Unaccountable Janine Wedel, 2014-10-15 From the Tea Party to Occupy Wall Street however divergent their political views these groups seem united by one thing outrage over a system of power and influence that they feel has stolen their livelihoods and liberties Increasingly protesters on both ends of the political spectrum and the media are using the word corrupt to describe an elusive system of power that has shed any accountability to those it was meant to help and govern But what does corruption and unaccountability mean in today's world It is far more toxic and deeply rooted than bribery Foreign governments with a history of human rights violations military coups and more hire American public relation firms to suppress reports and search results for their crimes Investigative journalism has been replaced by truthiness From Super PACs pouring secret money into our election system to companies buying better ratings from Standard Poors or the extreme influence of lobbyists in congress all are embody a new corruption and remain unaccountable to our society's supposed

watchdogs which sit idly alongside the same groups that have brought the government business and much of the military in to their pocket
