The Passion Of The Servant A Journey To The Cross:

The Passion of the Servant Don N. Howell, 2009-01-26 The New Testament opens with four Gospel accounts that introduce the reader to Jesus Christ From the very beginning the redemptive drama moves toward the cross The final week of Jesus s life Passion Week takes up nearly 40 percent of the entire narrative The canonical Gospels provide four different perspectives on the life of Jesus He is portrayed in this fourfold account as King and covenant keeper Matthew as obedient Son servant Mark as the perfect Man among men Luke and as the eternal Son of God John the only person ever born whose central purpose in living is to die The Gospels are Passion narratives with extended introductions This is the governing principle of the present work as Jesus moves toward the culmination of his saving mission From early adumbrations to deepening shadows to direct predictions and finally to the detailed narratives of Passion Week the Gospels follow the Lord s inexorable journey to the cross This synthetic study which follows the life of Jesus in a chronological sequence while attempting to preserve the unique contribution of each of the four Gospel accounts draws upon the long established tradition of harmonies of the Gospels dating back to Tatian s Diatessaron AD 170 The ordering of the data follows with minor rearrangements The NIV Harmony of the Gospels edited by Robert L Thomas and Stanley N Gundry In The Passion of the Servant eighteen chapters with thirteen maps trace the geographical context of Jesus s ministry Biblical quotations are taken from the English Standard Version ESV except where otherwise noted The chronology adopted in this work one that assumes a spring AD 30 date for the crucifixion is appended along with a brief bibliography of works that have been particularly helpful to the author The front cover is a portrait of the risen Lord instructing the two disciples near Emmaus that the events surrounding his death and resurrection fulfilled the sacred prophecies of the Old Testament Luke 24 25 27 Between the Ambo and the Altar Guerric DeBona, 2014-10-02 The publication of The Roman Missal Third Edition offers an opportunity for homilists to explore the relationship between the Sunday readings and the new Roman Missal Between the Ambo and the Altar is the second book Year B in a three volume series that presents scriptural liturgical and preaching commentary for Sundays solemnities and feasts throughout the year Each Sunday s resources are presented in three sections exploring the Scripture connecting the Lectionary with the liturgy and a homiletic strategy DeBona takes the preacher through a meditation on the language of the Missal suggests parallels to the Sunday Lectionary and gives practical homiletic strategies using core themes and images It is hoped that the commentary advances a framework for homily preparation so that preachers might savor the deep meaning of the word of God which unfolds each year in the liturgy Benedict XVI Verbum Domini 52 **The Saving Cross of the Suffering Christ** Benjamin R. Wilson, 2016-07-25 What is the place of the cross in the thought of the third evangelist This book seeks to show the central significance of the death of Jesus for Luke s understanding of 1 how salvation is accomplished and 2 what it means for Jesus to be the messiah Whereas previous authors have helpfully attended to individual motifs within Luke s account of the passion this book takes more of a wide angle

approach to the topic moving from the very first allusions to Jesus rejection at the beginning of Luke's gospel all the way through to the retrospective references to Jesus death that occur throughout the speeches of Acts By focusing on the inter relationship of the various parts that form the whole of the Lukan portrayal of Jesus death Wilson proposes fresh solutions to several of the intractable exegetical disputes related to the place of the cross in Lukan theology thereby helping to situate Lukan soteriology within the broader context of Jewish and Christian belief and practice in the first century
