Tomaine,2015-07-10 In the sixth century when the Roman Empire was breaking apart and politics cultural life and even the Church were in disarray tumultuous times not unlike our own Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things The Rule of Benedict offers timeless and practical tools for living this Christ centered life today Revised and expanded 10th anniversary edition Practical down to earth writing style explains the content of the Rule of St Benedict and how to use the practices in daily life Contains historical background to the Rule and a new chapter on relationships and community Includes guide for group use **The Rule of Benedict** ,2017-06-13 This practical resource for finding peace meaning and God from the pen of a sixth century monk can help guide your own spiritual journey Many people today are realizing that the cultural focus on competition success acquisition and constant busyness is ultimately not satisfying They hunger for a way of life that has more lasting value and deeper meaning For centuries people within and outside Christianity have turned to the writings of Benedict of Nursia a sixth century monk committed to shaping a life of humility and compassion to guide their spiritual lives His Rule speaks profoundly to our contemporary search for spiritual grounding Anglican laywoman and writer Esther de Waal says that Benedict's Rule helps her know how to be human now today tomorrow and for the rest of my life This accessible introduction to the Rule of Benedict intended for readers unfamiliar with Benedictine monasticism presents the Rule as a guide to a God centered balanced approach to life It shows us how to use Benedict's wisdom to build relationships and communities formed by love and respect It offers historical background and personal reflections on Benedictine topics such as living in the present moment balance finding God in everyday life individual and community prayer hospitality and healthy approaches to work and service **A Not-So-Unexciting Life** Carmel Posa,2017-09-01 This volume written by eighteen monks nuns and lay scholars from seven countries and four continents aims to recognize the contribution that Michael Casey has made to Cistercian and Benedictine life over the past forty years Acclaimed as one of the most significant writers in the Benedictine and Cistercian tradition Casey has published over one hundred articles and reviews in various journals written more than eighteen books and edited many more books and journals He is a world renowned retreat master lecturer and formator Contributors include Carmel Posa SGS David Tomlins OCSO Helen Lombard SGS Manuela Scheiba OSB David Barry OSB Mary Collins OSB Brendan Thomas OSB Elias Dietz OCSO Constant J Mews Bernardo Bonowitz OCSO Terrence Kardong OSB Elizabeth Freeman Austin Cooper OMI Katharine Massam Margaret Malone SGS Bernhard A Eckerstorfer OSB Columba Stewart OSB Francisco Rafael de Pascual OCSO and Bishop Graeme Rutherford **Reaching for God** Roberta Werner,2013 Reaching for God is a compendium of Benedictine life and prayer for oblates It brings together in one volume the essence of Benedictine spirituality its history its relevance through the ages and in the present and a summary of the most fundamental gifts and values it offers for living a meaningful life Here the meaning and purpose of the oblate way of life is explained in a clear and encouraging way Werner offers guidance and examples of prayer to enrich any spiritual life Sister

