendered during the Arab Spring and the political change that ensued while also delineating the challenges the Arab revolutions face across the Middle East and North Africa.

Inside the Arab State Mehran Kamrava, 2018-08-15 An in-depth comprehensive and theoretically informed examination of Arab politics of the last decade. The Arab Spring revolts of 2011 and the rise of ISIS in 2014 demand an updated analysis of the topic.

Beyond the Arab Spring Mehran Kamrava, 2014-12-15 The Arab Spring occurred within the context of the unravelling of the dominant ruling bargain that emerged across the Middle East in the 1950s. This is being replaced by a new and inchoate system that redefines sources of authority and legitimacy through various devices such as constitutions, experiences and processes, mass protests, civil wars and elections by reassessing the roles, functions and at times the structures of institutions, political parties and organisations, the armed forces, the executive and by the initiative of key personalities and actors. Across the Arab world and the Middle East, authority and political legitimacy are in flux. Where power will ultimately reside depends largely on the shape, voracity and staying power of these new emerging conceptions of authority. The contributors to this book examine the nature and evolution of ruling bargains, the political systems to which they gave rise, the steady unravelling of the old systems and the structural consequences thereof and the uprisings that have engulfed much of the Middle East since December 2010.

From Sheikhs to Sultanism Christopher M. Davidson, 2022-01-15 Muhammad bin Salman Al Saud and Muhammad bin Zayed Al Nahyan, the respective princely strongmen of Saudi Arabia and the UAE, have torn up the old rules. They have spurred game-changing economic master plans, presided over vast anti-corruption crackdowns, tackled entrenched religious forces and overseen the mass arrest of critics. In

parallel they also appear to have replaced the old sheikhly consensus systems of their predecessors with something more autocratic more personalistic and perhaps even analytically distinct These are the two wealthiest and most populous Gulf monarchies and increasingly important global powers Saudi Arabia is a G20 member and the UAE will be the host of the World Expo in 2021 2022 Such sweeping changes to their statecraft and authority structures could well end up having a direct impact for better or worse on policies economies and individual lives all around the world Christopher M Davidson tests the hypothesis that Saudi Arabia and the UAE are now effectively contemporary or even advanced sultanates and situates these influential states within an international model of autocratic authoritarianism Drawing on a range of primary sources including new interviews and surveys From Sheikhs to Sultanism puts forward an original empirically grounded interpretation of the rise of both MBS and MBZ Parameters ,2013 **The Global Obama** Dinesh Sharma,Uwe P. Gielen,2013-12-17 The Global Obama examines the president s image in five continents and more than twenty countries It is the first book to look at Barack Obama s presidency and analyze how Obama and America are viewed by publics governments and political commentators around world The author of Barack Obama in Hawaii and Indonesia The Making of a Global President Top 10 Black History Book scaled the globe to gather opinions cultural historical and political analyses about Obama s leadership style Writers journalists psychologists consultants and social scientists present their views on Obama s leadership popularity and many of the global challenges that still remain unresolved As a progress report this is the first book that tries to grasp the Obama phenomenon in totality as perceived by populations around the world with special focus on America s leadership in the 21st Century *Ben Ali's Tunisia* Anne Wolf,2023-02-21 Based on a wealth of new primary data this book offers the first account of the internal regime factors that ultimately caused the fall of Zine el Abidine Ben Ali s long dictatorship in Tunisia during the Arab Uprisings Anne Wolf s account challenges studies that focus on the role of mass mobilization alone and demonstrates that in the last decade of Ben Ali s presidency dissent within his ruling party the Constitutional Democratic Rally mounted to such an extent that followers began challenging their own powerbroker The culmination of this was a secret coup d tat staged by regime figures against Ben Ali in January 2011 an event that has not previously been uncovered Wolf proposes a new theory of power and contention within ruling parties in authoritarian regimes to explain how dictators seek to fortify their rule and foster party political stability but also when why and how they succumb to internal contention and with what effect **Arabic Thought beyond the Liberal Age** Jens Hanssen,Max Weiss,2016-12-22 A fundamental overhaul of modern Arab intellectual history reassessing cultural production and political thought in the light of current scholarship The Pitfalls of Family Rule Barbara Junisbai,2025-02-15 In The Pitfalls of Family Rule Barbara Junisbai questions the conceptual divide separating democracy from nondemocracy as well as that separating strong authoritarian rulers from weak ones Focusing on patronage endemic to post Soviet Eurasia but also present the world over she untangles the spoils agreements that bind elites to strongman presidents Incorporating multiple

case studies including an in depth investigation into Kazakhstan over the span of twenty plus years Junisbai demonstrates the power of institutional norms to hold seemingly unconstrainable rulers accountable in surprising and unexpected ways Strong autocrats can stumble even when they set in place robust pro presidential institutions while weak autocrats can endure by upholding normative contracts that elites perceive as fair and just An important lesson emerges from The Pitfalls of Family Rule not even the most personalist of regimes functions free of rules The institutions over which autocrats claim control also lay claim over them

