The Rake And The Recluse A Tale Of Two Brothers:

The Rake and The Recluse Jenn LeBlanc, 2012-05-31 She never thought time travel was real Until it happened to her Researching her father s journals in her spare time was closest Francine came to time travel and frankly who would believe it But when she s tossed back in time she regrets she didn t pay more attention to the past of course that s only after she finally admits to herself that she s been tossed into another world much like a Victorian freaky Friday The first thing Francine has to reconcile is that a woman in Victorian England is a commodity She s owned Francine is no longer the powerful business woman she was only moments ago and on top of it all she s being chased by a man who wants her dead or worse Her only chance for safety lies in Gideon Trumbull the lionhearted but evasive duke who discovers her terrified running for her life at the edge of his lands What began as a compulsion to learn anything she could about him turns into an urgent need and she finds herself in an inescapable new reality a world in which she doesn t belong Meanwhile Gideon s brother Perry has likewise been caught up in an incident Finding a stowaway housemaid in his carriage as he s bound for London will be the most life changing moment of his life She s plotting to seduce the rake who refuses to touch her Propriety be damned Getting him to teach her what love is seems like just the right challenge to sooth her damaged soul Until the man who chased Francine sets his sites on someone much more accessible The entire Trumbull family comes together to protect the women they ve accepted into the fold in the first installment in the Trumbull Family Saga The Rake and The Recluse Books in the LORDS OF TIME SERIES THE RAKE AND THE RECLUSE THE DUKE AND THE BARON THE DUKE AND THE DOMINA THE TROUBLE WITH GRACE THE SPARE AND THE HEIR THE SADIST AND THE STOLEN PRINCESS THE LADY AND HER SECRET LOVER

The Rake and the Recluse Jenn LeBlanc, 2015-04-07 Great Britain 1880 A woman out of time A man stifled by propriety A nemesis determined to take her away A brother to the rescue The Duke of Roxleigh is running the track training his new set of Friesians when a woman runs from the forest directly into his path nearly killing her He takes her back to his manor to care for her but there s something not quite right and though he wishes to be done with the entire situation he just can t keep her from his thoughts Francine Larrabee was a 21st century woman on a path bound for certain glory until she lands in Victorian England and is nearly killed by a team of terrifying black horses led by a Duke who matches them in spirit and demeanor and always seems to be cross Though she is drawn to her rescuer he wants nothing to do with her Brother to The Duke of Roxleigh the Lord Peregrine Trumbull is Viscount Roxleigh in name but a rake of the worst order by action until he meets his match in a girl who requires his complete submission something he has never been familiar with Lilly Steele was a simple country miss until she was kidnapped brutally attacked and left for dead in the far reaches of Great Britain Now she s escaped the aftermath and has asked Perry to do the untenable She managed to recover her physical injuries but the emotional scars run deep and will require absolute trust and healing from an altogether unlikely source What is love Where does it come from What makes two people crash and two other people burn In this novel we feel what it means

to love what it means to care and what it is to give up everything you know to save the one person you can't live without

The Lady and Her Secret Lover Jenn LeBlanc, 2019-05-07

When Ellie and Lou fall in love it is with great abandon. And Ellie and Lou they have grand ideas: a small cottage, a garden, a goat to manage the weeds, sheep for wool to knit. But the truth of the matter lies in the reality: Louisa must marry to the satisfaction of her father, and so must Ellie, whose family hopes for a title to add legitimacy to their status, opening doors in the ton. And when Louisa's father discovers a friend rescues Louisa from a horrible fate, sending her into hiding for her own protection. For three long years, Louisa remains in exile, out of fear of what her father could do. Necessity returns Louisa to London, and as soon as she does, the memories of her beautiful Ellie haunt her. But Louisa has no idea if Ellie is even here, or unmarried, or still in want of her as Louisa is, and has been since that first moment she saw her across the shimmering ballroom. Louisa fears discovering the truth of it all that she was but a passing fancy, born of the excitement of the heat of a first season. Will she find her? Will she still want her? And even if so, what can they do now that they couldn't do before? Nothing has changed, but everything is different.

The Spare and The Heir Jenn LeBlanc, 2016-06-14

Thorne Magnus Calder, heir to the Duke of St. Cyr, has been betrayed by his own heart. Watching the man he loves court the lovely Lady Alain was a pain so visceral he quit London for India. But when Calder receives word that Quinn and Celeste are married, it's a vow Calder refuses to break. All Calder wanted was to put some distance between them and investigate the machinations of a group intent on establishing a skin trade in the heart of London. He didn't expect to be taken captive by a ghost. Lord Quintin Wyntor's heart has always belonged to Calder, but a relationship with another man is a crime neither is willing to face, and recent scrutiny only complicates their relationship. The strain drives a wedge between them, the physical manifestation of which affects his everyday life. As a man of honor, Quinn marries the very woman who drove the last wedge between he and his lover in order to save her. He never anticipated she would hand him the key to his own freedom. When Lady Alain forces Quinn to accept that his love for Calder cannot be denied, Quinn realizes that the risks they'll face together may not be as dangerous as their desolation as they attempt to survive apart. As Quinn chases Calder to India, one thing is certain: Quinn will not return to England without the man he loves. If they can conquer their differences together, their little triumvirate may be given the grace to survive. This book is the story of Calder and Quinn and has their happily ever after with Celeste. The prequel is *The Trouble With Grace*, which has important elements of Calder and Quinn's story as well as Celeste's primary romance and HFN. This book is a gay romance and also contains important pieces of an autochorissexual romance on the asexual spectrum. Both are explicit. Warning: this is not just a kissing book; it is so much more. Warning: You're going to fall in love, and it's going to hurt.

The Spare and The Heir is the fifth full-length historical
