**Practices in the Arctic** Cunera Buijs, Kim van Dam, Frédéric Laugrand, 2022-11-30 This collection follows anthropological perspectives on peoples Canadian Inuit Norwegian Sami Yupiit from Alaska and Inuit from Greenland places and practices in the Circumpolar North from colonial times to our post modern era This volume brings together fresh perspectives on theoretical concepts colonial imperial descriptions collaborative work of non Indigenous and Indigenous researchers as well as articles written by representatives of Indigenous cultures from an inside perspective The scope of the book ranges from contributions based on unpublished primary sources missionary journals and fairly unknown early Indigenous sources and publications to those based on more recent Indigenous testimonies and anthropological fieldwork museum exhibitions and self representations in the fields of fashion marketing and the arts The aim of this volume is to explore the making of representations for and/or by Circumpolar North peoples The authors follow what representations have been created in the past and in some cases continue to be created in the present and the Indigenous employment of representations that has continuity with the past and also goes beyond traditional utilization By studying these representations we gain a better understanding of the dynamics of a society and its interaction with other cultures notably in the context of the dominant culture's efforts to assimilate Indigenous people and erase their story People's ideas about themselves and of the Other are never static not even if they share the same cultural background This is even more the case in the contact zone of the intercultural arena Images of the Other vary according to time and place and perceptions of others are continuously readjusted from both sides in intercultural encounters This volume has been prepared by the Research Group Circumpolar Cultures RGCC which is based in the Netherlands Its members conduct research on social and cultural change focusing on topics that are of interest to the Indigenous peoples of the Arctic The RGCC builds on a long tradition in Arctic studies in the Netherlands Nico Tinbergen Geert van den Steenhoven Gerti Nooter and Jarich Oosten and can rely on rich Arctic collections of artefacts and photographs in anthropological museums and extensive library collections The expertise of the RGCC in Arctic studies is internationally acknowledged by academics as well as circumpolar peoples      For the People Larry

Krasner,2022-09-13 Philadelphia's progressive district attorney offers an inspiring vision of how people can take back power to reform criminal justice based on lessons from a life's work as an advocate for the accused Larry Krasner is at the forefront of a movement to disrupt a system This is a story that needs to be read by millions Bryan Stevenson author of Just Mercy Larry Krasner spent thirty years learning about America's carceral system as a civil rights and criminal defense lawyer in Philadelphia working to get some kind of justice for his clients in a broken system before deciding that the way to truly transform the system was to get inside of it So he launched an unlikely campaign to become the district attorney of Philadelphia a city known for its long line of notorious tough on crime DAs who had turned Philly into a city with one of the highest rates of incarceration in the country Despite long odds and derisive opposition from the police union and other forces of the status quo Krasner laid out a simple case for radical reform and won the November 2017 general election by a margin of nearly 50 percent For the People is not just a story about Krasner's remarkable early life as a defense lawyer and his innovative grassroots campaign it's also a larger exploration of how power and injustice conspired to create a carceral state unprecedented in the world Readers follow Krasner's lifelong journey through the streets and courtrooms and election precincts of one American city all the way up to his swearing in ceremony to see how our system of injustice was built and how we might dismantle it In the tradition of powerful critiques of the criminal justice system from Bryan Stevenson's Just Mercy to Michelle Alexander's The New Jim Crow For the People makes the compelling case that transforming criminal justice is the most important civil rights movement of our time and can only be achieved if we're willing to fight for the power to make a change      *Revolution in Our Time: The Black Panther Party's Promise to the People* Kekla Magoon,2021-11-08 A National Book Award Finalist A Coretta Scott King Author Award Honor Book A Michael L Printz Honor Book A Walter Dean Myers Honor Book With passion and precision Kekla Magoon relays an essential account of the Black Panthers as militant revolutionaries and as human rights advocates working to defend and protect their community In this comprehensive inspiring and all too relevant history of the Black Panther Party Kekla Magoon introduces readers to the Panthers community activism grounded in the concept of self defense which taught Black Americans how to protect and support themselves in a country that treated them like second class citizens For too long the Panthers story has been a footnote to the civil rights movement rather than what it was a revolutionary socialist movement that drew thousands of members mostly women and became the target of one of the most sustained repression efforts ever made by the U S government against its own citizens Revolution in Our Time puts the Panthers in the proper context of Black American history from the first arrival of enslaved people to the Black Lives Matter movement of today Kekla Magoon's eye opening work invites a new generation of readers grappling with injustices in the United States to learn from the Panthers history and courage inspiring them to take their own place in the ongoing fight for justice      Digital Travel Photography Dan Heller,2007 An exotic location does not necessarily equal a stunning photograph This guide shows the secrets of the trade and demonstrates how to hone your shooting skills so

that great travel photographs can be achieved anywhere in the world      *Rights Retained by the People* Hallie Murray,2017-07-15 The Ninth Amendment which guarantees individuals rights not specifically named within the Constitution or the other amendments was written using vague open ended language to ensure no American citizen would be denied the many rights he or she retained that were not explicitly enumerated Yet this vagueness has caused confusion and uncertainty even in the Supreme Court Through full color and black and white photos engaging text and primary sources readers will learn why it was proposed and ratified how it has been interpreted in several landmark Supreme Court cases and how it has impacted society through such issues as labor activities fair housing laws and privacy Sidebars a glossary and further reading are also included      AQA GCSE History: Health and the People Alf Wilkinson,2016-07-11 Exam Board AQA Level GCSE Subject History First Teaching September 2016 First Exam June 2018 AQA approved Create a stimulating well paced teaching route through the 2016 GCSE History specification using this tailor made series that draws on a legacy of market leading history textbooks and the individual subject specialisms of the author team to inspire student success Motivate your students to deepen their subject knowledge through an engaging and thought provoking narrative that makes historical concepts accessible and interesting to today s learners Embed progressive skills development in every lesson with carefully designed Focus Tasks that encourage students to question analyse and interpret key topics Take students historical understanding to the next level by using a wealth of original contemporary source material to encourage wider reflection on different periods Help your students achieve their potential at GCSE with revision tips and practice questions geared towards the changed assessment model plus useful advice to aid exam preparation Confidently navigate the new AQA specification using the expert insight of experienced authors and teachers with examining experience      **Popular Photography** ,1995-09
