economics as well as biographies of influential economists Addressing finance and game theory international monetary and welfare economics applied economics and major financial institutions this dictionary is truly a valuable asset for anyone interested in understanding the economic engine that makes our world turn **Reconstructing Political Economy** William K. Tabb,2002-01-22 This volume offers an original perspective on the questions the great economists have asked and looks at their significance for today's world Written in a provocative and accessible style it examines how the diverse traditions of political economy have conceptualised economic issues events and theory Going beyond the orthodoxies of mainstream economics it shows the relevance of political economy to the debates on the economic meaning of our times Reconstructing Political Economy is a timely and thought provoking contribution to a political economy for our time In this light it offers fresh insights into such issues as modern theories of growth the historic relations between state and market and the significance of globalisation for modern societies **Dictionnaire Anglais-Français-Vietnamien Des Sciences Sociales** Thượng Hùng Nguyễn,2002 G m c c thu t ng thu c c c chuy n ng nh khoa h c x h i ch nh tr h c a l o l ng gi o d c h ng kh ng h ng h i ki n tr c kinh t **The Penguin Dictionary of Economics** Graham Bannock,1972 **Journal of Economic Literature** ,1987 **Contemporary Issues in Applied Economics** Graham Bird,Heather Bird,1991 Attempts to show how even the most basic elementary economic analysis can shed new light on some of the principle economic problems which face the world today The non technical nature of its approach means that the book may be of interest to non specialists as well as economics students **Radicals in Spite of Themselves** Devorah Kalekin-Fishman,Karlheinz Schneider,2019-02-18 In this book Devorah Kalekin Fisman and Karlheinz Schneider analyze how the relationship between the traditional and the modern is unfolding in a particular milieu by centering on the Haredi women in Israel who become part of the national rather than the community work force The book is based on analyses of interviews with people in the Haredi world The authors goal is to attain an understanding of what women's work means to the women to their families and to the Haredi community as a whole by placing women's self presentations in the context of sociological literatures relating to the sociology of religion and the sociology of gender The focal issue is the question of how traditionalism fares when the legitimator monitor of tradition in the home encounters the constraints of modernity through her studies and her work **Normative Health Economics** S. Islam,C. Mak,2006-12-06 This book modifies the existing economic theory of health analysis by integrating the issues and principles of moral philosophy in an extended framework It also develops some operational mathematical models to show how this framework can be applied to health economics and policy evaluation **Oil Privatization, Public Choice and International Forces** Stephanie M. Hoopes,2016-07-27 A major part of the British government's privatization programme which has been heralded as a radical break in government were its oil assets This book uses institutional public choice models to examine the case study of the sale of Britoil British Petroleum Enterprise Oil and Wytch Farm and then reassembles the pieces to better understand the whole The extensive interviews provide a full and flavourful background to
