Toothiana, Queen of the Tooth Fairy Armies William

Joyce,2012-10-02 Beware a tooth fairy queen scorned in this the third chapter book of Academy Award winner William Joyce's The Guardians series There's a lot more to this tooth swiping sprite than meets the eye When last we heard the Guardians were resting easy with the knowledge that the children of Santoff Clausen were finally safe from Pitch's dastardly plans But is it all a ruse a scheme a lull the evil Nightmare King has deviously concocted Whatever Pitch's plans what he doesn't know is that there's a new Guardian in town and she's not the type to forget old grudges Actually she's not the type to forget anything because this Guardian is none other than Toothiana the Tooth Fairy herself She's fierce and fast and crossing her will lead to a multitude of troubles And it turns out that well all those teeth she has been collecting They contain memories The forgotten memories of childhood including the memories of how to fly Young Katherine is hopeful that these memories might help her to remember her parents The Guardians hope they'll offer even further protection from Pitch You can see how this information would be invaluable to our heroes But it could also be invaluable to Pitch **Ollie's Odyssey** William

Joyce,2020-09-15 The Guardians powers are put to the ultimate test in their final battle in this thrilling conclusion to the epic chapter book series from William Joyce When we last saw the Guardians they were celebrating their victory during Bright Night the final great Battle of the Moon where they defeated Pitch once and for all Or so they thought Now many years later the Guardians have settled into their final selves embracing their public images and the Earth Holidays But the world has not been without evil since Pitch's imprisonment All the Guardians feel the weight of lurking menace but Jack Frost now half human half of his former self Nightlight feels it the most Jack's transition from Nightlight to Guardian was not an easy one Always inclined to keep to himself Jack has become especially isolated from the other Guardians since his transformation Yet

it is Jack who Ombric Shalazar once a great wizard now known as Father Time trusts with a tremendous secret But for Jack to fully understand this secret he must revisit his past and finally tell his story Jack s story however isn t the only one to be reopened an old enemy whose chapter we thought closed will reappear and with him bring a darkness and destruction that will test the Guardians like never before It s a battle of superlatives the worse fighting the greatest but where oh where is Jack
