The Red Sparrow John Hall, 2014-06-30 I wrote this for many reasons There are many of us that have had to give up the closeness and comfort of someone that has passed We feel lost sad and hurt Then there are the young teenagers who wonder if there is a God or if Jesus lives After all they have never seen Him but neither have you They see all of the television shows about evil things time and time again Although I know that this is entertainment there are those who wonder For many years I have waited to do this It is time you know I waited because of fear Song of the Red Sparrow, Book Two Rory Shane Riggs, 2012-06 So much has happened in the twenty years following the Civil War the most shocking event to stun the country to date As a young nation fights for survival and identity its citizens seek their own purpose and understanding In Prairie Gulch a hidden town in Texas what seems on the surface like the innocent arrival of four singers puts in motion a series of events that could alter history itself One of the young entertainers could be the key to unlocking a mystery a local myth discussed only in hushed tones that has captivated the attention of locals for years As the puzzle begins to come together the townspeople may learn that some legends are better left unproven and some secrets are better left buried Song of the Red Sparrow Book Two is the second installment in a trilogy that traces an epic American story From the end of the Civil War to a small isolated frontier town in Texas two decades later guarded secrets are about to be revealed lives changed loves lost and history itself could be rewritten **Song of the Red Sparrow, Book Three** Rory Shane Riggs, 2013-12 Prairie Gulch Texas is a rough and tumble town tucked away on the fringes of the civilized world the Civil War has had its effect here though in spite of the town's isolation It has been twenty years since the war ended and yet people still remember the pain it caused Some citizens even harbor secrets of that dark time secrets told to no one Could the woman living in the large house on the edge of town be the legend whispered about for years The knowledge of a truth that could rewrite history comes with a heavy price a price some have already paid and others will A series of strange deaths suddenly sets the city on its toes and reawakens past pain Decades earlier the assassination of President Lincoln shocked the nation Now his ghost seems to haunt their small Texas town In this third and final installment of the Song of the Red Sparrow series all secrets are revealed all conflicts resolved and all lives changed The Century Dictionary and Cyclopaedia: The Century dictionary William Dwight Whitney, Benjamin Eli Smith, 1897 **Light**, 1900 **The Century Dictionary and Cyclopaedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E.
