Over his lifetime Edward Fitzgerald produced several revisions of his original 1859 translation. Scholars have since come to regard Fitzgerald's effort as containing some of his own poetic input; aspects of the original verses are paraphrased or exchanged with the English poet's own. However, the beauty and succinctness present in many of these verses led to the collection retaining its status as the classic definitive version, sometimes nicknamed as the Rubiyat of FitzOmar. The intricate and beautiful illustrations of Edmund Dulac, which were first appended to the text in 1909, are in this edition reproduced in full color.