A Concise History of the Arabs John McHugo, 2012-08-21 This brilliant and erudite history by the award winning Arabist provides vital context for understanding the contemporary Middle East Patrick Seale author of Asad The Struggle for the Middle East From Algeria and Libya to Egypt Syria and Saudi Arabia the Arab world commands Western headlines Nowhere else does the unfolding of events have such significant consequences for America And yet its complex politics and cultures elude the grasp of most Western readers and commentators A Concise History of the Arabs provides an essential road map to understanding the Arab world today and in the years ahead Noted Arab scholar John McHugo guides readers through the political social and intellectual history of the Arabs from the Roman Empire to the present day Taking readers beyond the headlines McHugo vividly describes the crucial turning points in Arab history from the Prophet Muhammad s mission and the expansion of Islam to the region s interaction with Western ideas and the rise of Islamism This lucidly told history reveals how the Arab world came into its present form why major shifts like the Arab Spring were inevitable and what may lie ahead for the region A Choice Outstanding Academic Title this accessible history is the product of wide reading hard thinking and years of direct experience of the Middle East There are lively and informative insights on almost every page Patrick Seale author of Asad The Struggle for the Middle East

When Parliaments Ruled the Middle East Matthieu Rey, 2022-02-02 An essential study of parliamentary politics in postwar Iraq and Syria before the consolidation of authoritarian rule under the Ba th Party When Parliaments Ruled the Middle East explores three main interrelated issues to clarify what happened between 1946 and 1963 in Iraq and Syria how and why a parliamentary system prevailed in both countries in the aftermath of the Second World War what social effects this system triggered and in turn how these changes affected the system and finally why the elites in both countries were unable to overcome the unrest that brought an end to both a liberal era and to a certain kind of political game Drawing on a vast array of sources and rich archival research in French English and Arabic Matthieu Rey highlights the processes of the parliamentary system in the modern era which are very common to post independence countries and to any representative regime He tackles the intersection of multifaceted political phenomena that were present in that moment in Iraq and Syria including regular elections the implementation of emergency law the freedom of the press the open expression of opinions the formation of new political parties frequent military coups and the joint exercise of power by members of the old classes and reformist newcomers Treating this period as neither an epilogue of the liberal order nor a prelude to authoritarianism and stressing the contingent improvisatory aspects

of political history Rey fundamentally questions the transitional nature of the period and in doing so proposes new ways and tools of examining it

The Politics of Presidential Term Limits Alexander Baturo, Robert Elgie, 2019-06-20 Presidential term limits restrict the maximum length of time that presidents can serve in office They stipulate the length of term the presidents can serve between elections and the number of terms that presidents are permitted to serve While comparative scholarship has long studied important institutions such presidentialism vs parliamentarism and the effects of different electoral systems we lack a comprehensive understanding of the role and effects of presidential term limits Yet presidential term limits and term lengths are one of the most fundamental institutions of democracy By ensuring compulsory rotation in office they are at the heart of a democratic dilemma What is the appropriate trade off between allowing the unrestricted selection of candidates at presidential elections vs restricting selection procedures to prevent the possibility of dictatorial takeover by presidents who are unwilling to step down In the context of a long and on going history of changes to presidential term limits and the many and varied ways in which term limits have been both applied and avoided this book explains the factors behind the introduction stability abolition and avoidance of presidential term limits as well as the consequences of changes to presidential term limits and it does so in the context of non democracies third wave countries and consolidated democracies It includes comparative theoretical and practitioner oriented chapters as well as detailed country case studies of presidential term limits across the world and over time

Contesting the Iranian Revolution Pouya Alimagham, 2020-03-19 Examines the last forty years of Iranian and Middle Eastern history through the prism of the Green Uprisings of 2009

[Routledge Handbook on Human Rights and the Middle East and North Africa](#) Anthony Tirado Chase, 2016-11-10 Recent events such as Iran s Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region s on the ground politics transnational intellectual debates and global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

Arabic Thought

Against the Authoritarian Age Jens Hanssen,Max Weiss,2018-02-15 Cutting edge scholarship on post war Arab intellectual history that challenges conventional thinking about authoritarianism religion and revolution in the modern Middle East

An Introduction to the Modern Middle East, Student Economy Edition David Sorenson,2018-10-03 This book introduces the politics of the modern Middle East which includes the countries of the Persian Gulf the eastern Mediterranean countries and North Africa It covers the major geographical regions that make up the Middle East and summarizes the post World War I history of the Middle East

