Ambassadors of Reconciliation Geoff Hartt, Michael A. Ortiz, Manuel Böhm, 2023-08-15 Reconciling Practice and Theology What does reconciliation have to do with the work of missions In today's conflict ridden world the concept of reconciliation has gained traction and Christian missions is being rethought The whole world cries out for holistic transformation with eternal value and God's people are called to be his ambassadors Ambassadors of Reconciliation lays the groundwork for exploring a new paradigm for missions Divided into three parts the book first establishes the theological foundations of reconciliation The second part then shows how theory and practice go hand in hand Finally the third part uses case studies to highlight the importance of understanding brokenness conflict and culture for effective ministry in reconciliation The contributors challenge readers to consider the church's role in God's mission and how every Christian can become an envoy of his restoration work They emphasize the spiritual dimension of reconciliation and offer practical guidance for effectively engaging in ministry Whether you are a missionary pastor or someone interested in promoting Walking in Freedom Neil T. restoration in the world this book provides valuable insights and tools for your journey Anderson, Rich Miller, 2009-01-02 God wants His children to walk in the freedom purchased for them by Christ at Calvary Every person has been given the responsibility to make right choices in life we must choose truth reject lies and forgive those who hurt us but God has not left us as orphans to fend for ourselves The Holy Spirit gives us the power to walk in the freedom that is already ours in Christ Following these 21 days of select readings will increase the liberating work that God has begun in you through the Steps to Freedom in Christ Each daily devotional provides three truths the truth about God the truth about you and the truth about freedom as well as recommended Scripture readings that affirm each of the three As readers begin to hide these truths in their hearts they will learn how to stand firm in their freedom and build a strong and holy shield against the enemy s attacks The Church and Development in Africa, Second Edition Stan Chu Ilo,2014-10-20 In this book Stan Chu Ilo offers an integral theology of development and a critical social analysis of different development theories and practices in the world especially in Africa Ilo offers a comprehensive biblical anthropological and theological foundation of the principles and praxis of Catholic social ethics from the Second Vatican Council to Pope Francis Drawing from the social encyclical Charity in Truth Ilo shows how Catholic social teaching responds to some of the challenging questions and concerns of our times in relation to human rights ecology globalization international cooperation

development and aid human and cultural development business ethics social justice and the challenges of poverty eradication He creatively applies these principles to the social context of Africa and lays a groundwork for sustainable Christian humanitarian and social justice initiatives in Africa With Justice for All John M. Perkins, 2011-08-25 I am persuaded that the Church as the steward of this gospel holds the key to justice in our society Either justice will come through us or it will not come at all John Perkins's optimistic view of justice becoming a reality starts and ends with the Church With Justice for All is Perkins s invitation to live out the gospel in a way that brings good news to the poor and liberty to the oppressed This invitation is extended to every racial and ethnic group to be reconciled to one another to work together to make our land all God wants it to be And it is a blueprint a practical strategy for the work of biblical justice in our time In an age of changing demographics where the need to break the cycle of poverty is staring many of us in the face Perkins offers hope through practical ministry principles that work This outstanding resource includes reflection questions for personal or group study as well as interactive sessions for groups to participate in activities together **Bringing the Kingdom** Kevin Brown, 2018-01-18 People have used the Bible for a variety of purposes over the course of the past two thousand years unfortunately many of those uses have reinforced power structures and systems that oppress and dominate those without privilege Worst of all people have used the Bible as a means to divide humanity into those who are worthy of salvation and those who are not However if we look at the lectionary readings especially the gospels we can see that God actively seeks to undercut and subvert systems of power and God calls Christians to do the same Through an examination of Jesus s teachings with support from a wide variety of other parts of the Bible we can see that ideas of social justice and true liberation run throughout God's message to humanity Rather than focusing on who gets into heaven and who doesn't Jesus seeks to proclaim God's love for all humanity By reading the Bible this way and attempting to live up to Jesus's call we can seek to bring the kingdom to our world as it is in heaven **Being Animal** Anna L. Peterson, 2013-05-14 Conducting the first systematic examination of the place of animals in scholarly and popular thinking about nature Anna L Peterson builds a nature ethic that conceives of nonhuman animals as active subjects simultaneously a part of nature and human society
