A Cavalcade of Lesser Horrors Peter Smith, Peter Smith on how being human is an awkward messy embarrassing business Systematic Mariology Peter Damian Fehlner, 2023-08-14 This second volume of Collected Essays Systematic Mariology contains Peter Damian Fehlner's essays on several central Marian topics and disputes Written over the span of more than twenty years these essays represent Fehlner's most complete studies on the question of Mary's participation with Christ in the redemption her role with the Holy Spirit in the mediation of grace and her place in the sacramental economy flowing from the Eucharist Fehlner provides theological resolutions to these inquiries by establishing Mary's predestination as the Immaculate Mother of God and Spouse of the Holy Spirit in the eternal plan of the Father This flows into a theological vision of the divine missions that is Trinitarian christological and pneumatological This triple viewpoint opens upon a theological account of divine action and perfect creaturely reaction because it is framed within an ecclesiology that decodes Mary's virginal and divine maternity as the Great Sign of the perfection and promise of the church through Christ her spouse in the love of the Holy Spirit *The Truth at the Heart of the Lie* James Carroll, 2021-03-23 Courageous and inspiring Karen Armstrong author of *The Case for God* James Carroll takes us to the heart of one of the great crises of our times Stephen Greenblatt author of *The Swerve* An eloquent memoir by a former priest and National Book

Award winning writer who traces the roots of the Catholic sexual abuse scandal back to the power structure of the Church itself as he explores his own crisis of faith and journey to renewal NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY James Carroll weaves together the story of his quest to understand his personal beliefs and his relationship to the Catholic Church with the history of the Church itself From his first awakening of faith as a boy to his gradual disillusionment as a Catholic Carroll offers a razor sharp examination both of himself and of how the Church became an institution that places power and dominance over people through an all male clergy Carroll argues that a male supremacist clericalism is both the root cause and the ongoing enabler of the sexual abuse crisis The power structure of clericalism poses an existential threat to the Church and compromises the ability of even a progressive pope like Pope Francis to advance change in an institution accountable only to itself Carroll traces this dilemma back to the Roman Empire and the Middle Ages when Scripture Jesus Christ and His teachings were reinterpreted as the Church became an empire In a deeply personal re examination of self Carroll grapples with his own feelings of being chosen his experiences as a priest and the moments of doubt that made him leave the priesthood and embark on a long personal journey toward renewal including his tenure as an op ed columnist at The Boston Globe writing about sexual abuse in the Church Ultimately Carroll calls on the Church and all reform minded Catholics to revive the culture from within by embracing anti clerical anti misogynist resistance and staying grounded in the spirit of love that is the essential truth at the heart of Christian belief and Christian life

Maturing Your Catholic Faith Antonio Montes Orozco, When we stop being children and enter adult life we achieve achievements that fill us with satisfaction a good job starting a family economic solvency a standard of living that gives us material comfort But life also brings blows that we did not expect We all have had one or more the betrayal of a friend an accident a serious illness the loss of a loved one the loss of a job financial difficulties the breakdown of a marriage When these things happen to us we become vulnerable Vulnerable to anxiety and anger which leads us to attack others verbally or physically Vulnerable to depression and fear which nullifies our ability to reason and decide Vulnerable to the fear of death which takes away our hope and joy But it is possible to get out of all that and find a Peace that will never abandon you It is something that you knew but that you have forgotten the Catholic Faith in which you were educated Yes I know when you were a child all that religion was fine But at some point you became an adult there were other priorities and you moved away from the Faith that you were taught Well it s about time someone told you about this as an adult the Catholic Faith is not about blindly believing what you re told It is something else It is trusting someone Someone you will have a close friendship with Someone who will continually prove to you that they are trustworthy Someone who will always help you Someone who will always give you much more than what you ask for That Someone is none other than Jesus of Nazareth No He is not just a historical figure He lives and seeks your friendship Let me propose a way back Maturing Your Catholic Faith This book is the guide you need to resume that friendship from which you walked away as an adult The book begins by appealing to your reason and your intellect You are already an adult not a child You need empirical truths and solid reasoning Therefore Maturing Your Catholic Faith empirically shows you that Jesus is God that He was on Earth just over two thousand years ago that He worked miracles that He was killed and that on the third day He rose again showing Himself to His disciples for forty days Maturing Your Catholic Faith also shows you the necessary steps to regain your friendship with Jesus I ll tell you the first stop doing things stop receiving interruptions turn off your cell phone It s as simple as that stop and observe for a few minutes The other steps are also simple and bearable Jesus Christ does not put unbearable burdens on us On the contrary friendship with Him is liberating He frees us from fear He frees us from anger He frees us from the frustration in which we live He frees us from anxiety when faced with problems He frees us from the fear of death You may be wondering who the author of this book is My name is Antonio Montes Orozco I am neither a priest nor a bishop nor a theologian I am a professional someone like you I studied Telecommunications Engineering at the Polytechnic University of Madrid I make my living as an expert in Agile methodologies which are used in software development In 2016 I returned to the Catholic Faith By writing Maturing Your Catholic Faith I wanted to share with other people how to make this journey back Everything I say in the book is based on my personal experience On this path I have

