The Rainbow Detective Agency Box Set Books 1 To 4:

The Wizard of Pride Ryan Field, 2021-06-21 In the year 1939 discretion is a way of life for young men like Darius Krasner. However, when he gets caught making love to one of the young farm hands by the wicked Agnes McCain and she threatens to expose him and take his dog, he's forced to run away from the only family and home he's ever known. In his rush to leave, Darius stumbles across one of the most wonderful handsome young men he's ever met. Unfortunately, there isn't much time to get to know him because there's a storm approaching and Darius decides to run back home to make sure his family is safe. By the time Darius reaches the farm, there's a twister in the distance and he escapes to the house for shelter. On his way, a piece of flying debris hits him on the head and knocks him out. When he finally regains consciousness, he's in the most unusual place called The Land of Pride. And according to The Good Fairy Miss Glitz, his only way back home involves a pair of magical pink stilettos, a silvery gilded road, a place called The Rainbow City, and a man they call the Wonderful Wizard of Pride. It's an LGBTQ fairytale filled with references to gay culture and LGBTQ Pride that's long before Darius's time, but he's well aware there's no shame or hate in The Land of Pride. In his quest to find The Wizard of Pride, he meets other people like himself and one in particular who teaches him that he can fall in love and live happily ever after with a man, which is something he never thought possible.

Sleepless in San Francisco Ryan Field, 2018-12-23 It is hard to believe that it's been 25 years since the classic romance *Sleepless in Seattle* warmed the hearts of theatergoers. Best-selling M/M author Ryan Fields gives us his unique reinterpretation of this classic theme with *Sleepless in San Francisco*. When young Noah Richardson sends an email to the producers of the home renovation show *Dream Away*, he has no idea that the host of the show, Jonathan Haynes, will be intrigued and touched by his sad story. Noah's recently widowed father and their black lab, Tucker, have relocated to San Francisco to start a fresh new life and heal their wounds. And their new house is in dire need of renovation. Jonathan Haynes is desperate to find an interesting house to film for the show. So he gets on a plane and flies to San Francisco the day after he reads Noah's email. But Jonathan soon finds out that Noah's father, Ed, doesn't know about Noah's email and he has to convince him to do the show. The fact that Ed and Jonathan wind up on the living room floor having passionate sex during their first meeting doesn't help. Ed finally agrees to do the show. By the time construction begins, Ed and Jonathan can't get enough of each other. They start having secret encounters to satisfy their desires, never realizing they are building a solid relationship at the same time. Then a series of events takes control of their lives and changes them all forever. Ed's not sure what to do. He's in love with Jonathan and he can't get enough of Jonathan's body. But he feels guilty about starting a new relationship with anyone. So he wrestles with the conflict and begs for a sign to help him decide what to do, which leads to a surprise ending that none of them could have predicted.

A Starr is Born Ryan Field, 2019-06-26 Written by Lambda Award-winning author Ryan Field, *A Starr Is Born* is a queer retelling of an old rags to riches trope that's been reinterpreted many times, but this time it's totally different, with gay main characters, a gay love story, and a gay male point of view. It's partly a

light hearted parody and partly sarcasm It s also highly erotic and charged with authentic emotional gay male romance From the day they meet for the first time until the day their lives change forever Harrison Parker and Morton Starr were destined for greatness and each other A Starr is Born follows the paths of handsome badly behaving rock star Harrison Parker and sexy gender bending performer Morton Starr who is just starting his career Morton is so madly in love with his husband Harrison he ll do anything to please him including overlooking all his self destructive issues However as openly gay Morton gains more fame and success in the mainstream with his popular gay love songs and his unique gender bending image and Harrison continues to slide downhill there comes a point where everything has to change And when that climax finally happens Morton isn t certain about anything in his future or his marriage The Magnum, P.I.