Roberta Werner OSB having worked as a teacher caregiver and educational administrator is now the assistant oblate director at St Benedict s Monastery in St Joseph Minnesota In this role she guides an oblate discussion group contributes to oblate newsletter publications has set up an oblate library and makes the spiritual journey with the many oblates who connect with her and with the monastery in their search for God 100 Days Closer to Christ William C. Graham,2014-03-01 We all have moments of grace in our lives glimpses of God s presence and God s mystery The Word made flesh God with us inspires these moments and sometimes lets us see and feel that transformation in grace In 100 Days Closer to Christ Father William C Graham invites us to consider these moments and experience the transforming presence of God in our lives These compelling essays invite you to immersion in joyful hope dreams disciplines and promises fond embraces and quiet satisfaction plans and prospects awe and wonder The chapters consider moments of grace through encounters that resemble lectio divina inviting reflections flowing from God s word or the church s life of prayer giving flashes of insight and meaning on a pilgrim s way The essays in 100 Days Closer to Christ are meant to inspire thoughtful prayer Whether they are seasonal or attitudinal each seeks to stand before Mystery in awe wonder praise and thanksgiving **Seventy-Four Tools for Good Living** Michael Casey,2014-05-07 There is more in Benedict s Rule than meets the eye Based on the rules of life of John Cassian and Saint Basil Benedict invites us to go further back to the scriptural basis of all Christian and monastic living and pursue our spiritual journey by the guidance of the Gospel This book of reflections on the tools for good living is intended to be read very slowly one section at a time In addition to communicating reflections on each verse of chapter 4 Casey invites readers to continue the process of reflection for themselves apply what is written to their own lives draw on their own wisdom and insight and ultimately broaden their experience of monastic spirituality **A Benedictine Reader** Hugh Feiss,Ronald E. Pepin,Maureen M. O'Brien,2019-04-15 A Benedictine Reader 530 1530 has been more than twenty years in the making A collaboration of a dozen scholars this project gives as broad and deep a sense of the reality of the first one thousand years of Benedictine monasticism as can be done in one volume using primary sources in English translation The texts included are drawn from many different genres and from several languages and areas of Europe The introduction to each of the thirty two chapters aims to situate each author and text and to make connections with other texts and studies within and outside the Reader The general introduction summarizes the main ideas and practices that are present in the Rule of Saint Benedict and in the first thousand years of Benedictine monasticism while suggesting questions that a reader might bring to the texts Approaches to Monasticism in the Context of Christian Responses to Modern Culture Kevin Maddy,2022 Approaches to Monasticism in the Context of Christian Responses to Modern Culture is a study of how the values and practices of monasticism are being shaped by the shift to a cultural understanding of Christianity in modern times The values and practices of traditional monasticism are contrasted with those of various expressions of new monasticism against the background of a multicultural and fluid social environment in an effort to find some reciprocal illumination The study aims to

describe monasticism in terms of authenticity and lived religion *Conversation With Saint Benedict* Terrence G. Kardong, 2012-04-01 The Rule of Saint Benedict meets contemporary culture the connection points and the sticking points between the two are the focus of Conversation with Saint Benedict Renowned Benedictine scholar Terrence Kardong considers various aspects of modern culture that he considers worrisome and the light that Benedict's Rule might shed on them for Christians today He also takes up specific aspects of the Rule itself that he finds difficult to deal with This book then offers a rich interplay that does not shrink from recognizing both strengths and weaknesses in our culture as well as in Benedict's own ideas Among the many topics that Kardong tackles are laughter and tears security work economics monastic garb cell phones zeal hierarchy channel surfing Terrence G Kardong OSB has been a monk of Assumption Abbey in Richardton North Dakota since 1956 Since 1982 he has served as editor of the American Benedictine Review His many books include Pillars of Community Four Rules of Pre Benedictine Monastic Life and Day by Day with Saint Benedict He has also produced highly regarded translations and commentaries on the Rule of Saint Benedict and St Gregory the Great's Life of Saint Benedict **By Lamplight** Genevieve Glen, OSB, 2021-11-15 The familiar images of Word and Light break open with fresh insight in the imaginative and wise ruminations of Sister Genevieve Glen OSB From Nazareth to Emmaus psalms to beatitudes Advent to Pentecost through characters stories and prayers this nimble poet and lifelong student of Scripture takes us to new places in texts we thought we knew At turns probing humorous and inspiring these reflections ultimately help us to know more deeply the Word made Flesh Jesus of Nazareth crucified and risen the Light of the World

Transfiguration and Hope D. Gregory Van Dussen, 2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God's ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself **Saving Grace** Kirsten Powers, 2023-03-07 The CNN senior political analyst and USA Today columnist offers a path to navigating the toxic division in our culture without compromising our convictions and emotional well being based on her experience as a journalist during the Trump era interviews with experts and research on what leads people to actually change their minds Bracing elevating and essential Kirsten Powers has given us a great gift at an urgent hour Jon Meacham For years New York Times bestselling author Kirsten Powers has been

