*Brushstrokes* Lara Norris, 2009-12-16 What kind of a life picture are you painting You are gifted with talents and a calling that is unique and part of the vast vision God has for His people on this planet Each day we have the opportunity to add brushstrokes to our personal canvas by taking simple steps of obedience at work in our homes at church and together as a nation I am challenging you to say yes to God and

Moving in the spiritual realm should be as much a part of a believer s routine as prayer worship and reading Scripture Yet all too often Christians practice an intellectual faith which lacks any supernatural punch Healing deliverance and signs and wonders are an inheritance for all followers of Jesus Christ *The Supernatural Power of a Transformed Mind* teaches you how to remove the blinders of religious limitation to redeem the lost and transform communities You too can tap into an abundance of miracle working authority and unleash the power of God s glory     *Warning to the World* Bill Vincent,2023-02-27 I m going to start by creating a basis for what God is referring to when he says Sound the Alarm We are to be the Lord s Watchmen and God is bringing us up to do so We were having meetings at the park in Litchfield IL over the summer when God spoke to our ministry Revival Waves of Glory and told us that we were to be watchmen for the Lord We are to be those who stand and watch in the Spirit seeing and hearing the truth We are to take a stand on behalf of the United States of America The true red white and blue would seep through those who serve as true Lord s watchmen God is preparing the ministry to be like these godly men and women I m telling you we didn t sure what to do with it at the time so we placed it on the shelf until December 31st 2012 when we published a Word of the Lord for 2013 God told us He wanted to hold a Sound the Alarm Conference and He provided us the dates of February 23rd 25th 2013 This was predicted and we are following God s instructions The meeting took place in the midst of an eight month Revival at Waves of Revival in Belleville Illinois It s important for you to understand that it s not about us it s about accomplishing what we need to do This is a critical hour and we must grasp the concept of a Watchman God will also have

me speak about Gatekeepers God said there was a gate over this region that was being unlatched and opened One thing I d like you to realize is that we need gatekeepers as well To put it another way we must keep an eye on what is going on in Heaven since not only does good arrive and leave from Heaven but evil also comes and departs from the second Heaven We must recognize that there have been events in America that the Church has simply ignored We ve merely given it a wink We haven t taken a firm stance There has been some picketing by Christians to be sure They ll stand out on the street with a placard claiming that something is wrong here and there But how many people realize that we need to do more than hold a picket sign I m not talking about setting fire to people s barns We aren t dealing with flesh and blood We re dealing with high ranking principalities powers and wickedness I m not going out with picket signs after today and I m not going to do this or that What I m going to do is assume authority and declare that there will be a supernatural taking hold of the Church rising up and banding together in this hour Putting aside trivial things and nitpicking things that are simply getting in the way when it comes to the Church To realize that no matter what denomination you belong to we can all come together and pray for the same goal the safety of our country That is the United States of America s safety [The Devil's Redemption : 2 Volumes](#) Michael J. Persaud, 2015-03-06 Many people today are reluctant to believe in blessings ensuing from a supernatural source and they are hesitant to lend credence to the possibility of miracles and supernatural experiences as well Numerous Christians too although they profess allegiance to the God of the Holy Bible tread delicately on a path that would otherwise bridge a chasm between the temporal or tangible and the miraculous or preternatural The result is a departure from Biblical Christianity and the embracing of a kind of pseudo religiosity far removed from the Gospel of Jesus Christ In *Blessings Miracles Supernatural Experiences A Biblical Perspective* A Christians Story the author presents an explicative discussion about blessings miracles and supernatural experiences from a Biblical standpoint He purposes to

explain the supernaturalness of God while acknowledging present day humankind's falling away from Biblical Christianity and its pronouncements about an omniscient omnipotent and omnipresent Creator and Designer of life and of the universe The author devotes three full length chapters to the recollection of blessings miracles and supernatural experiences in his life the lives of family members including his siblings and their families and his parents There are stories about healings miracles supernatural experiences and even demon possession and exorcism all of which actually took place The penultimate and final chapters of Blessings Miracles Supernatural Experiences A Biblical Perspective A Christian's Story examine the greatest miracle in history the Resurrection of Jesus Christ and analyze what religious scholars refer to as End time events and the ushering in of eternity a period of everlastingness in either of two locations heaven or hell **The Journey into the**