Understanding The Political Economy Of The Arab Uprisings Ishac Diwan,2014-05-26 For the millions of citizens in the Arab World who came together in 2010 2011 to discover their common yearning for dignity and liberty the real revolutions only began after the wave of protests Understanding the Political Economy of the Arab Uprisings reassess the interests potential and constraints of various socio political players and their importance in the building of a constructive environment for democratic progress in the Middle East Initiated by the Cairo based Economic Research Forum and edited by Ishac Diwan this invaluable volume features contributions by Middle East academics across the world They examine the reasons behind the uprisings how democratic transitions transpire the role of Arab capitalism in the crises and how the experiences of other countries such as Indonesia Turkey and Iran can forecast where these uprisings may lead the Middle East in the years to come

Routledge Handbook of the Arab Spring Larbi Sadiki,2014-12-17 The self immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring a startling yet not unprecedented era of profound social and political upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring

Government and Politics of the Contemporary Middle East Tareq Y. Ismael,Jacqueline S. Ismael,2023-09-18 This exciting new edition of the successful textbook for students of Middle Eastern politics provides a highly relevant and comprehensive introduction to the complexities of a region in constant flux Combining a thematic framework for examining patterns of politics with individual chapters dedicated to specific countries the book places the very latest developments and long standing issues within an historical context This third edition extends its analysis to post 2015 developments in the region as well as expanding the range of pedagogical features on offer Presenting information in an accessible and inclusive format the book offers Coverage of the historical influence of colonialism and major world powers on the shaping of the modern Middle East

A detailed examination of the legacy of Islam Analysis of the political and social aspects of Middle Eastern life including alienation between the state and society poverty and social inequality and ideological crisis and renewal Case studies on countries in the Fertile Crescent Iraq Syria and Lebanon and Israel Palestine the Northern Belt Turkey and Iran and those West and East of the Red Sea Egypt and the members of the Gulf Cooperation Council A key introductory text for students of Middle Eastern politics and history at advanced undergraduate and postgraduate levels this new edition has been extensively updated to also become a timely and significant reference for policy makers and any motivated reader

The Arab Spring Five Years Later Hafez Ghanem, 2015-12-29 The dilemma felt by Arab youth was captured in Tunisia by the selfimmolation in 2010 of Mohamed Bouazizi who was frustrated by restrictions on his small street vending business His death became the catalyst for revolts throughout the Middle East The frustration had been building for some time large segments of society were denied economic progress while the middle class was squeezed and governments had cut back on services and public employment Since the series of uprisings began the debate in Arab countries has focused almost exclusively on politics and questions of national identity However economic issues are driving the agenda and real economic grievances must be addressed in order for the many transitions to succeed Hafez Ghanem gives a thorough assessment of the Arab Spring beginning with political developments since the revolutions and changes in the legal and institutional frameworks that affect economies Arab economies grew at healthy rates before the revolts but the benefits of economic growth were unfairly distributed The politically connected reaped great benefits while educated youth could not find decent jobs and the poor and middle class struggled to make ends meet Ghanem advises that Arab countries need to adopt new economic policies and programs that enhance inclusiveness expand the middle class and foster growth in undeveloped regions Key elements include strengthening economic institutions developing small businesses reforming the education system to better prepare Arab youth for the modern labor market promoting gender equality with the objective of raising female labor market participation rates and setting up programs for rural and regional development to reduce inequality and eliminate extreme poverty

The Rise And Fall Of Arab Presidents For Life Introduction

The Rise And Fall Of Arab Presidents For Life Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Rise And Fall Of Arab Presidents For Life Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Rise And Fall Of Arab Presidents For Life : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Rise And Fall Of Arab Presidents For Life : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Rise And Fall Of Arab Presidents For Life Offers a diverse range of free eBooks across various genres. The Rise And Fall Of Arab Presidents For Life Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Rise And Fall Of Arab Presidents For Life Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Rise And Fall Of Arab Presidents For Life, especially related to The Rise And Fall Of Arab Presidents For Life, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Rise And Fall Of Arab Presidents For Life, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Rise And Fall Of Arab Presidents For Life books or magazines might include. Look for these in online stores or libraries. Remember that while The Rise And Fall Of Arab Presidents For Life, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Rise And Fall Of Arab Presidents For Life eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Rise And Fall Of Arab Presidents For Life full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Rise And Fall Of Arab Presidents For Life eBooks, including some popular titles.

FAQs About The Rise And Fall Of Arab Presidents For Life Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Rise And Fall Of Arab Presidents For Life is one of the best book in our library for free trial. We provide copy of The Rise And Fall Of Arab Presidents For Life in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Rise And Fall Of Arab Presidents For Life. Where to download The Rise And Fall Of Arab Presidents For Life online for free? Are you looking for The Rise And Fall Of Arab Presidents For Life PDF? This is definitely going to save you time and cash in something you should think about.