center stage for many of our nation's most searing political and cultural battles as a columnist, TV analyst and one-time participant in the thunderdome of Twitter. On a good day there will be civil disagreement. On a bad day it's all-out trench warfare, nothing but a cycle of outrage and self-righteousness. More and more, Powers finds herself wondering along with countless Americans: How are we to cope with this non-stop madness? In *Saving Grace*, Powers writes with wit and insight about our country's poisonous political discourse, chronicling the efforts she's made to stay grounded and preserve her sanity in a post-truth era that has driven many of us to the edge. She draws on lessons offered by faith leaders, therapists, theologians, social scientists and activists working for change today. She dismantles the widespread misconception that grace means being nice, letting people get away with harmful behavior or choosing neutrality in the name of peace. Grace, she argues, is anything but an act of surrender; instead, it is a kinetic and transformative force. *Saving Grace* offers a template for a different kind of America, one where we can engage with people who hold opposing views without sacrificing our values or our passionate beliefs in the causes we care about. It's a culture that embraces repentance and repair, a process through which those who have caused harm can take responsibility and work toward righting the wrongs in which they have participated. It's a place where we're empowered to see the possibility in other people, even people who are driving us nuts. Provocative, original and filled with deep wisdom, *Saving Grace* is an essential read for anyone engaged in the struggle to live compassionately in an era of relentless demonization and division. [Coenobium](#) Michael Casey, OSCO, 2021-10-15

After sixty years of living in a Cistercian community, Michael Casey combines his down-to-earth observations about the joys and challenges of living in community with an appreciation of the deeper meanings of cenobitic life, taking into account the changes in both theory and practice that have occurred in his lifetime. He invites his readers, especially monks and nuns, to reflect on their own experiences of community as a means of seeing a path forward into the future. Many of the key components of monastic community have kept the same names for more than a millennium. In an age of paradigm shift, Michael Casey invites readers to examine these essential practices of community life and to ask how they might be envisioned in a way that speaks to our contemporaries. **The Art of Winning Souls** Michael Casey, 2012-05-01

In his chapter on the procedure for the reception of new brothers, Saint Benedict makes provision for entrusting them to the care of a senior who is skilled in winning souls, who will diligently pay attention to them in everything. 58.6 In *The Art of Winning Souls: Pastoral Care of Novices*, Michael Casey, OCSO, reflects on what this means today based on his own experience and observation of the fruitful ministry of others. Here Casey focuses on the pastoral care given in the name of a monastic community to those who enter it from initial contact up to the point where their vocation has recognizably stabilized. His reflections are not intended to be prescriptive; they are rather descriptive of what he considers to be best practice as he has encountered this in his experience of many different expressions of the monastic and Benedictine charism. This book promises to serve as an indispensable resource for vocation directors, novice directors and junior directors for years to come.

Balaam's Donkey Michael Casey, 2019-01-03 Balaam's Donkey is a series of daily reflections based on the homilies preached by Cistercian monk Michael Casey over his fifty years of priesthood. What remained of the original homilies was a large box full of index cards with a few talking points on each. From there, Casey has re-created the homilies and recast them into short reflections arranged randomly for every day of the year. The range of topics discussed is broad, and the approach taken differs with each reflection, most of them colored with a touch of Casey's whimsy and good humor.

The Longest Psalm Michael Casey, 2023-09-29 As the longest Psalm in the Bible, Psalm 119 comprises 176 verses. Its message sings the praise of Israel's Law and describes how the faithful should respond to the gift of God's self-revelation. In *The Longest Psalm*, Michael Casey offers a meditative reading of each verse of the psalm, intended to be read one at a time to facilitate a personal prayer and reflection. Psalm 119 brings together elements found throughout the Psalter, and the reflections focus on universal themes as well as specific questions of daily life, such as our experience of yearning, service, affliction, and stumbling. Each verse stands alone, intended to be read slowly, like the litanies familiar to Catholic devotion. Perfect for a brief meditation before beginning the day, Casey invites us to spend time wandering with the psalmist to allow God's Word to play a significant role in our lives. Through this careful reflection on the longest psalm, readers will discover the text is not merely a psalm to be sung but also a path to be followed.

[A Thirst for God](#) Michael Casey, 1988 The Bible is the monk's book. The thought and teaching of St. Bernard of Clairvaux was so saturated with Scripture that the reader often cannot decide where the Bible ends and Bernard begins. From direct quotations to fine allusions, Bernard assumed that his readers were as familiar with the Bible as he was himself. It is therefore no wonder that Bernard chose a book of the Bible, the Song of Songs, as a vehicle for expressing his deepest and most personal longing for God: his striving for full knowledge, clear vision, a strong bond of union, a relationship which cannot be broken apart, and perfect likeness. Michael Casey, a Cistercian monk in Australia, writes from the same tradition that formed St. Bernard. His study of the background and teaching of the last of the Fathers provides insights into the saint's works and gives them contemporary meaning.
