The Rushdie Fatwa And After A Lesson To The Circumspect:

The Rushdie Fatwa and After B. Winston, 2014-06-05 This resounding defence of the principles of free expression revisits the Satanic Verses uproar of 1989 as well as subsequent incidents such as the Danish cartoons controversy to argue that the human right of free speech is by no means so secure that it can be taken for granted *Salman Rushdie and Postcolonial Authorship* Trajanka Kortova Jovanovska, 2023-12-07 The main focus of interest in this book are the figures of writers and writing subjects in Rushdie's oeuvre who contemplate and reflect on the nature and purpose of their craft their authorial identity and their positioning in society and intellectual history through their writing It discusses the aesthetics of the texts they produce and their subsequent agency in the world through the various ways they are interpreted and appropriated Authorship is a special category of storytelling a specific craft and vocation giving expression to a conscious and purposeful project The book focuses on what postcolonial literature specialist Dr Jane Poyner calls the ethics of intellectual practice as the major theme pervading Rushdie's entire corpus of writing fictional essayistic and autobiographical The key audience for the book is primarily students of postcolonial literature and of Salman Rushdie's work in particular It will also be of interest to readers wishing to get a deep insight into the works of one of the most prominent and most controversial contemporary writers The Book in Britain Daniel Allington, David A. Brewer, Stephen Colclough, Sian Echard, Zachary Lesser, 2019-03-11 Introduces readers to the history of books in Britain their significance influence and current and future status Presented as a comprehensive up to date narrative The Book in Britain A Historical Introduction explores the impact of books manuscripts and other kinds of material texts on the cultures and societies of the British Isles The text clearly explains the technicalities of printing and publishing and discusses the formal elements of books and manuscripts which are necessary to facilitate an understanding of that impact This collaboratively authored narrative history combines the knowledge and expertise of five scholars who seek to answer questions such as How does the material form of a text affect its meaning How do books shape political and religious movements How have the economics of the book trade and copyright shaped the literary canon Who has been included in and excluded from the world of books and why The Book in Britain A Historical Introduction will appeal to all scholars students and historians interested in the written word and its continued production and presentation The SAGE Encyclopedia of Higher Education Miriam E. David, Marilyn J. Amey, 2020-05-21 Higher Education is in a state of ferment People are seriously discussing whether the medieval ideal of the university as being excellent in all areas makes sense today given the number of universities that we have in the world Student fees are changing the orientation of students to the system The high rate of non repayment of fees in the UK is provoking difficult questions about whether the current system of funding makes sense There are disputes about the ratio of research to teaching and further discussions about the international delivery of courses International Conflict and Security Law Sergey Sayapin, Rustam Atadjanov, Umesh Kadam, Gerhard Kemp, Nicolás Zambrana-Tévar, Noëlle

Quénivet, 2022-07-21 This unique two volume book covers virtually the whole spectrum of international conflict and security law It proceeds from values protected by international law Part I through substantive rules in which these values are embodied Part II to international and domestic institutions that enforce the law Part III It subsequently deals with current challenges in the application of rules of international conflict and security law Part IV and crimes as the most serious violations of those rules Part V Finally in the section on case studies Part VI lessons learnt from a number of conflict situations are discussed Written by an international team of experts representing all the major legal systems of the world the book is intended as a reference work for students and researchers domestic and international judges as well as for legal advisers to governments and international and non governmental organisations Sergey Sayapin is Associate Professor and Associate Dean at KIMEP University School of Law in Almaty Kazakhstan Rustam Atadjanov is Assistant Professor at KIMEP University School of Law in Almaty Kazakhstan Umesh Kadam is formerly Additional Professor at the National Law School of India University Bangalore India and Legal Adviser with the International Committee of the Red Cross Gerhard Kemp is Professor of Law at the University of Derby in the United Kingdom Nicol s Zambrana T var is Associate Professor at KIMEP University School of Law in Almaty Kazakhstan No lle Qu nivet is Professor in International Law at the University of the West of England Bristol Law School in the United Kingdom **The Act of Documenting** Brian Winston, Gail Vanstone, Wang

Chi, 2017-01-26 Documentary has never attracted such audiences never been produced with such ease from so many corners of the globe never embraced such variety of expression The very distinctions between the filmed the filmer and the spectator are being dissolved The Act of Documenting addresses what this means for documentary s 21st century position as a genus in the class cinema for its foundations as primarily a scientific eurocentric and patriarchal discourse for its future in a world where assumptions of photographic image integrity cannot be sustained Unpacked are distinctions between performance and performativity and between different levels of interaction linearity and hypertextuality engagement and impact ethics and conditions of reception Winston Vanstone and Wang Chi explore and celebrate documentary s potentials in the digital age
