## **The Overlooked Generation Parenting Teens And Tweens In A Complicated Culture:**

**The Overlooked Generation** Shannon Perry, 2013-08-09 Parents are desperate to know how to handle teenagers in today's society. As a trained counselor, former public school teacher, and full-time conference speaker, Shannon Perry addresses the issues that teens say cause them to feel overlooked. As a result of feeling unnoticed, teenagers often make decisions that lead to harmful circumstances unless parents learn how to combat the onslaught of distractions that young people face in our culture. In *The Overlooked Generation*, Shannon addresses many important and timely issues including: Effective and necessary parent-teen communication, Body image and self-esteem, Dealing with bullies and how not to become a victim, Dating purity and God's promises, Effects and dangers of Social Media, Setting healthy boundaries for serious situations, Cultivating quality friendships and relationships.

**Grace & Guts** Shannon Perry, 2018-10-02 A counselor offers Biblical-based step-by-step solutions to the twelve topics that challenge women the most in their lives. Women are warriors. They fight for their families, their friends, and their faith, but they often lay down their gloves when it comes to caring for themselves. Their opponent comes to steal, kill, and destroy. He throws every possible punch to knock them down for the count, but the truth is, victory has been promised when these women find the GUTS to enter the ring and the GRACE to endure the fight. Counselor, speaker, television host, and award-winning author Shannon Perry asked thousands of women at her nationwide conferences: What areas of life do you struggle with the most? In *Grace and Guts*, Shannon directly addresses these twelve core topics women identified as their most difficult challenges in life. Offering Biblical guidance along with step-by-step solutions and her trademark humor, Shannon helps women find the courage to strap on their gloves and deliver the knock-out punch to their emotional and spiritual battles, then move fearlessly into the unique plans and purpose God has designed just for them. Praise for *Grace and Guts*: Shannon's insight into the needs of women is a remarkable testament to how much we all struggle with the same things. Shannon helps us see that in the end, God has answers for all our difficulties.

Rene Gutteridge, author and screenwriter: For every woman who has experienced betrayal, loneliness, uncertainty, anger, or Satan's defeat and desires a better way, this book is for you.

Summer of Unrest: Generation Vexed: What the English Riots Don't Tell Us About Our Nation's Youth Kieran Yates,Nikesh Shukla,2011-10-27 Summer of Unrest Slight Return For a few days at the start of August England was gripped by the riots that erupted in its city centres Although there were various motivations behind the trouble and a broad spectrum of ages and backgrounds involved the front pages were emblazoned with images of hooded youths running amok and stories of the revenge of the feral underclass In this final part of the Brain Shots Summer of Unrest series Nikesh Shukla and Kieran Yates interrogate whether young people are deliberately conforming to a stereotype foisted upon them and point instead to the creativity and entrepreneurialism that are defining a supposedly lost generation An antidote to the broadsheet commentariat this street level view of the defining moment of the Summer of Unrest finds much to inspire hope and confidence for our future
