The Organized Sunday School J. W. Axtell, 2015-07-12 Excerpt from *The Organized Sunday School A Working Manual for Officers* This little book is meant to be intensely practical and wholly practicable It is right out of the Sunday school work shop and may be regarded as the transcript of an active and varied Sunday school experience It is written upon request and with the hope that it may be widely usable and profitably used There is not in it all an atom of untested theory The Sunday school now has a rich and comprehensive literature distinctly its own and the apology for this addition to it is that the busy Sunday school officer whose reading must be condensed into scattered minutes is often somewhat at a loss amid the countless rich suggestions presented to place his hand quickly upon something clearly and immediately available But little will be said in these pages about what the Sunday school officer should be This ground has been fully covered by scores of pens There is no need at this day to say of him let his relation to the Sunday school be what it may that he should be consecrated as well informed as may be and wholly devoted to his work These are undebatable propositions What he should do and how he should do it will be the burden of this message and if in some measure the needs of a fellow worker here and there should thus be met it will be a richly requited labor of love About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Organized Sunday School; a Working Manual for Officers James Wickliffe Axtell, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1908 edition Excerpt as nearly as possible on the minute Having filled the time full from first to last without delay or drag let everybody understand that it is just as important to quit promptly as to begin promptly The closing song the benediction or closing prayer the musical finale and all is over In our day s work there has been little of elaboration and if the day has been satisfactory it has been as much because of preparation as of execution There has been nothing of inflexible regime There has been no Coming Again di o machinery The of Course program has been simplicity itself Attention has been close and constant A chord of sympathy has run through everybody and everything and the school which has had a succession of days of this kind is always ready for another