reached a conclusion that may seem radical to you but that is born from experience distancing yourself from Jesus destroys your life Getting closer to Him frees you and gives you Peace I invite you to see by yourself with Maturing Your Catholic Faith

Our Lady of Kibeho Immaculée Ilibagiza,2010-04-01 Thirteen years before the bloody 1994 genocide that swept across Rwanda and left more than a million people dead the Virgin Mary and Jesus Christ appeared to eight young people in the remote village of Kibeho Through these visionaries Mary and Jesus warned of the looming holocaust which they assured could be averted if Rwandans opened their hearts to God and embraced His love Much like what happened at similar sites such as F tima and Lourdes the messengers of Kibeho were at first mocked and disbelieved But as miracle after miracle occurred in the tiny village tens of thousands of Rwandans journeyed to Kibeho to behold the apparitions For years countless onlookers watched as the Mother and Son of God spoke through the eight seers about God's love sending messages that they insisted were meant not only for Rwandans but for the entire world to hear Mary also sent messages to government and church leaders to instruct them how to end the ethnic hatred simmering in their country She warned them that Rwanda would become a river of blood a land of unspeakable carnage if the hatred of the people was not quickly quelled by love Some leaders listened but very few believed the prophetic and apocalyptic warnings tragically came true during 100 horrifying days of savage bloodletting and mass murder After the genocide and two decades of rigorous investigation Our Lady of Kibeho became the first and only Vatican approved Marian that is related to the Virgin Mary site in all of Africa But the story still remains largely unknown Now Immacul e Ilibagiza plans to change all that She made many pilgrimages to Kibeho both before and after the holocaust personally witnessed true miracles and spoke with a number of the visionaries themselves What she's discovered will deeply touch your heart

The Little Old Lady Killer Susana Vargas Cervantes,2017-04-25 The surprising true story of Mexico's hunt arrest and conviction of its first female serial killer For three years amid widespread public outrage police in Mexico City struggled to uncover the identity of the killer responsible for the ghastly deaths of forty elderly women many of whom had been strangled in their homes with a stethoscope by someone posing as a government nurse When Juana Barraza Samperio a female professional wrestler known as la Dama del Silencio the Lady of Silence was arrested and eventually sentenced to 759 years in prison for her crimes as the Mataviejitas the little old lady killer her case disrupted traditional narratives about gender criminality and victimhood in the popular and criminological imagination Marshaling ten years of research and one of the only interviews that Juana Barraza Samperio has given while in prison Susana Vargas Cervantes deconstructs this uniquely provocative story She focuses in particular on the complex gendered aspects of the case asking Who is a killer Barraza with her manly features and strength her career as a masked wrestler in lucha libre and her violent crimes is presented here as a study in gender deviance a disruption of what

scholars call *mexicanidad* or the masculine notion of what it means to be Mexican Cervantes also challenges our conception of victimhood specifically who counts as a victim *The Little Old Lady Killer* presents a fascinating analysis of what serial killing often considered killing for the pleasure of killing represents to us
